Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

This document represents the Annual Action Plan for the City of Santa Fe. It covers program year 2019-2020.

An Annual Action Plan is required of any city, county or state that receives federal block grant dollars for housing and community development funding from the U.S. Department of Housing and Urban Development (HUD). There are four types of HUD block grant housing and community development programs: the Community Development Block Grant (CDBG), the HOME Investment Partnerships Program (HOME), the Emergency Solutions Grant (ESG) and the Housing Opportunities for People with AIDS (HOPWA) program. The City of Santa Fe receives approximately \$700,000 in CDBG dollars each year directly from HUD.

There are three components required by HUD to be submitted on an annual basis:

- 1) **Consultation and Citizen Participation:** the process through which the grantee engages the community in developing and reviewing the plan as well as consulting with partner stakeholders in the implementation of programs. This process is required annually as part of the Annual Action Plan.
- 3) **Annual Action Plan:** submitted to HUD at the beginning of each funding cycle, the AAP provides a concise summary of the actions, activities, and specific federal and non-federal resources that will be used each year to address the priority needs and specific goals identified in the Consolidated Plan.
- 4) **Consolidated Annual Performance and Evaluation Report (CAPER):** the annual report submitted to HUD in which grantees report accomplishments and progress toward meeting Consolidated Plan goals in the prior year.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

- The City of Santa Fe's focus over the next year is to improve and sustain affordable housing, rental, homeownership, and economic opportunities for low- to moderate-income households in Santa Fe, as well as address the needs of those experiencing homelessness or at risk of becoming homeless. The City will accomplish this by administering program funds to service providers, supporting collaboration and strategically applying resources to community needs.

HUD identifies three sets of planning objectives and three sets of activity outcomes to guide the Consolidated Plan planning process. All goals are expected to relate directly to these objectives and outcomes as illustrated in the following Goals Table. Objectives include:

- 1) **Creating Suitable Living Environments (SL)** – relates to activities that are designed to benefit communities, families, or individuals by addressing issues in their living environment. This objective relates to activities that are intended to address a wide range of issues faced by low- and moderate-income persons, from physical problems with their environment, such as poor quality infrastructure, to social issues such as crime prevention, literacy, or elderly health services.
- 2) **Providing Decent Housing (DH)** – covers the wide range of housing activities that could be undertaken with CDBG funds. This objective focuses on housing activities whose purpose is to meet individual family or community housing needs. It does not include programs where housing is an element of a larger effort to make community-wide improvements, since such programs would be more appropriately reported under Suitable Living Environments.
- 3) **Creating Economic Opportunities (EO)** – applies to activities related to economic development, commercial revitalization, or job creation.

HUD-mandated outcomes include:

- 1) **Availability/Accessibility** – applies to activities that make services, infrastructure, public services, public facilities, housing, or shelter available or accessible to low- and moderate-income (LMI) people, including persons with disabilities. In this category, accessibility does not refer only to physical barriers, but also to making the basics of daily living available and accessible to LMI people where they live.
- 2) **Affordability** – applies to activities that provide affordability in a variety of ways to LMI people. It can include the creation or maintenance of affordable housing, basic infrastructure hook-ups, or services such as transportation or day care. Affordability is an appropriate objective whenever an activity is lowering the cost, improving the quality, or increasing the affordability of a product or service to benefit a low-income household. (For instance, a low interest loan program might make loans available to low- and moderate-income microenterprise businesses at 1% interest, which is far below the market rate. This program lowers the cost of the loan, enabling entrepreneurs to start businesses. As a result, the program makes financing more affordable. Another example might be a subsidized day care program that provides services to low- and moderate-income persons/families at lower cost than unsubsidized day care.)
- 3) **Sustainability** – applies to activities that are aimed at improving communities or neighborhoods, helping to make them livable or viable by providing benefit to persons of low- and moderate-income or by removing or eliminating slums or blighted areas, through multiple activities or services that sustain communities or neighborhoods

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The following bullets outline progress in meeting goals identified in the 2018-2022 Consolidated Plan, almost all of which were met, or exceeded. These achievements are a testament to the strong partnerships the City supports with its nonprofit partners and subrecipient contractors.

- The City's goal for **rental housing** as stated in the 2018-2022 Consolidated plan was to serve renters earning less than 60 percent of Santa Fe's Area Median Income (AMI). For the 2018-2019 program year, the City allocated the Affordable Housing Trust Fund (AHTF) and Community Development Block Grant (CDBG) funds to rental facility improvements as well as to support services focused on the homeless, those in danger of becoming homeless, and very low-income renters
- City's goal for **home ownership housing** as outlined in the 2018-2022 Consolidated Plan was to provide comprehensive assistance to low-to-moderate-income homebuyers in the form of mortgage principal reduction assistance to an average of 10 households annually. From 2018-2019, and due to additional program income funds, (14) households were served through end of December 31, 2018, Q2 (10-Homewise, 4-Housing Trust) with CDBG-funded mortgage principal reduction assistance.

The City's goal for **emergency shelters and permanent supported rental housing** as outlined in the 2018-2022 Consolidated Plan was to provide {33 permanent beds and/or longer-term units per year.} Approximately 100 shelter beds were provided and 40 transitional living beds were provided.} In 2018-2019 program year, CDBG funds were proposed for services including the Interfaith Women's Summer Safe Haven for a minimum of 180 women (As of Q2: 121 served.) Youth Shelters and Family Services (YSFS) provided services through the Emergency Shelter for children and youth, with 12 beds and an addition of the Cold Weather Shelter with 8 beds. (As of Q2: TLP and Cold Weather Shelter served 93.) The YSFS Street Outreach Program's goal was to serve an approximate minimum of 600 identified youth who utilize the Drop in Center (As of Q2: 201 served.) The Santa Fe Recovery Center, Life Link, SFPS Adelante and YouthWorks provided () rental vouchers through the Affordable Housing Trust Fund for ELI individuals experiencing homelessness or at risk of homelessness in the community.

Facilities improvements investments from CDBG funds 2018-2019 totaled \$50,000 (\$10,000 YSFS Security, \$40,000 PMS River Early Head Start). Public Services funding from CDBG funds 2018-2019 totaled \$75,000.

4. Summary of Citizen Participation Process and consultation process

The City of Santa Fe's community participation process focuses upon meaningful engagement of residents and stakeholders representing local organizations and coalitions.

Paper copies of the draft *2019-2020 Annual Action Plan* were placed at all City of Santa Fe Public Library branches; Genoveva Chavez Community Center; Mary Esther Gonzales Senior Center, City Hall (March 22, 2019 to April 24, 2019) for public review complying with the 30-day review period listed in the City's Citizen Participation Plan as adopted by HUD. Advertisements were placed in the *Santa Fe New Mexican* announcing the public review and comment period. The ads stated where the copies are available for review as well as contact information for submitting comments. A press release was issued through the City's Public Information Office with additional information for the public on the availability of the plan and how to submit a comment. One public meetings and one public hearing, as well as a City wide survey on the plan were made available to the public:

- Community Development Commission public meeting (March 20, 2019)
- Public Works Committee public meeting (March 25, 2019)
- Finance Committee public meeting (April 1, 2019)
- Metroquest Annual Plan Survey open period (March 22-April 24, 2019)
- The Santa Fe City Council public hearing (April 24, 2019)

These meetings are open to the public and agendas are available on the City's website. The meetings are conveniently timed and located to encourage participation. The meeting can be made accessible to people with disabilities, including sign language interpretation with prior notice to the City Clerk's office. The meetings are also publicized in languages other than English.

Methods of engagement. Engagement methods include opportunities for residents and stakeholders to participate in the development of planning strategies. Stakeholders are consulted and public is invited to comment on the AAP and proposed use of funds as participants at public meetings, by reviewing paper copies of the plan located at several public locations: The Main Library (145 Washington Avenue), the Southside Library (6599 Jaguar Dr.), La Farge Library (1730 Llano St.), City Hall (200 Lincoln Avenue) and at the Office of Affordable Housing (500 Market St., Suite 200). The public was also engaged through a new tool, the MetroQuest Survey application which is an electronic, visually based preference survey that was posted on the City's website.

Public outreach is promoted through the City of Santa Fe and individual Council members Facebook pages. Media relations include a press release to local media, postings on the city's website, and public radio announcements.

Partner outreach. Local stakeholders, including organizations, agencies and coalitions, promote the outreach efforts directly to their members, residents, consumers and clients. In addition to lending their subject-matter expertise, participating organizations promote resident engagement opportunities to recruited focus group participants and encourage residents to attend the community open house events.

5. Summary of public comments

The majority of public comments regarding affordable housing needs in the City referred to the challenging increase in short-term rentals for tourism, resulting in a decrease in rental units available for residents. A number of verbal and written comments were made regarding the need for more centralized housing development. Additionally, most of the votes cast during CommUNITY days were placed toward an increase in affordable rental development with access to economic centers and public services funding. Topics of comments were addressed in the following plan, where applicable. However, short-term rental regulation is an on-going discussion that is newly on the radar for potential regulatory change. Though ripe for consideration in the future, more research is required to understand the complex ramifications of the increase in short-term rentals upon tourism, economic development, as well as housing, and best practices in policy regulations to mitigate challenges in this area. Therefore, strategies for addressing this concern are not a part of the Consolidated Plan at this time.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments were accepted and where applicable, addressed in the Action Plan.

7. Summary

Over the next five years, the Office of Affordable Housing will continue to work on strategies that prevent the most vulnerable City residents from falling into cycles of poverty and chronic homelessness, target low income "at risk" neighborhoods with comprehensive programming interventions, and work with the larger community to identify ways that community needs can be more effectively and efficiently identified and met with limited community resources.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

Because of the City's partnerships with community-based organizations, much of the consultation about the Annual Action Plan happens within the context of strategic planning, participation in regional collaborations, and within City's organization itself. The City's Community Services Department funds several programs through its Youth and Family Services Division that provide emergency housing, healthcare and social services programs. The Office of Affordable Housing funds programs through CDBG and local funds to support the housing component that is aligned with the human services programming. Both City divisions rely on Strategic Plans to guide funding decisions and ensure that needs are identified and met in a comprehensive manner. All of the City's housing and human services providers work closely with other governmental agencies and health providers to ensure that the provision of housing services is provided hand in hand with wrap around health and social services.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

The City's Youth and Family Services Division funds emergency housing and community development programs, social services and supports a juvenile justice program which provides program planning, service integration, data analysis, and program evaluation to ensure that youth are provided alternatives to detention and referral to support services, including housing, as appropriate. The City's partner organizations, YouthWorks, Adelante, and Youth Shelters and Family Services, have provided several programs to integrate disconnected youth with mainstream educational opportunities, job training and internships, reunification with families, and referral to other support services. Life Link, another City nonprofit partner, provides intake, referral and on-site social services to people with mental illness who are homeless or at risk of becoming homeless. The agency works closely with other governmental, private and nonprofit providers of services, as well as hospitals and correctional institutions to ensure that services are continuous. The City's CDBG allocation, its economic development fund and other local funds have supported several of these initiatives. Some beneficiaries of this funding also are recipients of public housing services. The City's CDBG sub-recipients strive to coordinate with the Santa Fe Civic Housing Authority so that outreach activities and some programming is located at housing authority sites.

Through the NMCEH's efforts to coordinate housing grants and HMIS, and the collaboration of partner agencies that receive funding from the City of Santa Fe's Human Services and Children and Youth funding programs, the vulnerability of discharged patients to becoming homeless is greatly reduced. In September 2017, the City Council approved a resolution establishing a Homeless Task Force that considered specifically these coordinated efforts. The Office of Affordable Housing participated on this

task force to ensure that CDBG and other local housing funds are deployed in ways that prevent homelessness.

Additionally, NMCEH operates a statewide system of coordinated assessment where every homeless family and individual is given an assessment based on the nationally recognized VI/SPDAT (Vulnerability Index/Service Prioritization Assessment Tool). The results of the assessment are used to refer homeless people to the type of housing that best fits their needs and the assessment is used to create a prioritized list with chronically homeless people at the top of the list for permanent supportive housing.

In addition to HUD funds, the City's local funds are used to support Life Link, St. Elizabeth Shelter, and the Interfaith Shelter to provide shelter to homeless people and help them make the transition to permanent housing. Additionally, the City directly supports Youth and Family Shelters through local administrative contracts to provide services to assist unaccompanied youth with securing housing, counseling, job training, and family re-unification when possible. CDBG funds will be used in the upcoming program year to provide expanded hours for the Youth Shelters Drop-in Center which provides food, case management and referral for disconnected youth.

In 2015 City Mayor Javier Gonzales signed on to the Mayor's Challenge to End Veteran Homelessness. Local nonprofits have been meeting monthly with the VA to go over the by-name list of homeless veterans and make sure they are all on their way to permanent housing. In 2016 the City met the requirements of the challenge and has continued to maintain the system that helps any newly homeless veterans quickly access housing through VA, state funded or Continuum of Care resources.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Through the New Mexico Coalition to End Homelessness (NMCEH) efforts to coordinate housing grants and HMIS, and the collaboration of partner agencies that receive funding from the City of Santa Fe's Human Services and Children and youth funding programs, the vulnerability of discharged patients for becoming homeless is greatly reduced. In September 2017, the City Council approved a resolution establishing a Homeless Task Force that considered specifically these coordinated efforts. The sections of the Draft AAP for the upcoming year are highlighted and emailed for verification or update. Since these organizations deal with these issues on a daily basis, accurate and precise data is provided to inform this plan. The City of Santa Fe has worked with the Santa Fe Community Housing Trust to develop three apartment communities where 25% of the units are set aside for people exiting homelessness. The City has contributed financially in various ways to each of these projects.
5	Agency/Group/Organization	NEW MEXICO COALITION TO END HOMELESSNESS
	Agency/Group/Organization Type	Services-homeless Regional organization
	What section of the Plan was addressed by Consultation?	Homeless Needs - Chronically homeless Homeless Needs - Families with children Homelessness Needs - Veterans Homelessness Needs - Unaccompanied youth Homelessness Strategy

	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	The City also works with NMCEH to reduce the length of time all families and individuals remain homeless. Reducing the amount of time was one of the goals of the 2012 Santa Fe Mayor's Task Force on Homelessness. NMCEH now has good tools to measure the length of time people remain homeless and this will be a focus of the newly convened City Roundtable on homelessness this fall. In July of 2018, an update to the plan was presented for City Council approval.

	What section of the Plan was addressed by Consultation?	Housing Need Assessment Public Housing Needs
	Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?	In addition to reviewing the Plan, County staff worked with the City to convene groups of stakeholders to design a strategy for increasing the inventory of rental housing affordable to low-income renters.

Identify any Agency Types not consulted and provide rationale for not consulting

While the City supports the dissemination of fair housing information, (primarily through distribution of the "Tino the Tenant" novella, and CommUNITY Days), there is not capacity to actively develop fair housing materials and distribute them and/or consult regularly with fair housing advocacy providers. All of the City's fair housing partners are subject to fair housing law and provide notices as applicable. In the event that a resident of Santa Fe reports a fair housing violation, City staff would take appropriate action to ensure that they were referred to an appropriate agency or HUD's fair housing complaint system. Furthermore the City did not consult directly with the State of NM Department of Health regarding lead exposure because Santa Fe has low risk factors. 9.6% of its housing stock was built before 1950 and in 2011, 0 children in Santa Fe County tested positively for elevated blood levels. More recent studies by the NMDOH identified Santa Fe County as having "low levels" of lead exposure, as cited in the NM Epidemiology Report, April 2017. The Office of Affordable Housing also conducts environmental reviews on all CDBG-funded activities. In cases where individual homes are older than 1978 and may have lead based paint, the subrecipient is required to follow all applicable law to assess the presence of lead and remediate it, if necessary.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Continuum of Care	New Mexico Coalition to End Homelessness	Seeks to provide comprehensive support services aligned with housing.

Transportation Improvement Program	Santa Fe Metropolitan Planning Organization	Includes transportation projects for all modes expected to be funded.
Sustainable Land Use Code	City of Santa Fe	SLDC regulates the development and construction of affordable housing units.
Analysis of Impediments	City of Santa Fe	The AI evaluates barriers to fair housing and recommends strategies for mitigating them which is closely related to housing services for low-income people. In 2017, the City submitted the Assessment of Fair Housing which looks at housing through the lens of opportunity.
Fair Housing Assessment 2017	City of Santa Fe	The Fair Housing Assessment evaluates needs and recommends strategies for increasing access to housing.

Table 3 – Other local / regional / federal planning efforts
Narrative (optional)

The City solicits comments from local service providers (housing, human services, children and youth) and relies on them to outreach directly to their clientele and/or represent the needs of their clientele. Alternate avenues of public outreach were pursued in the 2016 Analysis of Impediments and the 2017 Assessment of Fair Housing. The City updated its Citizen Participation Plan during the 2018-2022 Consolidated Plan planning process with careful consideration of how to conduct more relevant public outreach that brings voices to the discussion that are not always heard.

As per the City's Citizen Participation Plan, three (3) public meetings (March 20, 2019-Community Development Commission, March 25, 2019-Public Works, April 1, 2019-Finance Committee) and one Public Hearings (April 24, 2019) were held for notification of the Plan and/or review. Additionally, a City wide survey was created to gather public comment on the projects proposed in the AAP, to include the goals, priorities, funding allocations, and information about affordable housing opportunities. Copies of the updated Annual Action Plan were placed at the following for public review: Main and Southside Santa Fe Public Library branches, the City's Market Street Office and Santa Fe City Hall. A 30-day public comment period was advertised and conducted from March 22 – April 24, 2019, including a City wide online survey, a press release and posting a link on the City's website.

On April 24, 2019, staff presented the 2019-2020 Annual Action Plan to the public at the Public Hearing. A Press Release about the plan was issued by the City's Public Information Office on {March 22, 2019.} Legal and display advertisements in Spanish and English were placed in the *Santa Fe New Mexican* on March 22 and April 21, 2019 announcing the public review and comment period, public hearing date and contact information for submitting comments. Notice is provided that Spanish translation is available upon request. Paper copies are also made available for review. Public notices are included in the Addenda to this plan.

Three (1) public meetings (March 20, March 25, April 1) and one public hearing (April 24) were held for notification of the Plan and/or review. Additionally, a City wide survey was created to gather public comment on the projects proposed in the AAP, to include the goals, priorities and funding allocations, and information about affordable housing opportunities

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The primary resource used to fulfill the goals and strategies of the 2019 Annual Action Plan is CDBG. As available, the City of Santa Fe will provide direct general fund contributions to assist with the Plan.

The City received notification of its 2019 allocation amount on (). In order to ensure that the delivery of vital services was not interrupted, the City Council approved the allocation of \$700,000 of anticipated CDBG resources (with \$140,000 set aside for administrative costs) so that funded projects could begin immediately at the start of the new program year. The total awarded amount is (), of which () will be reserved for administrative costs. In the event that resources were less than the anticipated amount, funding was to be reduced proportionately for each approved project. In the event additional funds are announced, they will be allocated for mortgage principal reduction assistance programs.

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The greatest challenge facing the City of Santa Fe's housing and public service programs in 2018 is the threat of reduction in funding from all sources: federal, state, or local. This requires creative use of funds as well as a reduction in the funding of some programs even when there is an increase in need and requirements that must be addressed, such as with the public services category which supports non housing projects and public facilities improvements, which are generally housing-related. Additionally, the City strives to leverage local funds to ensure that effective and important local services continue to be provided in our community, regardless of the status of federal funds. The City's nonprofit partners estimate that every dollar of federally-funded down payment assistance leverages \$14 of funding from other state, local, and private sources. Both the Housing Trust and Homewise are CDFIs and actively leverage funds from HOME, Fannie Mae secondary market loans, state-funded mortgage products allocated through the New Mexico Mortgage Finance Authority, Low Income Housing Tax Credits (the Housing Trust), solar tax credits, Federal Home Loan Bank of Dallas' Community Investment Programs, bank and foundation investments, and other DOE funds as well as having substantial organizational resources to use for real estate development and to support programmatic goals.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

All of the property on which public housing facilities are situated is owned by the City and used by the Santa Fe Civic Housing Authority under long-term leases. The units are rented to income-qualified renters, many of them very low-income seniors. At any time during the year if the City determines that donating and/or using City-owned property will benefit a proposed project that will serve the priority needs and funding objectives outlined in this plan, the City will do so, as allowed under the NM Affordable Housing Act.

In the current fiscal year, the City expects to donate a 5-acre portion of a City-owned parcel on Siler Road. This donation will support the construction of at least 50 units of affordable live/work housing targeted to "creatives" – technology entrepreneurs, visual and performance artists, craft manufacturers, self-employed, etc. Ten additional market-rate units may also be included in the project, as well as a shared resource center that would include performance and display space, retail areas and other workshops. The project, called the "Arts + Creativity Center," is proposed to be developed by the New Mexico Interfaith Housing Coalition and Creative Santa Fe, two local nonprofit organizations. The donation is contingent on the project securing Low Income Housing Tax Credit (LIHTC) funds. An application will be resubmitted for the 2019 LIHTC funding cycle. Additionally, the City is beginning a public outreach process and study of other City-owned parcels to prioritize several for future affordable housing development.
