AND REPORTS**

AFFORDABLE HOUSING STUDIES AND REPORTS

Over the years, numerous studies and reports have recommended progressive actions the city should take to increase the supply of affordable housing. Excerpted here are some of the ideas that were themes or specific suggestions from all the publications. For a more thorough examination of the affordable housing proposals, refer to the following publications:

Year	Name of Report	Emphasis
1976	Marshall Kaplan Gans and Kahn Report	Policy recommendations
1979	Housing Task Force	Policy recommendations
1983	Mayor's Task Force on Affordable Housing	Policy recommendations
1983	Santa Fe Area General Plan 83	General Plan
1984	Resources for Community Alternatives	Affordability data
1985	Don Hurd	Housing survey
1987	Santa Fe Needs Assessment Survey	Policy recommendations
1987	Housing Assistance Plan	Housing needs analysis
1987	Roundtables	Citizen recommendations
1988	Advisory Committee on Affordable Housing	Policy recommendations
1989	Mayor's Committee on Affordable Housing	Long-term strategy
1990	Vision Santa Fe	General Plan
1991	Enterprise Foundation	Needs assessment
1991	Comprehensive Housing Assistance Strategy	Needs assessment and five-year plan
1992	Strategic Housing Plan	Needs assessment and three-year plan
1994	Affordable Housing Recommendations Council	Policy recommendations
1995	Housing Cost Analysis	Cost of building new homes
1995	Consolidated Plan	Needs assessment and five-year plan
1995	Kayden/Listokin Report	Analysis of market rate housing
