SANTA FE 50+/SENIOR OLYMPICS – 30 YEARS AND STILL GOING STRONG

The 2008 season was the 30th year for Santa Fe Senior Olympics and a record breaker, with 440 registrants (up from 268 in 2007) who were awarded a total of 957 medals in 21 events!

It is clearly time to increase the accessibility of our Senior Olympics. Many Olympians are younger than age 60 (the eligibility cut-off for Senior Services). So, as of the beginning of July, Santa Fe 50+/Senior Olympics will be overseen by the Recreation Division of the City of Santa Fe with coordination from the Senior Services Division. This program expansion will allow more registration and event locations as well as additional staff support. Senior Services will still provide Olympic Guides and information; will continue to be one place to register for events, and will keep you apprised of basic Olympic information through The Senior Scene Newsletter.

Ruben Lovato, Sports Coordinator in the Recreation Department, will be at the helm. Ruben has had prior experience with Senior Olympics, having run the program in the early 90's. You can contact Ruben at 955-2508 or email him at rjlovato@santafenm.gov.

The Senior Olympics Advisory Committee has been working closely with Ruben and his staff to ensure that there is a smooth transition and that the forthcoming changes are in the best interest of the program and of all of you.

I would like to express how much I have enjoyed working with all of you Olympians during the past 3 years. It has been a pleasure and an honor to know you and interact with you. To the 50+/Senior Olympics Advisory Board, thank you for your kindness and consideration. This is my last year with 50+/Senior Olympics as I am moving to the East Coast at the end of summer.

Con todo mi cariño y hasta luego,
Carmen Chávez-Luján
