DIRECTOR'S NOTE

Dear Senior Services Community,

Greetings! Summer is officially here and that means warmer weather along with some rain. I would like to remind you that the Senior Center is a cooling station if the temperature is hot out, please come to the Center and cool off.

I would like to take this time to ask everyone to be on the lookout for Elder Abuse. June was Elder Abuse Awareness Month, and Elder abuse can take many forms, including physical, emotional, and financial exploitation. Some signs that a person may be experiencing abuse, neglect, or exploitation include unexplained cuts or bruises, lack of proper food and water, withdrawal, confusion, or isolation. If you suspect an adult is being abused, neglected, or exploited, please call Adult Protective Services Statewide Intake toll-free at 1-866-654-3219.

I want to wish everyone a Happy Fourth of July, be safe, and enjoy this Independence Day.

Hikes for Active Seniors

MODERATE HIKE - JULY 15, BORREGO- WINSOR- BEAR WALLOW TRAILS

July's easy/moderate hike will be a 4.2-mile triangle on three well-defined trails with only 760 feet of total elevation gain. From Hyde Park Road, we'll hike 1.7 easy downhill miles on the Borrego Trail, then turn onto the Winsor Trail for another easy .8 miles, stopping for a snack and rest. After rest, we'll turn onto the Bear Wallow Trail for 1.6 moderate uphill miles to return to our cars. This has been a popular hike in past years.

General items:

- ARRIVE at MEG between 8:30 and 8:45 am.
- We will depart at 9 a.m. sharp and return by approximately 12:30 p.m. (We will carpool as the city can no longer provide transportation.)
- BRING WATER and snack food, sturdy shoes or boots, a hat, a jacket, and gloves (even if you think you will not wear them).

Pancakes on The Plaza

For Northern New Mexico's people, the Fourth of July has become known as the Rotary Club of Santa Fe's Pancakes on the Plaza.

For the past 47 years, this local tradition has become a day full of fun for the whole family! The smell of delicious pancakes fills the air while local vendors, classic cars, and unique art surround the plaza. Breakfast will be served beginning at 7 am.

HEALTH & SAFETY

❖ The Shape of Volunteering

What did Volunteering Look Like during COVID-19?

Despite the devastating impact of the pandemic, Americans continued to serve one another and their communities. They helped neighbors by doing favors like watching each other's children, running errands, and more. Americans also helped their communities by supporting COVID-19 testing and vaccination, conducting wellness checks on isolated seniors, supporting food banks, assisting other public health efforts, and helping students stay on track in school.

Formal Volunteering and Informal Helping

Although the national rate of volunteering through organizations declined from 2019 to 2021, Americans continued to help each other informally.

Formal Volunteering

Formal volunteering involves helping others through organizations.

An estimated 23.2 percent of Americans or 60.7 million people formally volunteered with organizations between September 2020 and 2021. In total, these volunteers served an estimated 4.1 billion hours with an economic value of \$122.9 billion.

The formal volunteering rate dropped seven percentage points—from 30 percent in 2019 to 23 percent in 2021. This is the largest change since AmeriCorps and the US Census began collecting this data in 2002.

National Demographics:

- Generation X (aged 41 to 56 in 2021) had the high (27 percent).
- Parents with children under 18 formally volunteer children in their household (21 percent).

Informal Helping

Informal helping involves assisting others outside of an organizational context, including doing favors for neighbors.

Newsletter: Help With Medicare Costs

Ask Stan Medicare Questions

Volume 4, Issue 6 July 2024

Dear Stan,

I started Medicare last year and live off a limited income. I've had problems making ends meet each month since I started Medicare. Are there any programs that can help me with my Medicare costs? I own a home, a car and I have a few thousand dollars in savings.

Sincerely,

Cecilia,
Grants, New Mexico

Report Medicare Related Fraud by calling the New Mexico Senior Medicare Patrol (SMP) at

1-800-432-2080

The SMP will provide you with the information you need to **PREVENT, DETECT and REPORT** Medicare fraud, errors, and abuse.

Dear Cecilia,

Thank you for your question. There is a very helpful state managed program called **Medicare Savings Programs (MSP)** that you can apply for. You must be eligible for Medicare Part A to receive an **MSP**. The three levels of **MSP** that could help you are:

- The Qualified Medicare Beneficiary (QMB)
- Specified Low-Income Medicare Beneficiary (SLMB)
- Qualifying Individual (QI)

All levels of **MSP** help you by paying for the Medicare Part B monthly premium. This year, the monthly Medicare Part B premium is \$174.70 a month, and it is

usually deducted from your Social Security check. QMB is the only **MSP** that also pays for the cost of Part A, and covers Medicare Part A and B related cost sharing expenses including co-pays and deductibles.

In New Mexico, there are monthly income limits that are used to determine eligibility. Assets are not considered for MSPs. If you were previously denied **MSP** due to excess assets, please call the **New Mexico Aging and Disability Resource Center (ADRC)** at **1-800-432-2080** for re-application assistance or go to [Yes.state.nm.us](https://www.state.nm.us/yes) to apply.

(Continued on page 2)

ASK STAN

If you are a single person and earn up to \$1,715 a month, or a married person living with their spouse and earn up to \$2,320 a month you may be eligible for one of the **MSPs**. You can apply by calling the **ADRC** at **1-800-432-2080** or online at [Yes.state.nm.us](https://www.yes.state.nm.us).

For people who missed their opportunity to enroll timely in Part B, the **MSPs** can be a strategy to get enrolled in Part B immediately without having to wait for the General Enrollment Period (January 1 thru March 31). When approved for an **MSP**, the Medicare beneficiary applicant would be enrolled in Part B automatically. The **MSP** will also waive any Part B late enrollment penalties.

There is also a federal program called **Low Income Subsidy (LIS)** or **Extra Help** that pays for the Medicare prescription drug plan's monthly premiums, annual deductible and copayments. You may have gotten a letter from Social Security advising that you may be eligible for this benefit. **Extra Help** reduces your Medicare prescription drug costs, potentially saving you several thousand

dollars a year. If you are approved for an **MSP**, you will receive the **Extra Help** benefit automatically, but you may be able to get **Extra Help** even if you are not eligible for the **MSP**. To get more information about how to apply for **Extra Help** go to www.ssa.gov. You can also chat with a counselor at www.nmaging.state.nm.us.

Reporte fraude relacionado a Medicare con la Patrulla de Medicare para las Personas Mayores (SMP, por sus siglas en inglés) de Nuevo México al:

1-800-432-2080

El SMP está disponible para proveerle la información para ayudarlo a **PROTEGERSE, DETECTAR, y REPORTAR** fraude, errores, y abusos contra Medicare.

Querido Cecilia,

Gracias por su pregunta. Hay un programa administrado por el estado muy útil llamado **Medicare Savings Programs (MSP)** que puede solicitar. Usted debe ser elegible para Medicare Parte A para recibir un **MSP**. Los tres niveles de **MSP** que podrían ayudarlo son:

- El Beneficiario Calificado de Medicare (QMB)
- Specified Low-Income Medicare Beneficiary (SLMB)
- Individuo calificado (QI)

Todos los niveles de **MSP** lo ayudan pagando la prima mensual de la Parte B de Medicare. Este año, la prima mensual de Medicare Parte B es de \$174,70 al mes, y generalmente se deduce de su cheque de Seguro Social. QMB es el único **MSP** que

también paga el costo de la Parte A, y cubre los gastos relacionados con la Parte A y B de Medicare, incluidos los copagos y deducibles.

En Nuevo México, hay límites de ingresos mensuales que se utilizan para determinar la elegibilidad. Los activos no se consideran para los MSP. Si anteriormente se le negó **MSP** debido a un exceso de activos, llame al Centro de Recursos para Personas de Edad y **Discapacidad de Nuevo México (ADRC)** al **1-800-432-2080** para obtener asistencia **para volver a solicitar** o visite [Yes.state.nm.us](https://www.yes.state.nm.us) para solicitar.

Si usted es una persona soltera y gana hasta \$1.715 al mes, o una persona casada que vive con su cónyuge y gana hasta \$2.320 al mes, puede ser elegible para uno de los

MSP. Puede aplicar llamando al **ADRC** al **1-800-432-2080** o en línea en Yes.state.nm.us.

Para las personas que perdieron su oportunidad de inscribirse oportunamente en la Parte B, los **MSP** pueden ser una estrategia para inscribirse en la Parte B inmediatamente sin tener que esperar el Período de Inscripción General. Cuando se aprueba para un **MSP**, el solicitante beneficiario de Medicare se inscribirá en la Parte B automáticamente. El **MSP** también renunciará a cualquier penalidad de inscripción tardía de la Parte B.

También hay un programa federal llamado **Subsidio de Bajos Ingresos (LIS, por sus siglas en inglés)** o **Ayuda Adicional** que paga las primas mensuales, deducibles anuales y copagos del plan de medicamentos recetados de Medicare. Es posible que haya recibido una carta del Seguro Social en la que se le advierte que puede ser elegible para este beneficio. **Ayuda adicional** reduce los costos de sus medicamentos recetados de Medicare, lo que podría ahorrarle varios miles de dólares al año. Si usted es aprobado para un **MSP**, usted recibirá el beneficio de **ayuda adicional**

automáticamente, pero usted puede ser capaz de obtener **ayuda adicional** incluso si usted no es elegible para el **MSP**. Para obtener más información sobre cómo solicitar **ayuda adicional**, visite www.ssa.gov. También puede conversar con un consejero en www.nmaging.state.nm.us.
