

Office of the Mayor
Official Proclamation of the City of Santa Fe
Bando Oficial de la Villa Real de Santa Fé de San Francisco de Asís Nuevo México

WHEREAS, motor vehicles are a key contribution to the world's climate crisis with transportation accounting for 29% of all greenhouse gas emissions in America; and

WHEREAS, the electrification of transportation is one of the most effective ways to help reduce climate pollution; and

WHEREAS, the adoption of electric vehicles is a necessary step for meeting climate and air quality goals to reduce greenhouse gas emissions and expand the nation's renewable fuels sector while reducing reliance on imported oil; and

WHEREAS, 43% of all new passenger cars, and light duty-trucks shipped to New Mexico auto dealerships must be zero emission vehicles by 2026; and

WHEREAS: electric and plug in hybrid cars, trucks, motorcycles and bikes produce no greenhouse gas emissions when charged with renewable energy, and

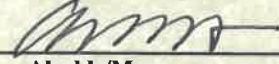

WHEREAS, we encourage all City residents to observe Drive Electric Week by learning about all-electric and plug-in hybrid vehicles, and to consider a variety of electrified options for their next vehicle.

**NOW, THEREFORE, I, ALAN M. WEBBER, MAYOR OF THE CITY OF SANTA FE, NEW MEXICO, DO HEREBY PROCLAIM
