

RESIDENTIAL SERVICES CALENDAR 2024

A blue waste truck with a silver grille and a red "Paccar" logo is parked on a residential street. To the left of the truck are several recycling bins: a green bin with a white recycling symbol and "CITY OF SANTA FE" text, and a blue bin with a white recycling symbol and "CITY OF SANTA FE ENVIRONMENTAL SERVICES" text. The background shows a sidewalk, trees, and a clear sky.

RECYCLE RIGHT IN 2024

Welcome to the City of Santa Fe Environmental Services Calendar! The 2024 edition is dedicated to recycling, which is an important part of our Sustainable Santa Fe 25-year Plan (www.santafenm.gov/sustainability). In this calendar you will find information and tips for recycling right, how to set out your carts properly and about free disposal days at the Buckman Road Recycling and Transfer Station (BuRRT) and the landfill.

Did you know that recycling collected from Santa Fe homes and businesses is sorted right here at the BuRRT? Both people and machinery sort materials to be sent to markets in New Mexico and beyond, to be made into new packaging and products. (p.13)

Learn where to properly dispose of chemicals, as they can mix in your cart and combust, catching the trash inside on fire! This year, the City will begin charging a **\$60 fee** for these kinds of damages. ESD will not charge you for damage caused by collections or normal wear and tear. Avoid the issue by taking advantage of the Household Hazardous Waste (HHW) disposal program at BuRRT and the additional HHW free disposal days. The Santa Fe Solid Waste Management Agency (SFSWMA) has also changed the FREE trash disposal location to the Caja del Rio Landfill only (p.3).

Of course, this calendar also shows when residential collection schedules change due to observed holidays. Download the Recycle Coach app to learn how to be a better recycler and get notifications for upcoming schedule changes (p.5).

We hope you find this calendar a useful tool throughout the year.

Your ESD Team wishes you Happy Recycling in 2024!
