SEC CLERK RECORDED 04/22/2020

IX. MATTERS FROM THE BOARD

Councilor Vigil Coppler asked what measures have been taken with the staff regarding the virus.

Mr. Kippenbrock said we have taken numerous steps and have upped our level of sanitization for employees, given them gloves and have asked that they wash their hands as frequently as possible. We are trained on procedures for blood borne pathogens at all our facilities. This not a blood borne pathogen, but the protocols are similar as are the precautions. He is encouraging staff to take sick leave if they are sick and to see their healthcare providers. He intends to reduce the operating hours at the landfill and at BuRRT starting Monday and going through the month of April. This is a very stressful time for everyone. Right now BuRRT is open from 8:00 am to 4:45 pm. We will change that to 8:00 am to 3:00 pm. We are encouraging customers to maintain social distance between each other and staff. We are limiting loads to one a day per customer. The landfill will close at 4:00 pm rather than 5:00 pm and on Saturdays they will close at 1:00 pm. This will allow us to de-stress ourselves and clean the office areas and do wipe downs inside the building and equipment. We will pay staff for the full day.

Councilor Vigil Coppler said very good. She appreciates his efforts.

Chair Hansen said this is one of the reasons why we need to have adequate broadband to do these meetings telephonically. The next emergency bill coming out, according to the Association of Counties, will be to provide additional broadband capabilities.

X. MATTERS FROM STAFF - AGENCY, CITY, COUNTY

Ms. Sitton said she wants to make sure we are in communication on services provided. She wants to make sure we are able to dump if we have fewer employees and takes longer. We will work together on that.

Commissioner Hamilton said Trash Amnesty Day is scheduled in April. What is the status of that.

Mr. Kippenbrock said it has been postponed. We will reevaluate it at the end of April.

Chair Hansen said that is a good idea.

Ms. Sitton said we are just starting to get public information out. We supplied a press release about safety and recycling for our workers. She will work with Randall and his staff to get information out as well.

XI. NEXT MEETING DATE

APRIL 16, 2020

Chair Hansen said she wanted to reemphasize the poor quality of this call. Please check into a better system for our next call.

Mr. Kippenbrock said he will do that.

XII. ADJOURNMENT

There being no further business before the Committee the meeting adjourned at 5:30 pm.
