

June 30, 2021

Ms. Jessica Chavez
City of Santa Fe
120 S. Federal Place Suite 101
Santa Fe, New Mexico 87501

Dear Ms. Jessica Chavez:

Battery Systems respectfully submits to City of Santa Fe our proposal for ITB #21/41/B for Automotive/Heavy Equipment Parts, Supplies, and/or Services. Enclosed you will find the following bid documents:

- Bid Submittal Documents
- Battery Systems Advantage
- Battery Systems Check & Charge Policy
- Battery Systems Safety Disposal Sheet

Thank You for considering Battery Systems as your *Single Source Solution!*

With more than 65 years' experience & over 100 locations, Battery Systems is the largest independent battery distributor in the United States. Partnering with more vendors to maintain the largest inventory in the industry, Battery Systems is dedicated to providing our customers the best *Service, Selection & Value.*

Should you have any questions or need any additional information, please do not hesitate to contact either the Battery Systems Bids Department or your local Battery Systems Albuquerque location.

Sincerely,

Chris Tschombor

Regional Manager

bids@batterysystems.net

310-667-9320

City of Santa Fe

Invitation to Bid

Agreement

Automotive/Heavy Equipment Parts, Supplies, and/or Services

ITB # 21/41/B

NIGP Commodity Code: 065, 072, 075, 928

Bid Due Date and Time: June 30, 2021 2:00 PM Mountain Standard Time

Bidder MUST complete as applicable and sign the following in order for the Bid to be valid (type or print clearly):

Company Name: Battery Systems, Inc. Address: 12400 Industry St.
dba (if applicable): _____ Garden Grove, CA 92841
Co. Email: bids@batterysystems.net
Co. Phone No.: 310-667-9320
NM Gross Receipts Tax # (CRS) 03-267715-00-4 Federal Tax ID # 77-0437059

Payment terms: Net 30 (e.g., Net 30. Discount will not be considered in computing the low bid, see “Terms and Conditions”)

F.O.B. Point must be Destination, unless otherwise indicated in the Invitation to Bid.

Contractor’s Delivery: 24 Hrs ARO (May be considered in the award) Will establish a delivery schedule with the City after contract award.
Same day Hot Shot if ordered by 10AM.

Authorized Signature:  _____ Print or type name: Chris Tschombor
Signatory Email: bids@batterysystems.net Phone No: 310-667-9320

* It is your responsibility as a bidder to ensure your bid is correct and accurate.

If you have any questions regarding this ITB please contact:

Procurement Specialist: **Jessica Chavez** Telephone No.: **(505) 629-8351** Email: **jjchavez@santafenm.gov**

No amendment will be issued later than three (3) days prior to the date for receipt of bids, except an amendment withdrawing the bids or one which includes postponement of the date for receipt of bids.

If applicable, Bidder acknowledges receipt of the following amendment(s):

Amendment No. None Dated: _____ Amendment No. _____ Dated: _____

Bids are subject to the “Terms and Conditions” shown on the attached pages of this document, and any additional bidding instructions or requirements. NOTE: if you decide not to bid, do not return this document.

Price Schedule:

Item	Unit	Article and Description	Unit Price
1.	Hourly	Mechanical Repairs; Labor Rate	\$
2.	Hourly	Maintenance and repairs; Labor Rate	\$
3.	Hourly	Electric Hybrid Maintenance/Repairs Labor Rate	\$
4.	Hourly	Compressed Natural Gas Inspections Labor Rate	\$
5.	Hourly	Body Repairs	\$
6.	Hourly	Standard Transmission Repairs/Rebuilds; Labor Rate	\$
7.	Hourly	Automatic Transmission Repairs/Rebuilds Labor Rate	\$
8.	Hourly	Transmission Fluid Change, filters, pan gaskets and band adjustments	\$
9.	Hourly	Engine Rebuilds	\$
10.	Hourly	Front Differential; Labor Rate	\$
11.	Hourly	Rear Differential; Labor Rate	\$
12.	Hourly	4x4 Transfer Case; labor Rate	\$
13.	Hourly	Tear Down Charge – Cost is driven by total labor hours involved. In the event the tear-down becomes a part of the repair, this fee goes away and is rolled into repair costs.	\$
14.	Hourly	Mobile Service Rate; explain when charges began and end	\$
15.	Hourly	Emergency Service, (After Hours 5:00 pm to 7:00 am)	\$
16.	Hourly	On Site Mobile Services (City Yard)	\$
17.	Per Mile	Mileage charge for onsite mobile services	\$
18.	Discount	Discount off Manufacturers List Price for Parts and Supplies \$.01 to \$500	% See attached price sheets
19.	Discount	Discount off Manufacturers List Price for Parts and Supplies \$501 to \$1,000	% See attached price sheets
20.	Discount	Discount off Manufacturers List Price for Parts and Supplies \$1,001 and greater	%
21.	Quart	Motor Oil (Gasoline Engines) (Major Brands Only) 4, 6,8 CYL	\$
22.	Quart	Motor Oil (Diesel Engines) (Major Brands Only)	\$
23.	Quart	Low Ash Motor Oil (CNG Engines)	\$
24.	Quart	Hydraulic Oil AW46	\$
25.	Quart	Transynd Transmission Fluid	\$
26.	Quart	Automatic Transmission Fluid	\$
27.	Per Gallon	Antifreeze	
28.	Each	Gasoline Environmental Disposal Charge	\$
29.	Each	Diesel Environmental Disposal Charge	\$
30.	Each	Used Oil Environmental Disposal Charge	\$
31.	Each	Antifreeze Environmental Disposal Charge	\$
32.	Each	List any other Misc Fee – Contractor must be able to justify these fees and cannot just add a fee onto the total job price.	\$

BATTERY SYSTEMS OF ALBUQUERQUE
 4380 ALEXANDER BLVD NE, SUITE C, ALBUQUERQUE, NM 87107
 PH: (505) 359-2370

WE SUPPORT A CLEAN & GREEN ENVIRONMENT!

Give yourself the **ADVANTAGE** & make us your **SINGLE SOURCE SOLUTION** today!

SERVICE

Battery Systems works with our customers to create **CUSTOMIZED SERVICE PROGRAMS** specifically designed to fit all their business needs.

- Product & Service Surveys – Continuously analyze customer service programs to ensure we have the right products, programs & pricing in place.
- Service & Delivery Options - Regularly scheduled ROUTE VISITS, HOT SHOT & WILL CALL services available to ensure you have everything you need, when you need it!
- Fully Licensed Hazardous Material Carrier – Cradle to Grave Documentation provided to guarantee proper removal & transport of spent batteries to approved EPA Facilities.
- Consistent Customer Care – Provide customers with continuous training & support from dedicated Territory Sales Managers & local branch & home office teams.

SELECTION

As the largest independent battery distributor in the US, our **LOCAL, REGIONAL & NATIONAL DISTRIBUTION NETWORK** provides unrivaled service & selection.

- Comprehensive Stock Selection- By maintaining the largest inventory in the industry we provide our customers the Single Source Solution for all their battery needs.
- Flexible Warranty Programs – We have the right programs partnered with the right products to meet our customers' needs in any market condition.

VALUE

We're dedicated to keeping our customers' competitive in their markets by providing Quality Products aligned with **VALUE- DRIVEN PROGRAMS.**

- Effective Vendor Partnerships – Provide our customers the advantage of never having to sacrifice quality for value.

SERVICE – SELECTION – VALUE

Since 1955

CHECK & CHARGE POLICY

Battery Systems is dedicated to providing *Consistent Customer Care* by providing continuous training & support through varying features such as our Check & Charge Program. In the off chance that a customer's batteries are not performing to the level that is expected, Battery Systems will collect the batteries & perform a complimentary Check & Charge analysis.

PROCEDURE OVERVIEW

- Once the batteries have been collected from the customer & returned to the local Battery Systems facility, the batteries will begin the Check & Charge process within 24 hours in order to ensure minimal disruption in service to the customer.
- Once the batteries have gone through the complete testing cycle, Battery Systems warehouse will notify the key service representative assigned to the account the results of the Check & Charge analysis so that the customer can be notified right away.
- If the results of the test are that the batteries are not in good working condition, the customer will be notified & appropriate action will be taken, pending product warranty, age of battery, etc.
- If the results of the test show the batteries in good working condition, Battery Systems will have the batteries returned to the customer within 4 - 5 business days from the original pick-up date.
- When returning Check & Charge Batteries to the customer, Battery Systems will record:
 - Name of the driver responsible for the delivery
 - Date batteries are being returned
 - Check & Charge Batteries Delivery Receipt with signed POD
- Once the Check & Charge has been completed, the Battery Systems key service representative will review the outcome of the analysis with the customer & will provide additional information and/or training regarding the battery charging process as well as provide additional maintenance tips to help ensure optimized battery performance.

SAFETY / DISPOSAL

Battery Systems complies with all City, State and Federal mandates for storage, disposal, handling and transportation of hazardous materials.

A trained Battery Systems employee will make all deliveries directly to the specified locations. Delivery personnel are licensed to operate forklifts and trained in safe handling of batteries. Employees are also trained in emergency clean up and spill containment of batteries.

- Battery Systems vehicles are licensed and insured to transport hazardous materials.
- All delivery vehicles are equipped with fire extinguishers, spill containment kits, eyewash, and first aid kits.
- All Battery Systems warehouse facilities are certified for hazardous material storage.
- Battery Systems Hazardous Material License number is 136172.

Please see the attached list for all approved battery recycling centers.

To obtain copies of Battery Systems permits or any other documentation pertaining to storage, disposal, handling and transportation of hazardous materials, a request must be submitted to the Battery Systems Bids Department via email at: bids@batterysystems.net.
