10 **A RESOLUTION**

11 **IN SUPPORT OF GOVERNOR LUJAN GRISHAM’S CALL TO PASS GUN REFORMS,**
12 **INCLUDING A BAN ON THE SALE OF ASSAULT WEAPONS.**

13
14 **WHEREAS**, the Governor of New Mexico, Michelle Lujan Grisham, called for a ban on
15 the sale of assault weapons, an end to the state loophole on straw purchases of guns, safe storage
16 reforms, and a law allowing victims of gun violence to bring civil suits against firearm
17 manufacturers during her State of the State address on January 17, 2023; and

18 **WHEREAS**, Governor Lujan Grisham said, “We all know that we cannot keep our people
19 safe, we can’t keep our police officers and their families safe, if weapons of war continue to flood
20 our neighborhoods”; and

21 **WHEREAS**, in the City’s Resolution establishing City of Santa Fe legislative priorities
22 for c2023, the Governing Body supported and endorsed the creation of a New Mexico Office of
23 Gun Violence Prevention; adoption of a Child Access Prevention (“CAP”) law; raising the age of
24 purchase for certain rifles; and a ban on assault-style weapons; and

25 **WHEREAS**, according to statistics for the most recent year available compiled by the

1 Educational Fund to Stop Gun Violence, there were 471 gun violence deaths in New Mexico in
2 2019, including 40 children and teens; and

3 **WHEREAS**, according to Everytown, an average of 433 people die and 618 people are
4 wounded by gun violence in New Mexico annually; and

5 **WHEREAS**, according to Everytown, New Mexico has the twelfth highest rate of gun
6 violence in the United States, with the rate of gun deaths increasing 53 percent from 2011 to 2020
7 (compared to a 33 percent increase nationwide); and

8 **WHEREAS**, according to Giffords: Courage to Fight Gun Violence, in 2020 New Mexico
9 had the seventh-highest gun death rate in the United States; and

10 **WHEREAS**, also according to Giffords:

- 11 • “Assault weapons with large-capacity magazines have become the weapon of
12 choice for assailants seeking to perpetrate mass casualty attacks; and “Assault
13 weapons, especially assault rifles, are typically semiautomatic versions of weapons
14 created for deadly battlefield purposes. They are designed and equipped with
15 features that enable mass killing, including sustained, high-volume rapid fire
16 shooting at large numbers of people in a short period of time;”
- 17 • “Assault weapons have been used in the seven deadliest mass shootings in the last
18 decade. An analysis of public mass shootings resulting in four or more deaths
19 found that more than 85% of such fatalities were caused by assault rifles. An
20 assailant with an assault rifle is able to hurt and kill twice the number of people
21 compared to an assailant with a non-assault rifle or handgun;”
- 22 • “During the 10-year period the federal assault weapons ban was in effect, mass
23 shooting fatalities were 70% less likely to occur compared to the periods before
24 and after the ban;” and
- 25 • “Studies also suggest that state level assault weapons bans help to prevent mass

shooting deaths.”

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF SANTA FE that the Governing Body supports Governor Lujan Grisham’s call for a ban on assault weapons, an end to the state loophole on straw purchases of guns, safe storage reforms, and a law allowing victims of gun violence to bring civil suits against firearm manufacturers.

BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the City of Santa Fe State Legislative Delegation and the Governor of New Mexico.
