20 14-5.5 HIGHWAY CORRIDOR PROTECTION DISTRICTS

21 (D) Midtown Local Innovation Corridor (Midtown LINC) Overlay District

22 (1) Purpose and Intent

23 The purpose and intent of the Midtown Local Innovation Corridor (LINC) Overlay District is to:

24 (a) Strengthen and animate the built environment and the business and
25 population links within the demographic and geographic center of the city between the

1 existing employment centers of the Santa Fe University of Art and Design and
2 surrounding uses to the west and the Christus St. Vincent Regional Medical Center and
3 related medical uses to the east;

4 (b) Incentivize multi-family residential development, complementary non-
5 residential uses, and an enlivened, street-oriented pedestrian environment by freeing
6 development capacity of existing under-developed land and buildings for these targeted
7 uses, while allowing existing uses to continue as redevelopment occurs;

8 (c) Allow for innovative development and redevelopment of the district
9 while providing buffering between the district and existing residential development
10 outside of the district by the application of amended land development regulations and
11 fees and by establishing conditions precedent for future infrastructure enhancements and
12 the application of other redevelopment and financing tools;

13 (d) Promote a more healthy, safe, and enjoyable environment within the
14 city's midtown area through the enhancement of pedestrian and bicycle accessibility and
15 safety, landscaping and other street-related amenities and the eventual reduction of traffic
16 speeds and provision of on-street parking, bicycle lanes, and improved crosswalks; and

17 (e) Provide flexibility in sign design and location so as to maintain effective
18 communication, business identification and wayfinding for existing buildings whose
19 visibility may be reduced by new development.

20 (2) Boundaries

21 The Midtown LINC Overlay District includes land in the vicinity of the St. Michael's
22 Drive *right-of-way* from the eastern edge of the Cerrillos Road *right-of-way* to the western edge
