**(ENN)** Early Neighborhood Notification requirements include mailed notices to Property Owners/Physical Addresses within 300' of the subject project

(d) Mailing and Emailing Requirements

Notice of a public hearing or ENN meeting shall be mailed via the United States postal service by the applicant at least fifteen calendar days prior the public hearing or meeting as follows:

- (i) notices shall be mailed by first class mail to the owners of properties within three hundred (300) feet of the subject property as shown in the records of the county treasurer, and to the physical addresses of such properties where the property's address is different than the address of the owner;
- (ii) notices shall also be mailed by first class mail to neighborhood associations that have registered with the land use director and that will be directly affected by the proposed action or that have a boundary within three hundred (300) feet of the subject property. Email notices to the neighborhood associations shall be provided on the same day the applicant sends postal notices;
- (iii) for zone changes of one block or less, notices to property owners for public hearings before the governing body or the planning commission shall be by certified mail with return receipt requested as required by Section 3-21-6 NMSA 1978;
- (iv) in the case of an application for a telecommunications facility, all property owners within the corresponding setback distances listed in Section 14-6.2(E) shall also receive notices;
- (v) if a notice by certified mail of a zoning change is returned undelivered, the city shall attempt to discover the owner's most recent address and shall send the notice by certified mail to that address as required by Section 3-21-6 NMSA 1978;
- (vi) copies of all required mailing lists, mailing certificates and return receipts shall be provided to the land use director prior to the public hearing or ENN meeting with an affidavit of mailing signed by the person who mailed the notices.

(e) Notice Requirements for City-Initiated Development Review Actions

(iii) Mailing Requirements

Mailed notice shall be provided as required in Subsection 14-3.1(H)(1)(d).
