

WATER DIVISION

NEW SERVICE / METER INSTALL PROCESS

-
- 1.) **Customer completes a City of Santa Fe Utility Service Application and submits it with a plat of the property to the Water Division Engineering Section located at 801 W. San Mateo (2nd floor). Applications submitted without a plat will not be accepted.**
 - **Contact Dora Marquez, Water Development Project Specialist @ 955-4264**
 - 2.) **The application will be assigned to an Engineering Technician who will prepare a field card with the scope of work to be done.**
 - 3.) **An Agreement for Metered Service (AMS) will be initiated between the City of Santa Fe Water Division and the customer.**
 - **Customer will be contacted when agreement is ready**
 - **Customer will sign agreement and pay fees**
 - 4.) **The AMS will be routed for signatures from:**
 - **Engineer Supervisor**
 - **Water Division Director**
 - **City Attorney**
 - **City Manager**
- NOTE: The customer cannot route contract for signatures, it must be done by Water Division staff.**
- 5.) **Once the agreement is executed, the field card will be issued to the Transmission and Distribution (T & D) Section for installation.**
 - 6.) **The T & D Section will install the service (tap into main, install meter can, connect copper from main into meter can, install meter setter) but not the water meter.**
 - 7.) **The customer must connect the private plumbing to the copper line stubbed out from the meter can. The private plumbing must include a hose bib, frost-free hydrant or a PRV (Pressure Reducing Valve).**
 - 8.) **After the service is installed and the private plumbing is connected, the customer must fill out a Meter Install Form for a meter to be installed. The meter will be set within 10 business days.**

*****WATER OFFSET FEES MUST BE PAID PRIOR TO METER INSTALL*****

APPLICANTS OUTSIDE CITY LIMITS, PLEASE NOTE:

- Ordinance 2008-53, prohibits new connections outside the presumptive city limits including the Agua Fria traditional historic community (AFTHC) unless specific conditions are met. Applications for service outside the presumptive city limits and AFTHC must include documentation showing these conditions are met or the application will be rejected. The documents required are shown below.
- A map of the proposed project in relation to the existing city limits and their presumptive city limits
- A detailed description of the proposed development including the type and size of proposed land uses
- The health, safety and welfare or other legal reason for the connection
- A site water budget
- Documentation from the County of Santa Fe that county water service is not available
- Documentation from the wastewater division regarding sewer availability
- A certified Santa Fe Homes Proposal as set forth in Section 14-8.11 SFCC 1987 if applicable
