Santa Fe County's

ACCOUNTABLE HEALTH COMMUNITY

Our vision: By 2020 all Santa Fe County residents regardless of income have access to high quality health care and are linked to the resources they need for health and well-being.

A vintage teal pickup truck with a rusted hood and chrome grille, parked in a wooded area. The truck is the central focus of the image, with its front end facing the viewer. The background is filled with lush green trees and foliage, creating a natural, outdoor setting. The lighting is bright, suggesting a sunny day.

ACCOUNTABLE HEALTH COMMUNITY GOALS

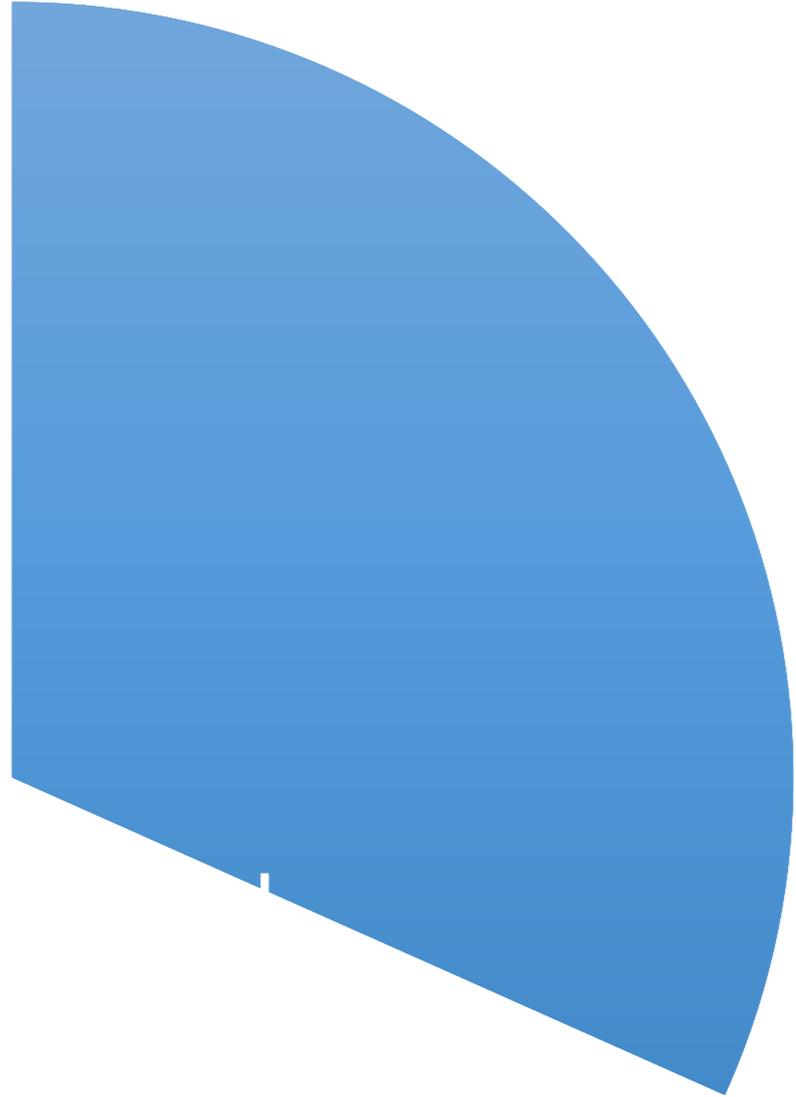

- Residents and providers collectively identify problems and co-create solutions.
- Navigators link residents to resources within a cohesive provider network.
- Social, economic, and physical environmental resources are available to all residents.
- Information systems are coordinated. Data are collected, monitored and evaluated to improve services and population health while reducing health care costs.

639 people received navigation services in FY 2018
