3 **amended) is amended to read:**

4 **5-7.1 Possession, Confinement and Impoundment of Animals.**

5 A. No person shall hold or retain possession of any animal of which he is not the owner,
6 without the knowledge or consent of the owner, for more than twenty-four (24) hours without first
7 reporting the possession to the administrator or his designee, giving his name and address, a true and
8 complete statement of the circumstances, a description of the animal and the precise location where
9 such animal is confined.

10 B. It is unlawful for any person taking up an animal to fail to give the notice required in
11 paragraph A. of this section, and for any person having such animal in his possession to fail or refuse
12 to immediately surrender such animal to the administrator or his designee upon demand.

13 C. A licensed stray animal shall be confined at the animal services center for a period of
14 at least seven (7) days during which time the owner shall be notified. If identification or notification
15 of the owner is not possible, the animal services center may dispose of the animal, without notice, one
16 (1) day after the required impoundment period and may either place the animal in an adoptive home,
17 or may destroy the animal in a humane fashion, as the administrator may deem proper.

18 D. An unlicensed stray animal shall be confined at the animal services center for a
19 period of at least five (5) days. One (1) day after the required impoundment period, the administrator
20 may either place the animal in an adoptive home, or may destroy the animal, in a humane fashion, as
21 the administrator may deem proper.

22 E. The animal services officers have the right to impound animals that are destroying
23 public or private property or endangering the welfare of any person or animal that is lawfully on
24 public or private rights-of-way. Any animal in violation of this subsection is declared to be a
25 nuisance, a menace to the public health and safety and shall be impounded.

1 F. A notice of impoundment shall be left when an animal is impounded from private
2 property. An attempt shall be made by the animal services officers to contact the owner.

12 J. It is the responsibility of an owner of an animal legally impounded to pay for
13 boarding and other costs. The city shall establish appropriate fees and procedures for their collection.
14 In addition, the owner shall pay any license fees due, cost of vaccinations, fines imposed or other
15 costs incurred in the care and maintenance of the animal. The animal services center shall not release
16 any animal impounded at the center until all such fees, fines and costs are paid.

20 impoundment the animal shall be neutered before it is released. The owner shall be responsible for all
21 costs incurred and shall pay in full before the animal is released.

22 L. If the administrator determines that an animal is a threat to public safety or that an
23 animal's safety is in jeopardy, the administrator may impound the animal, at the owner's expense, for
24 the time necessary to seek a court order to hold the animal until the case against the owner or
25 caretaker of the animal is heard in municipal court. Any attempt to obtain such a court order shall be

1 made expeditiously. The owner or caretaker of the animal shall be responsible for any and all
2 boarding and medical costs that accrue as a result of such impoundment.

3 **Section 16. Subsection 5-7.4 SFCC 2987 (being ordained as Code 1973, §4-25, as**
4 **amended) is amended to read:**

5 **5-7.4 Vicious Animals; Dangerous Animals.**

6 A. *Vicious Animals.* No person shall keep or harbor a vicious animal. An animal whose
7 bite or attack results in or causes great bodily harm to a person or an animal may be deemed vicious
8 by a court of law. Any person attacked by a vicious animal while on public property may use
9 reasonable force to repel the attack. An animal deemed vicious by a court of law shall be surrendered
10 to the animal services center for humane euthanasia, at the owner's expense, or the owner shall
11 provide acceptable proof to the animal services center that the animal has been destroyed.

12 B. *Dangerous Animals.* No person shall keep or harbor a dangerous animal in a manner
13 that constitutes a threat to a person or other domesticated animal. An animal deemed dangerous by a
14 court of law shall be muzzled, on a leash no longer than three (3') feet, and under the immediate
15 physical control of the owner or person having custody whenever the animal is not on the premises of
16 the owner or person having custody. If an animal is found to be dangerous and the owner or person
17 having custody of the animal has been found to not be in compliance with this section, then the
18 animal may be deemed vicious by a court of law.

19 **Section 17. Subsection 5-7.6 SFCC 2987 (being ordained as Code 1973, §4-27, as**
20 **amended) is amended to read:**

21 **5-7.6 Animal Nuisances.**

22 A. It is unlawful for the owner of any animal to permit, either willfully or through
23 failure to exercise due care or control, any such animal to create any nuisance upon a sidewalk, public
24 park, alley or other place open to the public or upon any property other than that of the owner of the
25 animal. The term nuisance shall include any defecation, destruction of property or disturbing the

1 property of another, including the rubbish or trash of a resident. When an animal defecates in such
2 place, the owner shall remove the feces and dispose of it in a sanitary manner. Anyone walking an
3 animal in a public area shall have in his or her possession a sanitary and disposable means of
4 removing the animal's feces which must be placed in a refuse container for sanitary removal. The
5 person shall be able to present such means upon request of an animal services officer. The provisions
6 of this paragraph shall not apply to a service animal accompanying any person with a disability.

7 B. Any person keeping animals shall provide adequate and sanitary housing facilities for
8 such animals, and no stagnant water shall be permitted to accumulate. All structures used for the
9 housing of such animals and all yards, cages and runs provided for them shall be cleaned in a timely
10 manner so as not to cause noxious or offensive odors and to prevent the breeding of insects. Such
11 areas shall be cleaned often enough so as not to cause a health hazard for the animal or interfere with
12 the animal's well-being. Failure to so keep any such animal is hereby declared to be a nuisance and
13 unlawful.

14 C. Violations of this section shall constitute a nuisance and shall subject the owner or
15 person having care or control of the animal to the penalties set forth in Section 5-12 SFCC 1987.

16 **Section 18. Subsection 5-7.9 SFCC 2987 (being ordained as Code 1973, §4-30, as**
17 **amended) is amended to read:**

18 **5-7.9 Service Animals in Public Places.**

19 It is unlawful for any person owning, operating or maintaining any public place of business or
20 conveyance into which the general public is invited for any purpose to debar or exclude therefrom
21 any dog or miniature horse designated as a service animal that has been individually trained to work
22 or perform tasks for an individual with a disability whom it was trained to assist in conformance with
23 the law.

24 **Section 19. Subsection 5-7.11 SFCC 2987 (being Ord. #1984-66, §§ 1-2, as amended)**
25 **is amended to read:**

1 **5-7.11 Confining Animals in or upon Motor Vehicles.**

2 No person shall confine any animal in or upon a motor vehicle that would place the animal in
3 a life or health threatening situation because of exposure to a prolonged period of extreme heat or
4 cold, without proper ventilation or other protection from the heat or cold. In order to protect the
5 health and safety of an animal, an animal services officer or law enforcement officer who has
6 probable cause to believe that this section is being violated shall have the authority to enter such
7 motor vehicle by any reasonable means under the circumstances after making a reasonable effort to
8 locate the owner of the motor vehicle.

9 **Section 20. Subsection 5-7.13 SFCC 2987 (being Ord. #1984-66, §4, as amended) is**
10 **amended to read:**

11 **5-7.13 Removal of Animals from Motor Vehicles by Animal Services Officer or Peace**
12 **Officer.**

13 An animal services or peace officer who finds an animal in a motor vehicle in violation of
14 this chapter may enter the motor vehicle if necessary to remove the animal. The officer removing the
15 animal shall take the animal to an animal services center or other place of safe keeping. If a vehicle is
16 entered, left unsecured and cannot be re-secured, an animal services or peace officer shall stay with
17 the vehicle until the owner arrives. In the event the person having custody cannot be contacted, the
18 officer shall leave in a prominent place in the motor vehicle a written notice bearing his name and
19 office and the address where the animal may be claimed by the owner. The animal will be
20 surrendered to the owner if the owner claims the animal within five (5) days from the time the animal
21 was impounded. The owner shall pay all charges that have accrued for the maintenance of the animal.
22 If the owner fails to claim the animal within five (5) days after its removal from the motor vehicle, the
23 animal services center will make reasonable effort to contact the owner and give notice that the
24 animal is in their custody. In the event the owner cannot be contacted or expresses no interest in
25 reclaiming the animal within five (5) days after contact or efforts to contact, the animal services

1 center may dispose of the animal in any reasonably humane manner.

2 **Section 21. Subsection 5-7.16 SFCC 2987 (being Ord. #2004-20, §29) is amended to**
3 **read:**

4 **5-7.16 Special Events on the Plaza.**

11 exempt from this ban. For the purposes of this restriction, the Plaza shall include the center park and
12 those areas surrounding the center park designated for those events as described in subsection 23-5.2
13 SFCC 1987.

14 **Section 22. Subsection 5-8.6 SFCC 2987 (being Ordained as Code 1978, §4-37, as**
15 **amended) is amended to read:**

16 **5-8.6 Protective Care.**

17 When the administrator finds that any animal is or will be without proper care because of
18 injury, illness, incarceration or absence of the owner or person responsible for the care of the animal,
19 the administrator may take up the animal for protective care. In the event of sickness or injury of the
20 animal, upon the advice of a licensed veterinarian, the administrator may take such action as called
21 for to prevent undue pain and suffering including immediate humane euthanasia of the animal. The
22 animal will be held free of charge for seventy-two (72) hours. If the animal is not claimed during that
23 period, daily boarding fees shall be charged.

24 **Section 23. Subsection 5-8.7 SFCC 2987 (being Ordained as Code 1978, §4-38, as**
25 **amended) is amended to read:**

1 **5-8.7 Injury by Motorists.**

5 administrator, furnishing sufficient facts relative to the injury.

6 B. Every such operator shall remain at or near the scene until the appropriate authorities
7 arrive, and upon the arrival of the appropriate authorities, the operator shall immediately identify
8 himself to them. Alternatively, in the absence of the owner, a person may give aid by taking the
9 animal to a veterinary hospital or the animal services center and notifying the administrator. The
10 animal shall be deemed an abandoned animal within the meaning of subsection 5-8.4 of this chapter.
11 This provision does not apply to operators of emergency vehicles.

12 **Section 23. Subsection 5-8.9 SFCC 2987 (being Ordained as Code 1978, §4-40, as**
13 **amended) is amended to read:**

14 **5-8.9 Keeping of Diseased or Painfully Crippled Animals.**

15 It is unlawful to have, keep or harbor any animal which is infected with any dangerous or
16 incurable or painfully crippling condition except as provided in this chapter. The administrator may
17 impound the diseased or painfully crippled animal in accordance with the provisions of this chapter.
18 All such animals impounded, following examination and approval by a veterinarian may be destroyed
19 humanely as soon thereafter as is conveniently possible. In the case of humane euthanasia of an
20 animal, the administrator shall not be required to give any of the notices provided in this chapter. This
21 subsection shall not be construed to include veterinary hospitals or animals under active veterinary
22 care.

23 **Section 24. Subsection 5-8.11 SFCC 2987 (being Ordained as Code 1978, §4-42, as**
24 **amended) is amended to read:**

25 **5-8.11 Confining or Crating of Fowl.**

1 It is unlawful for any person to confine any wild or domestic fowl or bird unless provisions
2 are made for the proper feeding and the furnishing of water to the fowl or bird at intervals not longer
3 than twelve (12) hours; and unless provisions are made that the crate, box or other enclosure in which
4 the fowl or bird is confined or impounded permits the fowl or bird to stand in a naturally erect
5 position.

6 **Section 25. Subsection 5-9.5 SFCC 2987 (being Ord. #2004-20, §32) is amended to**
7 **read:**

8 **5-9.5 Litter Permit Required.**

9 The owner who unintentionally breeds dogs or cats and does not have a current professional
10 animal care permit for breeding, as required in subsection 5-6.2 SFCC 1987, shall pay a litter fee for
11 each litter. An owner shall not advertise, sell, barter, exchange or give away any dog or cat within the
12 municipal boundaries unless the litter fee is paid. Any advertisement for the sale, barter, exchange or
13 give away shall include the litter fee receipt number. An owner shall furnish the litter fee receipt
14 number to any prospective recipient requesting the number. If the owner purchases a breeder permit
15 or provides proof of sterilization of the female animal within thirty (30) days of being cited for
16 violation of this section, such charge shall be dropped. If the owner takes all or part of the litter to the
17 Santa Fe animal shelter to surrender, a litter permit shall not be required provided that the animal that
18 produced the litter is neutered.

19 **Section 26. Subsection 5-10.1 SFCC 2987 (Ordained as Code 1973, §4-48, as**
20 **amended) is amended to read:**

21 **5-10.1 Wild or Exotic Animals.**

22 A. It is unlawful to be in charge of, possess or own:

23 (1) Any wild or exotic animal or species prohibited by federal or state law;

24 (2) Any wild or exotic animal or species when kept in such numbers or in such a
25 way as to constitute likelihood of harm to the animals themselves, to human beings or to the

1 property of human beings, or which constitutes a public or private nuisance;

2 (3) Bats; or

3 (4) Skunks, except those owned by individuals on the effective date of this
4 chapter and provided that any wild or exotic animal permit is obtained for the skunks within
5 sixty (60) days of the effective date.

6 B. It is unlawful to receive, purchase, own or keep any wild or exotic animal without
7 first applying to and receiving from the administrator a permit to do so. Notwithstanding, those
8 persons in possession of a wild or exotic animal when they become residents of the city in the future
9 or who possess the animal on the effective date of this chapter have a sixty (60) day period in which
10 to apply for the permit before the penalty provisions of this chapter become enforceable.

11 C. No person shall apply for a wild or exotic animal permit without first obtaining any
12 required state or federal permits.

13 D. The application for a permit shall contain the name of the applicant; his address, the
14 address of the proposed location of the wild or exotic animal if different from the applicant's; a brief
15 description of the applicant's plan for keeping the wild or exotic animal which shall include the
16 species of animal, the number of individuals of each species, and a description of the housing
17 facilities; a list of individuals qualified to care for the animal desired or that have agreed to advise or
18 assist the applicant in the proper care and treatment of the animal and who would be willing to
19 recommend the person applying for the permit; and the list of publications which the applicant has
20 studied in order to qualify for a permit for the animal.

21 E. Upon receipt of the application, the administrator shall inspect the facilities where the
22 animal is to be housed and shall make whatever other investigations he deems necessary. The
23 administrator may deny a permit if the inspection or investigation determines that the provisions of
24 this section are not met.

25 F. Whenever, in any given permit year, there are new wild or exotic animals in a

1 collection due to the reproduction of members of the collection or to replacement in the same number
2 and zoological species as the members replaced, the new animals do not require an additional permit
3 during the year, provided the administrator is notified in writing of the new exotic animals within
4 thirty (30) days of acquisition. When a new or wild exotic animal or collection is added, a new permit
5 must be secured and a new fee shall be due and payable at the time of issuance of the permit and shall
6 be a prerequisite of the issuance.

7 G. The wild or exotic animal permit shall be valid for one (1) year, and shall be
8 reviewed within sixty (60) days after expiration and an inspection is required prior to the renewal of
9 the permit. If, during the preceding year, more than one (1) renewal permit has been issued an
10 applicant, the former permits may be consolidated so that only one (1) renewal permit is required;
11 provided, however, that the renewal date for the consolidated permit shall be the date of the issuance
12 of the earliest permit. The animal services center may deny the application for renewal for cause.

13 H. Individuals authorized to acquire a wild or exotic animal shall, within fourteen (14)
14 days of acquisition, submit to the animal services center, a health certificate from a qualified
15 veterinarian stating that the animal is in good health and has been vaccinated in accordance with
16 applicable time schedules.

17 I. It is unlawful to receive, purchase, own or keep any wild or exotic animal unless:

18 (1) Housing is sufficiently spacious, ventilated and temperature-controlled, clean
19 and sanitary at all times;

20 (2) The wild or exotic animal is provided with proper food, water and attention;

21 (3) The wild or exotic animal is kept and cared for in such a way as not to
22 endanger the safety of any person or property; and

23 (4) The wild or exotic animal permittee notifies the administrator when changing
24 his residence or location of the wild or exotic animal, or selling or otherwise disposing of the
25 wild or exotic animal for which the permit was issued.

1 J. Permits issued pursuant to the provisions of this subsection shall be surrendered for
2 inspection upon the request of the administrator. The premises on which a wild or exotic animal is
3 maintained shall be open at any reasonable hour and in a reasonable manner for inspection by the
4 administrator.

5 K. For failure to have a permit in advance of obtaining a wild or exotic animal or to
6 renew the permit within sixty (60) days of the expiration date, or upon suspension of a wild or exotic
7 animal permit, the administrator shall have the authority to enter the premises where the wild or
8 exotic animal is kept, at any reasonable hour, and to impound the animal. The animal shall be
9 surrendered upon the demand of the administrator. Procedures for the reclamation and humane
10 euthanasia of impounded wild or exotic animals shall be followed pursuant to subsection 5-4.4 of this
11 chapter, and for penalties, pursuant to Section 5-12. The wild or exotic animal may be returned to its
12 owner if the problem for which it was impounded is corrected within the time period allotted by the
13 administrator and all penalties are paid.

14 L. Notwithstanding the above, the valid zoological park, veterinary hospital, humane
15 society, shelter, public laboratory, circus, sideshow, educational or scientific facility, provided
16 protective devices adequate to prevent the animal from escaping or injuring the public are provided,
17 are excluded from the above portions of this subsection.

18 M. Upon application to the administrator, the keeping of these prohibited animals may
19 be permitted for educational or scientific purposes; provided there is no conflict with state or federal
20 regulations. In lieu of licensing each animal, a wild or exotic animal permit may be issued in
21 accordance with this subsection.

22 N. No person shall keep, conduct or operate any traveling animal show, petting zoos,
23 circus, pony rides, animal acts or miscellaneous animal or reptile exhibits without first obtaining a
24 special animal permit from the administrator as follows:

25 (1) Each application for a special animal permit shall be in writing upon a form

1 to be furnished by the administrator and shall contain such information as the administrator
2 shall require;

3 (2) All special permits issued by the administrator shall be for a specified period
4 of time but not to exceed one (1) year unless revoked or suspended, or unless the holder of
5 the
6 permit changes the location of his place of business, or sells, assigns, transfers or otherwise
7 disposes of his business or his interests therein; and

8 (3) Upon the filing of each application, either for an original permit or renewal,
9 the administrator shall make an investigation as he deems proper. The administrator shall
10 then issue a permit to the applicant if it is found that:

11 (a) The animals, or the conduct or operation of the business for which
12 the permit is requested will not constitute a menace to the health, peace or safety of
13 the citizens; and

14 (b) The premises and establishment where the animals are to be kept are
15 maintained in a clean and sanitary condition and that the animals will not be subject
16 to needless suffering, unnecessary cruelty or abuse and that the applicant has not had
17 a permit revoked within one (1) year prior to the date of application.

18 **Section 27. Subsection 5-10.2 SFCC 2987 (Ordained as Code 1973, §4-49, as**
19 **amended) is amended to read:**

20 **5-10.2 Permits and Housing of Guard Dogs.**

21 A. It is conducive to the promotion of the health and general welfare of the inhabitants
22 of this city to require permits for guard dogs, used on commercial property, and to establish
23 regulations for the proper and safe use of guard dogs used for protecting commercial property.

24 B. Permits:

25 (1) Unless a guard dog permit is in effect for each commercial property where

1 guard dogs are to be used, they shall not be used. Procedures for permit application,
2 inspection of guard dog facilities, and issuance of dog identification tags will be established
3 by the administrator. Permits for both permanent and temporary locations may be transferred
4 to a new location operated by the same business firm during the license year. However, such
5 transfers shall not be effective until the administrator or his designee has inspected and
6 approved required facilities at the new location and the information required below for permit
7 applications has been recorded. Applicants must provide five (5) working days advance
8 notice to the animal services center for permit transfers.

9 (2) Permit applications shall include the following information:

10 (a) The business name, address and telephone number of the commercial
11 property where guard dogs are to be used;

12 (b) The name, address and telephone number of the handler who can be
13 reached at any time during the day or night;

14 (c) The number of dogs to be used and a general description of their use;

15 (d) The location where dogs are to be housed; and

16 (e) Any other information that the administrator deems necessary by rule
17 and regulation. Permit holders shall notify the animal services center if any
18 information recorded as part of the permit application is changed during the course of
19 the period for which the permit is issued.

20 (3) The administrator or his designee shall inspect the facilities where the guard
21 dog is to be used and housed when the guard dog permit is applied for and when it is
22 renewed.

23 (4) If the inspection reveals that all the requirements of law and regulation are
24 met, a guard dog permit for the approved commercial property shall be issued by the animal
25 services center. The permit shall be displayed at the approved commercial property and an

1 identification tag shall be affixed to the collar of each dog used. Holders of the guard dog
2 permits shall be exempt for the guard dogs from the license fee requirements of subsection 5-
3 5.6 of this chapter.

4 (5) The guard dog permit shall be valid for one (1) year and shall be renewed
5 annually within thirty (30) days after the renewal date.

6 (6) The guard dog permit must be obtained prior to housing or utilizing guard
7 dogs at the commercial property; provided that for those commercial properties where guard
8 dogs were in use when this regulation became effective, there shall be a ninety-day period in
9 which to obtain the permit without penalty.

10 C. Whenever there is a guard dog on the premises, the standards of this subsection, in
11 addition to the other requirements of law and regulations, shall be complied with, as follows:

12 (1) Housing shall have anti-escape fences completely surrounding it or be an
13 anti-escape building sufficient to house guard dogs.

14 (2) All gates and entrances to the area where the guard dog is housed, used or
15 trained shall be locked when not in use.

16 (3) Additional measures found necessary by the administrator shall be taken to
17 protect the public from accidental contact with any guard dog.

18 (4) Where guard dogs are used outside buildings, the area must be enclosed by at
19 least a six-foot chain link fence or other fence of equal security, wall or adequate wood fence,
20 to which anti-escape devices have been added. The adequacy of the fencing shall be subject
21 to the approval of the administrator.

22 (5) In order to control noise, the administrator may require a sight barrier which
23 breaks the dog's line-of-sight.

24 (6) In buildings where guard dogs are housed, exterior glass shall be adequate, or
25 additional protective measures shall be taken by the owner, as required by the administrator,

1 to prevent the dog from jumping through it.

2 (7) The building and yard in which a guard dog is housed shall be posted with bilingual,
3 English and Spanish, or visual guard dog signs, approved by the administrator that shall not
4 be more than two hundred feet (200') apart, and shall be at all property corners and at every
5 entrance into the area.

6 (8) For guard dogs either transported or used in vehicles, measures prescribed by
7 rule and regulation of the administrator must be taken to protect the public from accidental
8 contact with a guard dog.

9 (9) A handler is required to be physically present while guard dogs are being
10 used at temporary sites which do not comply with this subsection.

11 D. Dogs which are used as private guard dogs on the property of their owner's private
12 residence, shall be excluded from the provisions of this subsection unless the residence is located on
13 premises used for commercial purposes. Guard dogs kept in a kennel with a valid professional animal
14 permit are also excluded.

15 **Section 28. Subsection 5-10.3 SFCC 2987 (Ordained as Code 1973, §4-50, as**
16 **amended) is amended to read:**

17 **5-10.3 Violations, Suspensions and Revocations under Professional Animal Care**
18 **Permit, the Exotic Animal Permit and the Guard Dog Permit; Appeal Procedure.**

19 A. If the administrator makes an inspection of a kennel, grooming parlor, pet shop,
20 shelter, facility for exotic animals or commercial property where guard dogs are used, and discovers a
21 violation of law or regulations, he shall notify the permit holder, or operator, of such violations by
22 means of an inspection report form or other written notice. The notice shall:

23 (1) Set forth the specific violation found;

24 (2) Establish a specific and reasonable period of time for correction of the
25 violation found;

1 (3) State that failure to comply with any notice issued in accordance with the
2 provisions of this chapter may result in immediate suspension of the permit; and

3 (4) State that an opportunity for appeal from any notice or inspection findings
4 will be provided if a written request for a hearing is filed with the administrator within five
5 (5) days of the receipt of the notification.

6 B. Notices provided for under this subsection shall be deemed to have been properly
7 served when the original of the inspection report form or other notice has been delivered personally or
8 mailed by registered or certified mail, return receipt requested, to the permit holder, person in charge,
9 or alleged violator. A copy of such notice shall be filed with the records of the administrator.

10 C. Hearings provided for in this subsection shall be conducted by the administrator at a
11 time and place designated by him. Based upon the record of such hearing, the administrator shall
12 make a finding and shall sustain, modify or rescind any official notice or order considered in the
13 hearing. A written report of the hearing decision shall be furnished to the permit holder by the
14 administrator. This paragraph shall not be intended to preclude the institution of court action as
15 provided elsewhere in this chapter.

16 D. Permits may be suspended by the administrator for failure of the holder to comply
17 with the requirements of law or regulations. The administrator may notify a permit holder in writing
18 that the permit or license is, upon receipt of the notice, immediately suspended, and that an
19 opportunity for a hearing will be provided if a written request for a hearing is filed with the
20 administrator within five (5) days of receipt.

21 E. Notwithstanding the notice requirements herein, when the administrator finds
22 unsanitary or other conditions in the operation of a kennel, grooming parlor, pet shop, shelter, exotic
23 animal facility, or site where guard dogs are used, which, in his judgment, constitute a substantial
24 hazard to public health, he may, without notice or opportunity to be heard, issue a written notice to
25 the permit holder or operator citing such condition and stating the corrective action to be taken. If

1 deemed necessary, the permit shall be immediately suspended and all operations immediately
2 discontinued. Any person to whom such an order is issued shall comply forthwith.

3 F. For repeated violations of any of the requirements of law or regulations or for
4 interference with the administrator in the performance of his duties, the violator's permits may be
5 permanently revoked after an opportunity for a hearing has been provided by the administrator. The
6 individual whose professional animal, exotic animal or guard dog permit is revoked shall not apply
7 for another permit or license for the period of one (1) year. Prior to such action, the administrator
8 shall notify the permit holder in writing, stating the reasons for which the permit is proposed to be
9 revoked at the end of five (5) days following service of such notice, unless a request for a hearing is
10 filed with the administrator by the permit holder or licensee, within such five (5) day period.

11 G. If the exotic animal permit is revoked, the owner of the exotic animal shall surrender
12 the animal to the animal services center within five (5) days of the effective date of revocation.

13 H. Any person whose professional animal or guard dog permit has been suspended, shall
14 cease the previously permitted activity. The person may, at any time, make application for an
15 inspection for the purpose of reinstatement of the permit. Within five (5) days of a request for
16 reinstatement, the administrator shall make an inspection. If the applicant is complying with the
17 requirements of law and regulations, the permit may be reinstated.

18 I. Any person aggrieved by any decision of the administrator may, within five (5) days
19 of receipt of his decision, file written notice of appeal to the governing body. The hearing of the
20 governing body shall be conducted within thirty (30) days of receipt of the notice of appeal.

21 **Section 29. Section 5-12 SFCC 2987 (Ordained as Code 1973, §4-53, as amended) is**
22 **amended to read:**

23 **5-12 LICENSES AND PERMIT FEES; FINES AND PENALTIES; AND OTHER**
24 **CHARGES.**

25 A. The governing body shall adopt by passage of a resolution a schedule of licensing

1 and permit fees, mandatory fines and penalties for violation of this chapter and other charges. The
2 animal services center may establish alternatives to the mandatory fines and penalties for first
3 offenses in order to encourage responsible pet ownership. The fines and penalties may not be deferred
4 or suspended on second or subsequent offenses.

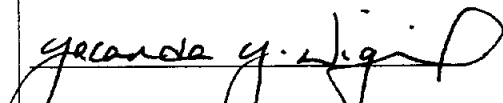

5 B. Any violation of this chapter other than those listed in paragraph A. of this Section
6 shall be punished as provided in Section 1-3 of this Code. Each day this chapter is violated shall be
7 considered a separate offense. If any person is convicted of cruelty or mistreatment of an animal, that
8 animal shall be removed from his custody and placed with the administrator.
