23 Santa Fe to select the Plaza pushcart vendors. Prior to the designation of the panel, the city
24 shall disclose the names of the pushcart applicants to potential panel members and the
25 names of the potential panel members to the applicants.

1 (a) A jury panel member shall be prohibited from serving on the panel
2 if they are related to an applicant for a Plaza pushcart license by consanguinity or
3 affinity to the third degree. For purposes of this section consanguinity means
4 related by blood; affinity means one's spouse or related through one's spouse; and
5 third degree means aunts, uncles, nieces and nephews.

6 (b) A jury panel member shall not be allowed to serve on the panel if
7 they have a conflict of interest with any applicant in accordance with the city of
8 Santa Fe Code of Ethics Ordinance, Section 1-7 SFCC 1987.

9 (c) Each jury panel member shall affirm that they shall be fair and
10 impartial during the selection process.

11 (2) The jury panel shall review and score each application separately. Scoring
12 shall be based on the following number of points and criteria:

13 (a) Up to fifty (50) points for quality, freshness, taste and cost of food.

14 (b) Up to thirty (30) points for a personal interview with the applicant,
15 at which time the applicant shall be required to explain how each food item that
16 the applicant is proposing to sell is prepared and demonstrate how at least one food
17 item is prepared.

18 (c) Up to ten (10) points for the design of the pushcart.

20 pushcart and food items with Plaza activities.

21 (3) Scores shall be calculated by city staff. The results shall be ranked
22 numerically and licenses shall be awarded in order of rank, from highest score to lowest.
23 In the event there is a tie in the ranking of applicants, the jury panel shall determine the
24 appropriate means by which the tie shall be broken. The city shall provide written notice
25 of the jury panel's ranking. An applicant may appeal to the city manager the decision of the

1 jury panel within fifteen (15) days of the date of the city's notice of ranking. The city
2 manager or their designee has sole discretion to grant or deny the appeal. The ranking of
3 applications may be adjusted based on the outcome of the appeal process.

4 (4) After the appeal period has ended and any adjustments have been made to
5 the ranking, the city shall mail notification of approval of licenses to the successful
6 applicants.

7 (5) Prior to issuance of any license, the city shall assign pushcart spaces on
8 the Plaza Park, the Plaza or the Plaza periphery. An applicant who had a license the
9 previous license period who receives a license for the upcoming license period may retain
10 the space the applicant used previously. Otherwise, spaces shall be assigned by means of a
11 lottery.

12 (6) Each successful applicant shall obtain a city business registration as set
13 forth in Section 18-2 SFCC 1987 for use only on the Plaza, in the Plaza park or on the Plaza
14 periphery.

15 (7) The annual Plaza pushcart vendor license fee may be paid in full or in two
16 (2) increments. The full or initial increment shall be paid within thirty (30) days of the date
17 of the written notification of approval; the second increment shall be paid no later than six
18 (6) months from the date of issuance of the license. If the license fee is not paid within
19 thirty (30) days of the date of the written notification, the license shall be issued to the
20 applicant with the next-highest score.

21 (8) Vendors who have had a plaza vendor license for twenty-five (25) years
22 or more without recorded violations of the Plaza Pushcart Ordinance, SFCC 1987, Section

24 applying for a ten-year permit shall do so as described in 23-5.5(F), but they are not
25 required to submit the photos and blueprints required by parts (F)(6) and F(8). In addition,

vendors applying for a ten-year permit are not subject to the jury review described in parts G(1) through (4). Vendors with a ten-year permit shall pay the annual pushcart vendor license fee as described in Section 23-5.5(G)(7), in addition to the application fee described in F(2), and may apply for subsequent ten (10) year permits.
