The Registrar shall not be required (1) to transfer or exchange all or a portion of any Bond subject to prior redemption during the period of fifteen days next preceding the mailing of notice to the registered owners calling any Bonds for prior redemption pursuant to Section 6D of this ordinance or (2) to transfer or exchange all or a portion of a Bond after the mailing to registered owners of notice calling such Bond or portion thereof for prior redemption.

C. Payment - Registered Owners. The person in whose name any Bond is registered on the registration books kept by the Registrar shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof and for all other purposes except as may otherwise be provided with respect to payment of defaulted interest as provided in Section 5B of this ordinance; and payment of or on account of either principal or interest on any

Bond shall be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed upon transfer of such Bond in the manner and subject to the conditions and limitations provided in this ordinance. All such payments shall be valid and effectual to discharge the liability upon the Bond to the extent of the sum or sums so paid.

D. Replacement Bonds. If any Bond shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such evidence, information or indemnity relating thereto as it may reasonably require, authenticate and deliver a replacement Bond or Bonds of a like aggregate principal amount and of the same subseries and maturity, bearing a number or numbers not contemporaneously outstanding. If such lost, stolen, destroyed or mutilated Bond shall have matured, the Registrar may direct the Paying Agent to pay such Bond in lieu of replacement.

E. Delivery of Bond Certificates to Registrar. The officers of the City are authorized to deliver to the Registrar fully executed but unauthenticated Bonds in such quantities as may be convenient to be held in custody by the Registrar pending use as provided in this ordinance.

F. Cancellation of Bonds. Whenever any Bond shall be surrendered to the Paying Agent upon payment of the Bond, or to the Registrar for transfer, exchange or replacement as provided in this ordinance, the Bond shall be promptly canceled by the Paying Agent or Registrar, and counterparts of a certificate of such cancellation shall be furnished by the Paying Agent or Registrar to the City.

Section 10. Successor Registrar or Paying Agent. If the Registrar or Paying Agent initially appointed under this ordinance shall resign or is prohibited by law from continuing as Registrar or Paying Agent, or if the City shall reasonably determine that the Registrar or Paying Agent has become incapable of fulfilling its duties under this ordinance, the City may, upon notice mailed to each registered owner of Bonds at the address last shown on the registration books, appoint a successor Registrar or Paying Agent, or both. Every such successor Registrar or Paying Agent shall be a bank or trust company located in and in good standing in the United States and having a shareholder's equity (e.g., capital stock, surplus and undivided profits), however denominated, not less than \$50,000,000. It shall not be required that the same institution serve as both Registrar and Paying Agent hereunder, but the City shall have the right to have the same institution serve as both Registrar and Paying Agent hereunder.

Section 11. Special Limited Obligations. The Bonds and all payments of principal and interest thereon, (whether at maturity or on a redemption date) and the obligations of the City for all other payments, fees, costs, interest and expenses of the City under this ordinance and under the Related Documents, including all payments due from the City under a Qualified Exchange Agreement, shall be special limited obligations of the City. The principal of and interest on the Bonds and all obligations of the City under the Related Documents shall be payable solely from the Pledged Revenues, after payment of any Superior Obligations (and in the case of Exchange Termination Payments, after payment of the Bonds and any Parity Obligations), which revenues are hereby pledged.

Owners of the Bonds and other parties to the Related Documents, including a Qualified Counterparty, may not look to any general or other fund of the City for the payment of the principal of or interest on, or the fees, costs and expenses relating to, such obligations, except the designated special funds pledged therefor. Neither the Bonds nor the obligations of the City under the Related Documents shall constitute an indebtedness of the City within the meaning of any constitutional, charter or statutory prohibition or limitation, nor shall they be considered or held to be general obligations of the City, and the Bonds, any Related Document and any Qualified Exchange Agreement shall recite that they are payable and collectable solely out of the Pledged Revenues, after payment of any Superior Obligations (and in the case of Exchange Termination Payments, after payment of the Bonds and any Parity Obligations), and from the other sources stated in this Section, and that the owners of the Bonds, any other party or a Qualified Counterparty may not look to any general or other municipal fund for the payment of the principal or interest, as applicable, on the Bonds or for the payment of any amounts owed under the Related Documents.

Nothing herein shall prevent or prohibit the City from applying other funds of the City legally available therefor to the payment or redemption of the Bonds or to the payment of any amounts owed under a Related Document, in its sole discretion.

Section 12. Form of Bonds, Certificate of Authentication and Assignment. The Bonds, Registrar's Certificate of Authentication and Form of Assignment shall be in substantially the following forms, with such changes therein as are not inconsistent with this ordinance:

The City of Santa Fe (herein "City"), in the County of Santa Fe and State of New Mexico, for value received, hereby promises to pay upon presentation and surrender of this bond,

solely from the special funds provided therefor as hereinafter set forth, to the registered owner named above, or registered assigns, on the Maturity Date specified above (unless this bond, if subject to prior redemption, shall have been called for prior redemption in which case on such redemption date), upon the presentation and surrender hereof at Wells Fargo Bank, N.A., Denver, Colorado, as paying agent, or its successor (herein the "Paying Agent"), the Principal Amount stated above, in lawful money of the United States of America, and to pay to the registered owner hereof as of the Regular Record Date (being the 15th day of the calendar month whether or not a business day preceding each regularly scheduled interest payment date as defined in Ordinance No. 2010-26, adopted November 10, 2010, which authorizes this bond and which is referred to herein as the "Bond Ordinance"), by check or draft mailed to such registered owner, on or before each interest payment date as hereinafter provided (or, if such interest payment date is not a business day, on or before the next succeeding business day), at his address as it last appears on the Regular Record Date on the registration books kept for that purpose by Wells Fargo Bank, N.A., Denver, Colorado, as registrar (i.e., transfer agent) for the bonds, or its successor (herein the "Registrar") or by such other arrangement as may be agreed to by the Paying Agent and the registered owner hereof, interest on such sum in lawful money of the United States of America from the Series Date specified above or the most recent interest payment date to which interest has been fully paid or duly provided for in full (as more fully provided in the Bond Ordinance) until maturity at the per annum Interest Rate specified above, payable on June 1, 2011 and semiannually thereafter on December 1 and June 1 in each year. Any such interest not so timely paid or duly provided for shall cease to be payable to the registered owner as of the Regular Record Date and shall be payable to the registered owner as of a Special Record Date (as defined in the Bond Ordinance), as further provided in the Bond Ordinance. If upon presentation and surrender to the Paying Agent at or after maturity or on a designated prior redemption date on which the City may have exercised its right to prior redeem this bond pursuant to the Bond Ordinance, payment of this bond is not made as herein provided, interest hereon shall continue at the rate herein designated until the principal hereof is paid in full. If the Bonds are issued in book-entry only form, an authorized officer of the City and the applicable securities depository ("Depository") may make other arrangements for the payments on the Bonds.

The bonds of the series of which this bond is a part maturing on and after June 1, 2021, are subject to prior redemption at the City's option in one or more units of principal of \$5,000 on an after June 1, 2020, in whole or in part at any time, in such order of maturities as the City may determine (and by lot if less than all of the Bonds of such maturity is called, such selection by lot to be made by the Registrar in such manner as he shall consider appropriate and fair), at a redemption price equal to the principal amount of the Bonds or the portion thereof to be redeemed plus accrued interest, if any, to the redemption date. Additionally, the bonds of the series of which this is one maturing on June 1, 2026, are also subject to mandatory sinking fund redemption on and after June 1, 2024, by lot in such manner as the Registrar may determine, pursuant to the terms of the sinking fund provisions of the Bond Ordinance, for the principal amount thereof and accrued interest to the redemption date.

Redemption shall be made upon mailed notice to each registered owner of each bond selected for redemption as shown on the registration books kept by the Registrar in the manner and upon the conditions provided in the Bond Ordinance.

The bonds of the series of which this is one are fully registered (i.e., registered as to payment of both principal and interest), and are issuable in the denomination of \$5,000 or any denomination which is an integral multiple of \$5,000 (provided that no bond may be in a denomination which exceeds the principal coming due on any maturity date and no individual bond will be issued for more than one maturity). Upon surrender of any of such bonds at the Registrar with a written instrument satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney, such bond may, at the option of the registered owner or his duly authorized attorney, be exchanged for an equal aggregate principal amount of such bonds of the same maturity of other authorized denominations, subject to such terms and conditions as set forth in the Bond Ordinance.

This bond is fully transferable by the registered owner hereof in person or by his duly authorized attorney on the registration books kept by the Registrar upon surrender of this bond together with a duly executed written instrument of transfer satisfactory to the Registrar. Upon such transfer a new fully registered bond of authorized denomination or denominations of the same aggregate principal amount and maturity will be issued to the transferee in exchange for this bond, subject to such terms and conditions as set forth in the Bond Ordinance. The City and the Registrar and Paying Agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of making payment and for all other purposes.

This bond is one of a series of bonds designated "City of Santa Fe Subordinate Lien Gross Receipts Tax Refunding Revenue Bonds, Series 2010B," of like tenor and date, except as to interest rate, number and maturity, authorized for the purpose of refunding outstanding loans of the City from the New Mexico Finance Authority, all as set forth in the Bond Ordinance.

This bond is issued pursuant to and in strict compliance with the Constitution and laws of the State of New Mexico.

This bond does not constitute an indebtedness of the City within the meaning of any constitutional or statutory provision or limitation, shall not be considered or be held to be a general obligation of the City, and is payable and collectible solely out of the City's Pledged Gross Receipts Tax Revenues pursuant to the subordinate pledge made by and as defined in the Bond Ordinance, which revenues are so pledged; and the holder of this bond may not look to any general or other fund for the payment of the principal and interest on this obligation, except the special funds pledged therefor. Payment of the bonds of the series of which this bond is one and the interest thereon shall be made solely from, and as security for such payment, there are pledged pursuant to the Bond Ordinance special funds identified as the "One-Half Percent Gross Receipts Tax Revenue Fund," the "Infrastructure Gross Receipts Tax Revenue Fund" and the "State-Shared Gross Receipts Tax Revenue Fund" into which the City covenants to pay the Pledged Gross Receipts Tax Revenues, concurrently with debt service payments for outstanding parity bonds, sums sufficient to pay when due the principal of and the interest on the bonds of the series of which this bond is one. For a description of the funds, the nature and extent of the security afforded thereby for the payment of the principal of and interest on the bonds, and other details concerning the bonds, reference is made to the Bond Ordinance. The bonds of the series

of which this bond is one are equally and ratably secured by a subordinate lien on the City's Pledged Gross Receipts Tax Revenues; the Bonds constitute an irrevocable subordinate lien, but not necessarily an exclusive subordinate lien, upon the Pledged Gross Receipts Tax Revenues. Additional bonds and other obligations, in addition to the series of which this bond is one, may be issued and made payable from the City's Pledged Gross Receipts Tax Revenues having a lien thereon inferior and junior to the lien or, subject to designated conditions, having a lien thereon on a parity with, or superior to the lien of the bonds of the series of which this bond is one, in accordance with the provisions of the Bond Ordinance.

The City covenants and agrees with the registered owner of this bond and with each and every person who may become the registered owner hereof that it will keep and perform all of the covenants of the Bond Ordinance.

This bond is subject to the conditions, and every registered owner hereof by accepting the same agrees with the obligor and every subsequent registered owner hereof that the principal of and the interest on this bond shall be paid, and this bond is transferable, free from, and without regard to any equities between the obligor and the original or any intermediate registered owner hereof for any setoffs or cross-claims.

It is further certified, recited and warranted that all the requirements of law have been fully complied with by the City Council and officers of the City in the issuance of this bond; and that it is issued pursuant to and in strict conformity with the Constitution and laws of the State of New Mexico, and particularly the terms and provisions of Sections 3-31-1 through 3-31-12, NMSA 1978, as amended, and all laws thereunto enabling and supplemental thereto.

This bond shall not be valid or obligatory for any purpose until the Registrar shall have manually signed the certificate of authentication herein.

IN WITNESS WHEREOF, the City of Santa Fe has caused this bond to be signed, subscribed, and executed, and attested with the facsimile signatures of its Mayor and its City Clerk, respectively and has caused the facsimile of its corporate seal to be affixed on this bond, all as of the Series Date.

The use and distribution of the Preliminary Official Statement and the Official Statement by the Underwriter in connection with the sale of the Bonds to the public is hereby authorized, approved and acknowledged.

Section 16. Disposition of Bond Proceeds and Other Funds. Except as herein otherwise specifically provided in this ordinance, the proceeds from the sale of the Bonds and any amounts transferred from the reserve accounts and debt service accounts for the Refunded Loans shall be used and paid solely for the valid costs of the Refunding Project.

A. Payment of Costs of Issuance. An amount necessary, together with other legally available funds of the City, shall be used to pay Costs of Issuance.

B. Prepay the Refunded Loans. All remaining proceeds, together with other legally available funds of the City, shall be used to prepay and discharge the Refunded Loans on December 14, 2010, and to the extent not needed to prepay the Refunded Loans on December 14, 2010, shall be deposited in the Bond Fund.

Section 17. Underwriter Not Responsible. The validity of the Bonds is not dependent on nor affected by the validity or regularity of any proceedings related to the completion of the Refunding Project as defined in this ordinance. The Underwriter of the Bonds, and any subsequent owner of any Bonds, shall in no manner be responsible for the application or disposal by the City or by any officer or any employee or other agent of the City of the moneys derived from the sale of the Bonds or of any other moneys designated in this ordinance.

Section 18. Continuance of Pledged Gross Receipts Tax Funds. The City hereby continues the following special and separate trust funds:

A. State-Shared Gross Receipts Tax Revenue Fund. The "City of Santa Fe, New Mexico State-Shared Gross Receipts Tax Revenue Account of the General Fund of the City," to be maintained by the City and deposited in an Insured Bank, into which the City shall deposit the State-Shared Gross Receipts Tax Revenues.

B. One-Half Percent Municipal Gross Receipts Tax Revenue Fund. The "City of Santa Fe, New Mexico One-Half Percent Municipal Gross Receipts Tax Revenue Fund," to be maintained by the City and deposited in an Insured Bank, into which the City shall deposit the One-Half Percent Municipal Gross Receipts Tax Revenues.

C. Infrastructure Gross Receipts Tax Revenue Fund. The "City of Santa Fe, New Mexico Infrastructure Gross Receipts Tax Revenue Fund," to be maintained by the City and deposited in an Insured Bank, into which the City shall deposit the Infrastructure Gross Receipts Tax Revenues.

D. Environmental Services Gross Receipts Tax Revenue Fund. The "City of Santa Fe, New Mexico Environmental Services Gross Receipts Tax Revenue Fund," to be maintained by the City and deposited in an Insured Bank, into which the City shall deposit the Environmental Services Gross Receipts Tax Revenues.

Section 19. Administration of Pledged Gross Receipts Tax Revenue Funds. So long as any of the Bonds shall be outstanding, either as to principal or interest or both, the following payments shall be made monthly from the Pledged Gross Receipts Tax Revenues:

A. Bond Service Fund Payments.

(1) First, as a first charge on the Pledged Revenues, the amounts necessary to pay the Debt Service Requirements on Superior Obligations now outstanding or hereafter issued, or to fund any reserve account as required by the terms of any ordinance authorizing the issuance of Superior Obligations, shall be withdrawn first from the One-Half Percent Municipal Gross Receipts Tax Revenue Fund, and if funds therein are insufficient, then if pledged for such Superior Obligations, from the Infrastructure Gross Receipts Tax Revenue Fund, and, if pledged for such Superior Obligations, from the Environmental Services Gross Receipts Tax Revenue Fund, if funds therein are still insufficient, then from the State-Shared Gross Receipts Tax Revenue Fund in that order or in such other order as permitted or required by the authorizing ordinances, at the time prescribed in such authorizing ordinances.

(2) Second, but subject to and after the withdrawals authorized by the preceding paragraph A(1), so long as any of the Bonds shall be outstanding, the following amounts shall be withdrawn from the One-Half Percent Municipal Gross Receipts Tax Revenue Fund, then from the Infrastructure Gross Receipts Tax Revenue Fund if the moneys in the One-Half Percent Municipal Gross Receipts Tax Revenue Fund are not sufficient, and, if such moneys are still insufficient, then from the State-Shared Gross Receipts Tax Revenue Fund (unless the City determines that such amounts shall be withdrawn from such funds in some other order), and credited to the Bond Fund:

(a) Interest Payments. Monthly, commencing on the first day of the first month following the delivery of the Bonds, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the next maturing installment of interest on the Bonds then outstanding and monthly thereafter commencing on each interest payment date, one-sixth (1/6th) of the amount necessary to pay the next maturing installment of interest on the outstanding Bonds, and

(b) Principal Payments. Monthly, commencing on the first day of the first month following delivery of the Bonds, an amount in equal monthly installments necessary, together with any moneys therein and available therefor, to pay the next maturing installment of principal on the Bonds then outstanding and monthly thereafter commencing on the first day of the twelfth month preceding each principal payment date, one-twelfth (1/12th) of the amount necessary to pay the next maturing installment of principal on the Bonds.

(3) Third, but concurrently with the payments required by paragraph A(2) of this section, funds remaining in the One-Half Percent Municipal Gross Receipts Tax Revenue Fund, and if the funds therein are insufficient, then funds remaining in the Infrastructure Gross Receipts Tax Revenue Fund, and if the funds therein are insufficient, then funds remaining in the State-Shared Gross Receipts Tax Revenue Fund and, if pledged therefor, funds remaining in the Environmental Services Gross Receipts Tax Revenue Fund, shall be used by the City to pay the Debt Service Requirements of such additional Parity Obligations, if any, hereafter authorized to be issued and payable from Pledged Revenues.

If prior to any interest payment date or principal payment date, there has been accumulated in the Bond Fund the entire amount necessary to pay the next maturing installment of interest or principal, or both, the payment required in subparagraphs 2(a) and 2(b) (whichever is applicable) of this paragraph, may be appropriately reduced and the required monthly amounts again shall be so credited to such account commencing on such interest payment date or principal payment date (whichever is applicable).

B. Debt Service Reserve Fund. No debt service reserve fund will be created or required for the Bonds.

C. Termination Upon Deposits to Maturity. No payment need be made into the Bond Fund if the amount in such fund totals a sum at least equal to the entire amount of the Bonds then outstanding, both as to principal and interest to their respective maturities, and both accrued and not accrued, in which case, moneys in the Bond Fund in an amount at least equal to such principal and interest requirements shall be used solely to pay such as the same accrue and any moneys in excess thereof in the Bond Fund and any other moneys derived from the Pledged Revenues may be used in any lawful manner determined by the City.

D. Defraying Delinquencies in the Bond Fund; Use of Moneys in the Bond Fund. If, in any month, amounts in the One-Half Percent Municipal Gross Receipts Tax Revenue Fund are insufficient to make the payments into the Bond Fund required by Paragraph A(2) of this Section 19, there shall be withdrawn first from the Infrastructure Gross Receipts Tax Revenue Fund and then from the State-Shared Gross Receipts Tax Revenue Fund, and deposited in the Bond Fund the additional amounts necessary to make the payments into the Bond Fund required by Paragraph A(2) of this Section 19. The moneys in the Bond Fund shall be used solely and only for the purpose of paying the principal of and the interest on the Bonds issued under this ordinance; provided, however, that any moneys in the Bond Fund in excess of accrued and unaccrued principal and interest requirements to the respective maturities of the outstanding Bonds may be used in any lawful manner.

E. Payment of Additional Obligations and Qualified Exchange Agreements. Either prior to, concurrently with or subsequent to the payments required by Paragraph A of this Section 19, depending upon whether the additional Obligations are Superior Obligations or Parity Obligations or Subordinate Obligations as provided in this ordinance, the Pledged Gross Receipts Tax Revenues shall be used by the City for the payment of Debt Service Requirements on additional Obligations, if any, hereafter authorized to be issued and payable from the Pledged Revenues as the same accrue. In the event that such obligations are Parity Obligations, the payments of Debt Service Requirements on such additional Obligations shall be made concurrently with the payments required by Paragraphs A(2), A(3) and D of this Section 19 (provided that such payments may be made at any intervals as may be provided in the ordinance or resolution authorizing such additional Obligations). The following amounts required to be paid by the City shall be paid from Pledged Gross Receipts Tax Revenues with the same priority as other payments of Debt Service Requirements on Parity Obligations:

(1) Any amount to reimburse or pay a bond insurer or reserve account insurer or guarantor, or to make payments or reimbursements pursuant to another Credit Facility,

for payments of Debt Service Requirements made on Parity Obligations; and amounts payable to a Qualified Counterparty under a Qualified Exchange Agreement, excluding Exchange Termination Payments, if such payments are designated in a City ordinance relating to that Qualified Exchange Agreement as having a lien on Pledged Revenues on a parity with the lien thereon of Parity Obligations;

(2) Reimbursement of any reserve fund Credit Facility obtained for any issue of Parity Obligations; and

(3) Cash deposits to any required reserve fund established with respect to any issue of Parity Obligations.

Each payment of Debt Service Requirements on Parity Obligations shall be transferred to the Paying Agent for payment of Parity Obligations, or directly to a Qualified Counterparty, bond insurer, reserve account insurer or guarantor or other provider of a Credit Facility entitled to receive payments on Parity Obligations, on or before the due date of such payment.

F. Rebate Fund. There is hereby created a separate account to be known as the "City of Santa Fe Subordinate Lien Gross Receipts Tax Refunding Revenue Bonds, Series 2010B, Bond Rebate Fund" (the "Rebate Fund"), to be held by the City. All of the amounts on deposit in the accounts created and established by this ordinance and all amounts pledged to the payment of debt service for the Bonds shall be invested in compliance with the requirements of Section 25J of this ordinance. There shall be transferred into the Rebate Fund from the Pledged Gross Receipts Tax Revenue Funds, such amounts as are required to be deposited therein to meet the City's obligations under the covenant contained in Section 25J of this ordinance, in accordance with Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Tax Code"). Amounts on deposit in the Rebate Fund shall not be subject to the lien and pledge of this ordinance to the extent such amounts are required to be paid to the United States Treasury. The City hereby finds and determines that payment to the United States in an amount equal to interest and other gain from the investment of moneys accumulated in the Bond Fund and any other account into which Pledged Revenues are transferred, to the extent such interest or other gain is subject to the rebate requirements of Section 148(f) of the Tax Code, shall be subject to a lien thereon in favor of the United States Treasury and pledged to the United States Treasury for the benefit of the owners of the Bonds from time to time. From time to time, if the City determines that there is on deposit in the Rebate Fund more money than is needed to satisfy the rebate obligation, then such excess shall be transferred and credited to the Bond Fund and used to pay Debt Service Requirements.

G. Payment of Expenses and Certain Obligations which are not Parity Obligations. After and subject to the payments required, and provisions contained in, any of the preceding paragraphs of this Section, any remaining Pledged Gross Receipts Tax Revenues shall be used, to the extent necessary, for payment of: (i) any other amounts, expenses, fees and interest owed by the City relating to the issuance, delivery, servicing, payment, redemption and refunding of Parity Obligations and (ii) other Obligations relating to Parity Obligations owed by the City pursuant to the Related Documents, any Qualified Exchange Agreement (excluding

Exchange Termination Payments), bond insurance policy, reserve fund insurance policy or similar documents which are not payable pursuant to any other prior paragraph of this Section.

H. Subordinate Obligations. After and subject to the payments required by, and provisions contained in, the preceding paragraphs of this Section, any remaining Pledged Gross Receipts Tax Revenues shall be used, as necessary, by the City for the payment of the principal of, and interest on all Obligations with a lien on the Pledged Revenues which is subordinate and junior to the lien of the Parity Obligations on Pledged Revenues, including without limitation, any Exchange Termination Payments.

I. Use of Surplus Revenues. After making the payments required to be made by Paragraphs A to H of this Section, the remaining Pledged Gross Receipts Tax Revenues, if any, may be applied to any other lawful purposes. The One-Half Percent Municipal Gross Receipts Tax Revenues received by the City pursuant to the One-Half Percent Municipal Gross Receipts Tax Ordinance shall be used only for the purposes authorized by that ordinance. The Infrastructure Gross Receipts Tax Revenues received by the City pursuant to the Infrastructure Gross Receipts Tax Ordinance shall be used only for the purposes authorized by that ordinance. The Environmental Services Gross Receipts Tax Revenues received by the City pursuant to the Environmental Services Gross Receipts Tax Ordinance shall be used only for the purposes authorized in that ordinance.

J. Variable Interest Rate. In making the computations required by this Section, interest on Obligations which bear a Variable Interest Rate shall be computed: (i) at the actual Variable Interest Rate or Variable Exchange Rate for the computation period, if such rate can be computed exactly, or (ii) if the Variable Interest Rate or Variable Exchange Rate cannot be computed exactly, at the actual rate for the immediately preceding computation period.

Section 20. General Administration of Funds. The funds and accounts designated in Sections 16 through 19 of this ordinance shall be administered as follows:

A. Investment of Money. Any moneys in any fund designated in Sections 16 through 19 may be invested in any Permitted Investments. The obligations so purchased as an investment of moneys in a fund shall be deemed at all times to be part of the fund, and the interest accruing thereon and any profit realized therefrom shall be credited to the fund, and any loss resulting from each investment shall be charged to the fund. The City Finance Director shall present for redemption or sale on the prevailing market any obligations so purchased as an investment of moneys in the fund whenever it shall be necessary to do so in order to provide moneys to meet any payment or transfer from such fund.

B. Deposits of Funds. Except for direct investments in Permitted Investments allowed by Paragraph A of this Section 20, the moneys and investments comprising each of the funds and accounts hereinabove designated in Sections 16 through 19 of this ordinance shall be maintained and kept separate from all other funds and accounts in an Insured Bank or Insured Banks. The amounts prescribed shall be paid to the appropriate funds as specified in Sections 16 through 19. Each payment shall be made into the proper bank account and credited to the proper fund not later than the last day designated; provided that when the

designated date is a Sunday or a legal holiday, then such payment shall be made on the next preceding secular day. Nothing in this ordinance shall prevent the establishment of one such bank account or more (or consolidation with any existing bank account), for all of the funds and accounts in Sections 16 to 19, both inclusive, of this ordinance.

Section 21. Subordinate Lien on Pledged Revenues. The Pledged Gross Receipts Tax Revenues and the amounts and securities on deposit in the Bond Fund, and the proceeds thereof, are hereby authorized to be pledged to, and are hereby pledged, and the City grants a security interest therein, for the payment of the principal of and interest on the Bonds, subject to the uses thereof permitted by, and the priorities set forth in, this ordinance. The Bonds constitute an irrevocable subordinate lien (but not an exclusive subordinate lien) on the Pledged Revenues on parity with the lien thereon of Parity Bonds but subordinate to the lien thereon of Superior Obligations.

Section 22. Additional Superior Obligations and Parity Obligations.

A. Limitations Upon Issuance of Parity Obligations. No provision of this ordinance shall be construed in such a manner as to prevent the issuance by the City of additional Obligations payable from Pledged Revenues and constituting a lien upon such revenues prior and superior to the lien of the Bonds. Before any additional Superior Obligations are issued, the conditions set forth in the ordinances authorizing the issuance of Superior Obligations must be satisfied.

Before any additional Parity Obligations are actually issued (excluding refunding bonds the proceeds of which are used to refund Parity Obligations as provided in Section 23, but including Parity Obligations which are refunding bonds which refund subordinate obligations), the following conditions shall be met:

- (i) The Parity Obligations must be Obligations; and
- (ii) The City shall then be current in all of the deposits required to be made with respect to the Parity Obligations (including, if applicable, any obligation to fund any reserve account required by the terms of any ordinance authorizing the issuance of any such Obligations); and
 - (iii) (a) No additional Parity Obligations shall be issued unless the Pledged Gross Receipts Tax Revenues for the Historic Test Period shall have been sufficient to pay an amount representing two hundred percent (200%) of the combined maximum annual Debt Service Requirements coming due in any subsequent Fiscal Year on the Bonds, on the then outstanding Superior Obligations and Parity Obligations and the additional Parity Obligations proposed to be issued (excluding the accumulation of any reserves therefor); and
 - (b) In making the computations required by this subparagraph
- (iii) other gross receipts tax revenues, including without limitation, the Environmental Services Gross Receipts Tax Revenues, received by the City, whether from distribution by the State or pursuant to gross receipts taxes imposed by the City (other than State-Shared Gross Receipts Tax

Revenues) pledged to the Superior Obligations, the Parity Obligations and the Parity Obligations proposed to be issued, may be included only to the extent such gross receipts tax revenues are pledged to a particular series of such outstanding Obligations or proposed Parity Obligations and only to the extent of the maximum annual Debt Service Requirements on such outstanding Obligations or proposed Parity Obligations.

B. Subordinate Obligations Permitted; Certain Obligations Prohibited. No provision of this ordinance shall be construed in such a manner as to prevent the issuance by the City of additional Obligations payable from the Pledged Revenues with a lien on Pledged Revenues subordinate and junior to the lien of the Bonds thereon, nor to prevent the issuance of Obligations refunding all or part of the Bonds as permitted by Section 23.

C. Variable Interest Rate. In making the computations required by this Section and Section 23, Obligations which bear a Variable Interest Rate shall be deemed to bear interest at the maximum rate permitted for those Obligations.

D. Certificate of City Finance Director. A written certificate or opinion of the City Finance Director that the Pledged Revenues for the applicable Historic Test Period are sufficient to pay the amounts required in this Section shall be required in making a determination that the requirements set forth in this Section have been satisfied and shall be conclusively presumed to be accurate in determining that such requirements have been satisfied.

E. Bond Anticipation Notes. Whenever the City shall have authorized the issuance of Superior Obligations or Parity Obligations under the Act and the City shall, at the time, be permitted by the laws of the State to issue notes representing loans in anticipation of the sale of such Superior Obligations or Parity Obligations ("Bond Anticipation Notes"), the City may by resolution or ordinance authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such Superior Obligations or Parity Obligations, provided, however, that before any Bond Anticipation Notes are actually issued, the conditions of Section 22A shall be met. Bond Anticipation Notes shall not be issued in an amount exceeding the principal amount of the Superior Obligations or Parity Obligations in anticipation of the sale of which such notes are proposed to be issued.

For the purposes of determining compliance with this Section, as of the date of issuance of any Bond Anticipation Notes, the aggregate principal amount of all outstanding Bond Anticipation Notes (including such proposed Bond Anticipation Notes) shall never exceed the principal amount of a hypothetical issue of Superior Obligations or Parity Obligations which could be issued hereunder having an assumed final maturity of twenty (20) years, bearing an assumed rate of interest equal to the highest rate then borne by any Bond Anticipation Note then outstanding (or, if none, the interest rate borne by the proposed Bond Anticipation Notes to be issued) and having debt service due in each Fiscal Year in approximately equal amounts.

F. Put Obligations. In making the computations required by this Section and Section 23, the principal amount of any Put Obligations to be outstanding in the Fiscal Year when the combined maximum annual Debt Service Requirements come due shall be excluded

from the maximum annual Debt Service Requirements only if the Credit Facility providing liquidity or standby purchase support for Put Obligations is rated, on the date the computations are made, "A" or better by Fitch or S&P (if such rating agencies are then rating the Bonds). If there is no Credit Facility for the Put Obligations or the rating requirement for the Credit Facility set forth in the preceding sentence is not satisfied, the principal amount of the Put Obligations to be outstanding in the Fiscal Year when combined maximum annual Debt Service Requirements come due shall be considered in computing maximum annual Debt Service Requirements.

Section 23. Refunding Bonds. The provisions of Section 22 hereof are subject to the following exceptions:

A. Privilege of Issuing Refunding Obligations. If at any time after the Bonds, or any part thereof, shall have been issued and remain outstanding, the City shall find it desirable to refund any outstanding Parity Obligations or other outstanding obligations payable from the Pledged Revenues, such bonds or other obligations, or any part thereof, may be refunded (but only with the consent of the registered owner or owners thereof, unless the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the City's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed (except as provided in paragraph A of Section 22 and in paragraphs B and C of this Section 23).

B. Limitations Upon Issuance of Refunding Obligations. No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on a parity with the Bonds herein authorized, unless:

(1) The lien on the Pledged Revenues of the outstanding obligations so refunded is on a parity with the lien thereon of the Bonds herein authorized; or

(2) The refunding bonds or other refunding obligations are issued in compliance with Paragraph A of Section 22 of this ordinance.

C. Refunding Part of an Issue. The refunding bonds or other obligations so issued shall enjoy complete equality of lien with the portion of any bonds or other obligations of the same issue which is not refunded, if any there be; and the registered owner or owners of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the registered owner or owners of the bonds or other obligations of the same issue refunded thereby.

D. Limitations Upon Issuance of any Refunding Obligations. Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the City may by ordinance provide, subject to the inclusion of any such rights and privileges designated in Paragraph C of this Section 23, but without any impairment of any contractual obligations imposed upon the City by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including but not necessarily limited to the issue herein authorized). If only a part of the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Pledged Revenues

is refunded, then such obligations may not be refunded without the consent of the registered owner or owners of the unrefunded portion of such obligations, unless:

(1) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest requirements evidenced by such refunding obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations, or

(2) The refunding bonds or other refunding obligations are issued in compliance with Paragraph A of Section 22 hereof, or

(3) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

E. Cross-over Refunding Bonds. If the refunding bonds to be issued are Cross-over Refunding Bonds, the ordinance providing for the issuance thereof shall provide (1) that until the date on which the principal portion of the related Obligations being refunded is to be paid or redeemed from the proceeds of such Cross-over Refunding Bonds, the Cross-over Refunding Bonds shall not be Parity Obligations and shall be payable solely from the escrow provided for in the related ordinance, and (2) a certificate of an Independent Accountant shall be prepared to demonstrate the sufficiency of the moneys and investments in the escrow to pay the principal of and interest on the Cross-over Refunding Bonds until the date on which the principal portion of the related Obligations being refunded is to be paid or redeemed and to pay or redeem the related Obligations being refunded.

Section 24. Equality of Bonds. The Bonds authorized to be issued hereunder and from time to time outstanding shall not be entitled to any priority one over the other in the application of the Pledged Revenues, regardless of the time or times of their issuance, it being the intention of the Governing Body that there shall be no priority among the Bonds regardless of the fact that they may be actually issued and delivered at different times.

Section 25. Protective Covenants. The City hereby covenants and agrees with each and every registered owner of the Bonds that:

A. Payment of Bonds Herein Authorized. The City will promptly pay the principal of and the interest on every Bond issued hereunder and secured hereby at the place, on the dates and in the manner specified herein and in the Bonds according to the true intent and meaning hereof. Such principal and interest are payable solely from the Pledged Revenues. Nothing in the Bonds, any Qualified Exchange Agreement or this ordinance shall be construed as obligating the City to pay principal or interest on any of the Bonds from, and the holders of the Bonds and any Qualified Counterparty may not look to, any general or other fund of the City, except those specifically set forth herein.

B. Records. So long as any of the Bonds remain outstanding, proper books of record and account will be kept by the City, separate and apart from all other records and

accounts, showing complete and correct entries of all transactions relating to the Pledged Revenues.

C. Audits. The City further agrees that it will, within 270 days following the close of each Fiscal Year, cause an audit of such books and accounts to be made by an Independent Accountant, showing the revenues and expenditures of the Pledged Revenues. The City agrees to furnish forthwith a copy of each of such audits and reports to the Underwriter upon request. Any registered owner of a Bond shall have the right to discuss, with the Independent Accountant or person making the audit, the report and the contents thereof and to ask for such additional information as he may reasonably require.

D. Extending Interest Payments. In order to prevent any accumulation of claims for interest after maturity, the City will not directly or indirectly extend or assent to extension of time for the payment of any claim for interest on any of the Bonds and it will not directly or indirectly be a party to or approve any arrangement for any such extension or for the purpose of keeping alive any of such interest.

E. Performing Duties. The City will faithfully and punctually perform all duties with respect to the Refunding Project and the Bonds required by the Constitution and laws of the State of New Mexico and the ordinances and resolutions of the City including but not limited to the proper segregation of the Pledged Revenues and their application of the respective funds.

F. Other Liens. Other than the outstanding Superior Obligations, the outstanding Parity Obligations and the Bonds as recited in this ordinance, there are no liens or encumbrances of any nature whatsoever on or against the Pledged Revenues. This ordinance does not prohibit the issuance of Superior Obligations with a lien on the Pledged Revenues prior and superior to the lien thereon of the Bonds, nor does this ordinance prohibit the issuance of Parity Obligations with a lien on the Pledged Revenues on parity with the lien thereon of the Bonds.

G. City's Existence. The City will maintain its corporate identity and existence so long as any of the Bonds herein authorized remain outstanding unless another political subdivision by operation of law succeeds to the liabilities and rights of the City, without affecting to any substantial degree the privileges and rights of any registered Owner of any outstanding Bonds.

H. Duty With Respect to Pledged Revenues. If the statutes or any ordinance which materially affects the Pledged Revenues or any part of such ordinances, shall ever be held to be invalid or unenforceable, it shall be the duty of the City, to the extent authorized by law, to immediately take any action necessary to produce sufficient Pledged Revenues to comply with the contracted obligations of this ordinance, except as provided in Paragraph I of this Section 25.

I. Impairment of Contract. The City agrees that any law or ordinance or resolution of the City in any manner affecting the Pledged Revenues or the Bonds, or otherwise appertaining thereto, shall not be repealed or otherwise directly or indirectly modified, in such a

manner as to impair adversely any Bonds outstanding, unless such Bonds have been discharged in full or provision has been fully made therefor, or unless the consent of the required percentage of the registered owners of the then outstanding Bonds is obtained pursuant to Section 33 of this ordinance.

J. Tax Covenant. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended, including applicable regulations, rulings and judicial decisions (the "Tax Code"), or (ii) be treated other than as bonds to which Section 103(a) of the Tax Code applies, and (b) the interest thereon will not be treated as a preference item under Section 57 of the Tax Code. The City further covenants (a) that it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, (b) that it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowings, (ii) restrict the yield on investment property, (iii) make timely and adequate rebate payments, yield reduction payments or payments of alternative amounts in lieu of rebate to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Tax Code.

Authorized Officers of the City are hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Tax Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting in the compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount, yield reduction payments or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate or yield reduction payments, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, including amounts required to be rebated to the United States pursuant to Section 148(f) of the Tax Code, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of the proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

K. Limitation on Superior Obligations or Parity Obligations with Variable Interest Rates. The City shall not issue Superior Obligations or Parity Obligations with a

Variable Interest Rate which, at the time of issuance, are assigned a lower rating than the rating then assigned to the Bonds by Fitch or S&P, unless the written consent of such rating agency to a lower rating is obtained prior to issuance of such Superior Obligations or Parity Obligations.

L. Notice of Qualified Exchange Agreements to Rating Agencies. The City shall not enter into a Qualified Exchange Agreement which is a Parity Obligation or with respect to any Parity Obligations without first providing notice of such Qualified Exchange Agreement to Fitch and S&P and without first receiving written confirmation from Fitch and S&P that entering into such Qualified Exchange Agreement, in and of itself, would not result in a reduction of the ratings then assigned to the Bonds by Fitch and S&P.

M. Continuing Disclosure Undertaking. Authorized Officers of the City are authorized to sign such documents with respect to the City's continuing disclosure obligations as are necessary or desirable to comply with the Continuing Disclosure Undertaking and requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended.

Section 26. Defeasance. When all principal and interest in connection with the Bonds hereby authorized have been duly paid, the pledge and lien and all obligations hereunder shall thereby be discharged and the Bonds shall no longer be deemed to be outstanding within the meaning of this ordinance. There shall be deemed to be such due payment as to any Bond when the Governing Body has placed in escrow and in trust with a commercial bank located within or without the State of New Mexico and exercising trust powers, an amount sufficient (including the known minimum yield from Federal Securities in which such amount may initially be invested) to meet all requirements of principal and interest as the same become due to its maturity or designated redemption date as of which the City shall have exercised or obligated itself to exercise its option to call the Bond. The Federal Securities shall become due prior to the respective times on which the proceeds thereof shall be needed, in accordance with a schedule established and agreed upon between the Governing Body and such bank at the time of the creation of the escrow or the Federal Securities shall be subject to the redemption at the option of the holders thereof to assure such availability as so needed to meet such schedule. Federal Securities within the meaning of this Section shall include only direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America and which are not callable prior to maturity by the issuer of such obligations.

Section 27. Events of Default. Each of the following events is hereby declared an "event of default":

A. Nonpayment of Principal. If payment of the principal of any of the Bonds herein authorized to be issued shall not be made when the same become due and payable; or

B. Nonpayment of Interest. If payment of any installment of interest shall not be made when the same becomes due and payable; or

C. Incapable to Perform. If the City shall for any reason be rendered incapable of fulfilling its obligations (but not including any obligation of the City under any Qualified Exchange Agreement) hereunder; or

D. Default of any Provision. If the City shall default in the due and punctual performance of its covenants or conditions, agreements and provisions contained in the Bonds or in this ordinance on its part to be performed (other than defaults described in Subparagraphs A, B and C of this Section 27), and if such default shall continue for 60 days after written notice specifying such default and requiring the same to be remedied shall have been given to the City by the registered owners of 25% in principal amount of the Bonds then outstanding.

E. Bankruptcy or Insolvency of City. (1) The City shall (a) apply for or consent to the appointment of or the taking of possession by, a receiver, custodian, trustee, liquidator or the like of the City or of all or a substantial part of its property, (b) commence a voluntary case under the Federal Bankruptcy Code, or (c) file a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, or reorganization, or (2) a proceeding or case shall be commenced, without application or consent of the City, in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of the City, (b) appointment of a trustee, receiver, custodian, liquidator or the like of the City or of all or a substantial part of its assets, or (c) similar relief in respect of the City under any law relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts.

Section 28. Remedies of Defaults. Upon the happening and continuance of any of the events of default as provided in Section 27 of this Ordinance, then and in every case the registered owner or owners of not less than 25% in principal amount of the Bonds then outstanding, including but not limited to a trustee or trustees, may proceed against the City, its Governing Body, and its agents, officers and employees to protect and enforce the rights of any registered owner of Bonds under this ordinance by mandamus or other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction, either for specific performance of any covenant or agreement contained herein or award or execution of any power herein granted for the enforcement of any power, legal or equitable remedy as such registered owner or owners may deem most effectual to protect and enforce the rights aforesaid, or thereby to enjoin any act or thing which may be unlawful or in violation of any right of any registered owner, or to require the Governing Body of the City to act as if it were the trustee of an expressed trust, or any combination of such remedies. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all registered owners of the Bonds then outstanding. The failure of any such registered owner so to proceed shall not relieve the City or any of its officers, agents or employees of any liability for failure to perform any duty. Each right or privilege of any such registered owner (or trustee thereof) is in addition and cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any registered owner shall not be deemed a waiver of any other right or privilege thereof.

Section 29. Duties Upon Default. Upon the happening of any of the events of default as provided in Section 27 of this ordinance, the City, in addition, will do and perform all proper

acts on behalf of and for the registered owners of the Bonds to protect and preserve the security created for the payment of the principal of and interest on the Bonds promptly as the same become due. All proceeds derived from the Pledged Revenues, so long as any of the Bonds herein authorized, either as to principal or interest, are outstanding and unpaid, shall be paid into the proper fund and used for the purposes therein provided. In the event the City fails or refuses to proceed as in this Section provided, the registered owner or registered owners of not less than 25% in principal amount of the Bonds then outstanding, after demand in writing, may proceed to protect and enforce the rights of the registered owners as hereinabove provided.

Section 30. Enforcement. Any registered owner of any one or more of the Bonds, may, either by law or in equity, by suit, action, mandamus or other appropriate proceedings in any court of competent jurisdiction enforce the payment of principal of, and interest on, any Bond on or after the date on which such payment is due, and may by suit, action, mandamus or other appropriate proceeding or proceedings enforce and compel the performance of such payment in accordance with the provisions of this ordinance.

Section 31. Severability. If any Section, paragraph, clause or provision of this ordinance shall be held to be invalid or unenforceable, the invalidity or unenforceability of such Section, paragraph, clause or provision shall not affect any of the remaining provisions of this ordinance.

Section 32. Repealer Clause. All ordinances or parts of ordinances inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revive any ordinance or part of any ordinance heretofore repealed.

Section 33. Amendment.

A. Limitations upon Amendments. This ordinance may be amended or supplemented by ordinance or resolution of the Council without the consent of registered owners:

(1) To cure any ambiguity, or to cure, correct or supplement any defect or inconsistent provision contained in this ordinance;

(2) To grant to the registered owners any additional rights, remedies, powers or authority that may lawfully be granted to them;

(3) To obtain or maintain a rating on the Bonds from any rating agency which amendment, in the judgment of Bond Counsel, does not materially adversely affect the registered owners of the Bonds;

(4) To achieve compliance with federal securities or tax laws;

(5) To make any other changes in this ordinance which, in the opinion of Bond Counsel, is not materially adverse to the registered owners; and

(6) To make any other changes in this ordinance in connection with the execution of a Qualified Exchange Agreement, which changes do not adversely affect the rating(s) assigned to the Bonds by Fitch and S&P (if such rating agencies are then rating the Bonds) and do not adversely affect the registered owners.

B. Additional Amendments. Except as provided above, this ordinance may only be amended or supplemented by ordinance adopted by the Council in accordance with the laws of the State, without receipt by the City of any additional consideration, but with the written consent of the registered owners of a majority of the principal amount of the outstanding Bonds which are affected by the amendment or supplement (not including Bonds which are then owned by or for the account of the City); provided, however, that, without first obtaining the consent of all registered owners of the outstanding Bonds, no such ordinances shall have the effect of permitting:

- (1) An extension of the maturity of any Bond; or
- (2) A reduction in the principal amount of or interest rate on any Bond; or
- (3) A reduction of the principal amount of Bonds required for consent to such amendment or supplement.

C. Proof of Instruments. The fact and date of the execution of any instrument under the provisions of this Section may be proved by the certificate of any officer in any jurisdiction who by the laws of that jurisdiction is authorized to take acknowledgments of deeds within that jurisdiction that the person signing the instrument acknowledged before him the execution of that instrument, or may be proved by an affidavit of a witness to the execution sworn to before such officer.

D. Proof of Bonds. The principal amount and number of Bonds owned by any person executing such instrument and the date of holding that instrument may be proved by a certificate executed by a bank or trust company showing that on the date mentioned that person had on deposit with the bank or trust company the Bonds described in the certificate.

Section 34. Ordinance Irrepealable. After any of the Bonds herein authorized are issued, this ordinance shall be and remain irrepealable until the Bonds and interest thereon shall be fully paid, canceled and discharged as therein provided, or there has been defeasance as provided in Section 26 hereof.

Section 35. Prepayment and Notice of Prepayment for the Refunded Loans. The City has elected and does hereby declare its intent to exercise on the behalf and in the name of the City its option to prepay and redeem the Refunded Loans on December 14, 2010. The City is hereby obligated so to exercise such option, which option shall be deemed to have been exercised upon delivery of the Bonds. Notice of prepayment of the Refunded Loans has been provided to the NMFA as required by Article VIII of the 2004 Railyard Project Finance

Authority Loan (Tax-Exempt) and the 2006 Railyard Project Finance Authority Loan (Tax-Exempt).

Section 36. Effective Date, General Summary for Publication. Upon due adoption of this ordinance, the ordinance shall be recorded and preserved by the City Clerk, authenticated by the signature of the Mayor and City Clerk, and the seal of the City impressed hereon, and the title and general summary of the subject matter contained in this ordinance (set out below) shall be published in a newspaper which maintains an office and is of general circulation in the City and this ordinance shall be in full force and effect after its publication in accordance with law.
