APPLICABILITY: The water rate schedules effective February 1, 2026, reflect an increase of 4% per year. The applicable rate shall be based upon the character of service as set forth in Rule 3 of Exhibit A, Chapter 25 SFCC 1987. Service will be furnished in accordance with the City's Rules and Regulations covering water service, available at the City's offices and on file with the office of the City Clerk of the city of Santa Fe, which Rules and Regulations or subsequent revisions thereof are a part of this Schedule as if fully written herein.

SERVICE AREA: Within the corporate limits of the city of Santa Fe, New Mexico and those areas outside the corporate limits to which service has been authorized by action of the governing body of the city of Santa Fe.

FIRE PROTECTION CHARGE: If the customer has a fire service line or lines for standby fire protection, the appropriate rate as provided in Rate Schedule 6, Fire Service Line, shall also be charged.

IRRIGATION METER: If the customer has an additional meter installed primarily for irrigation or other outdoor uses such as, but not limited to, pool or spa filling or vehicle washing, the same commodity and system charge as set forth above shall apply.

SPECIAL TAX AND ASSESSMENT CLAUSE: Billings under this Schedule may be increased by an amount equal to the sum of taxes payable under the Gross Receipts and Compensating Tax Act and of all other taxes, fees, or charges payable by the City and levied or assessed by any governmental authority on the public utility service rendered, or on the right or privilege of rendering the service, or on any object or event incidental to the rendition of the service.

MINIMUM CHARGE: The minimum charge under this Schedule shall be the monthly service charge.

USE OF SERVICE: Service shall not be resold or shared with others.

1 ADDITIONS AND EXTENSIONS: Additions or extensions under this Schedule shall be
2 subject to the availability of existing water lines of adequate capacity to provide the service
3 requested. The City shall not be required for purposes of supplying service hereunder to increase
4 the capacity of its mains or to make any extensions thereto. Subject to the foregoing provisions,
5 additional points of delivery may be requested, and the City, upon receipt of such requisition, shall
6 furnish the water service in accordance with the rates contained in this Schedule.

7 OTHER CONDITIONS: Other conditions pertaining to application of service, water taps,
8 disconnection and reconnection of service, responsibility for payment of bills, and other conditions
9 are provided for in the City's Rules and Regulations, available at its Water Services Division's
10 office.

11 SERVICE APPLICATION: All applications for services for one inch (1") and larger
12 meters shall be covered by written agreement on the City's standard application form.

RATE SCHEDULE 5

BASE METER SERVICE INSTALLATION CHARGES

APPLICABILITY: This Base Meter rate is applicable to all 3/4-inch, 1-inch, 1 1/2-inch, and 2-inch services installed by the City in dirt, gravel, and paved streets. This Schedule is not applicable to the installation of services larger than 2-inches, nor to services installed in subdivisions. Larger services and subdivision services will be installed under special contract provisions.

Service will be furnished in accordance with the City's Rules and Regulations covering water service, available at the City's offices and on file with the office of the City Clerk of the city of Santa Fe, which Rules and Regulations or subsequent revisions thereof are a part of this Schedule as if fully written herein.

SERVICE AREA: Within the corporate limits of the city of Santa Fe, New Mexico and those areas outside the corporate limits to which service has been authorized by action of the governing body of the city of Santa Fe.

RATE: The rate for Base Meter Service Installation Charges shall be the sum of A, B, and C:

A. SERVICE INSTALLATION LABOR AND MATERIAL CHARGES:

Service installations require a three person crew which includes a lead operator, an entry operator, and an equipment (backhoe) operator for approximately 6 hours for dirt or gravel installations without curb, gutter, or sidewalk, and approximately 8 hours for installations in roads that are paved or have concrete curbs, gutters, and sidewalks. Estimated fully loaded labor rates (cost to City including benefits) and the resulting meter installation labor fee are shown in the table below for effective dates through 2040. These rates are assumed

1 to increase by 5% from 2026 through 2029, and then 1% per year updated every five years
 2 after that.

	Fully Loaded Labor Rates Used For Meter Installation Calculations			
Laborer\Effective Date	2/1/2026	1/1/2030	1/1/2035	1/1/2040

8 hour Labor Cost (Paved and/or Sidewalk)	\$ 1,120	\$ 1,176	\$ 1,232	\$ 1,296

3
 4 Materials required for installation may include but are not limited to a saddle, pipe,
 5 fittings, meter can, check valve, and meter yoke. The following table shows parts costs used to
 6 calculate installation charges for effective dates through 2040. These rates are assumed to
 7 increase by 5% from 2026 through 2029, and then 1% per year updated every five years after
 8 that.

	Material Costs for New Meter Service (not including meter cost)			
Service Size\Effective Date	2/1/2026	1/1/2030	1/1/2035	1/1/2040
5/8 and 3/4-inch	\$ 1,640	\$ 1,720	\$ 1,810	\$ 1,900

1 1/2"	\$ 3,480	\$ 3,650	\$ 3,830	\$ 4,030
2"	\$ 6,290	\$ 6,610	\$ 6,940	\$ 7,280

9

1 The meter cost is added to the labor and material costs in development of the total service
2 installation labor and materials charges.

3 B. CHARGES FOR RESTORATION OF STREET OR ROAD SURFACE: The
4 customer shall be assessed any cost related to the excavation or the restoration of street and
5 road surfaces, curbs and gutters and sidewalks, including governmental permits, as may be
6 required in compliance with applicable state or local government statutes, ordinances or
7 regulations.

8 C. SPECIAL TAX AND ASSESSMENT CLAUSE: Billings under this Schedule
9 may be increased by an amount equal to the sum of taxes payable under the Gross Receipts
10 and Compensating Tax Act and of all other taxes, fees, or charges payable by the City and
11 levied or assessed by any governmental authority on the public utility service rendered, or
12 on the right or privilege of rendering the service, or on any object or event incidental to the
13 rendition of the service.

17 **UTILITY EXPANSION CHARGE**

18 APPLICABILITY: This Utility Expansion Charge is applicable to all new customers for
19 connection with the City's system. Installation of a second meter and establishment of a new
20 account for existing demand on a legal residential lot of record shall not be considered a new
21 customer subject to application of the Utility Expansion Charge. Service will be furnished in
22 accordance with the City's Rules and Regulations covering water service, available at the City's
23 offices and on file with the office of the City Clerk of the City of Santa Fe, which Rules and
24 Regulations or subsequent revisions thereof are a part of this Schedule as if fully written herein.

1 SERVICE AREA: Within the corporate limits of the City of Santa Fe, New Mexico and
 2 those areas outside the corporate limits to which service has been authorized by action of the
 3 governing body of the City of Santa Fe.

UEC	\$ 2,013	\$ 2,516	\$ 2,617	\$ 2,722	\$ 2,830	\$ 2,944

8 2. The Charge for a 5/8" meter service for the following is \$1,000.

9 a. Santa Fe Homes Program for-sale or for-rent units as defined in
 10 Section 26-1 SFCC 1987;

11 b. Housing opportunity program home or housing opportunity program
 12 rental unit subject to a valid housing opportunity program agreement; or

13 c. A low priced dwelling unit as defined in Section 26-2 SFCC 1987.

14 3. The Charge for each meter service size shall be determined by multiplying the
 15 Charge for a 5/8" meter service by the applicable equivalent meter EQM Factor.

16 4. The other meter service sizes are calculated by multiplying the applicable charge
 17 for a 5/8" meter by the EQM Factor shown in the following table:

TERMS OF PAYMENT: The charge set forth above is payable within twenty (20) days from date of bill.

REVIEW OF FEE. The governing body shall review the conservation fee every two (2) years after the date of adoption.

CITY OF SANTA FE - PUBLIC UTILITIES DEPARTMENT
WATER SERVICES DIVISION
RATE SCHEDULE 9
POTABLE WATER FILL STATION

APPLICABILITY: Water dispensed from the city's potable water fill station.

POTABLE WATER FILL STATION RATE:

A. CHARGES:

- 1. Base Rate: same as Tier 1 Commercial Usage Rate, charged per gallon
- 2. Surcharges

1 a. Water conservation surcharge (as an overlay onto the base rate) shall
2 apply to water dispensed May 1 through October 31 with a 25% surcharge to base
3 rate.

4 b. During Water Emergency Management Stages 2 or 3, surcharges (as an
5 overlay onto the base rate) are a 50% surcharge to base rate.

6 B. SPECIAL TAX AND ASSESSMENT CLAUSE: The above charges shall be increased
7 by an amount equal to the sum of taxes payable under the Gross Receipts and Compensating Tax
8 Act and of all other taxes, fees, or charges payable by the City and levied or assessed by any
9 governmental authority on the public utility service rendered, or on the right or privilege of
10 rendering the service, or on any object or event incidental to the rendition of the service.

11 OTHER CONDITIONS:

12 A. Upon the water division's approval of an application, the following may purchase water
13 from the city's potable water fill station:

- 14 1. A customer of the city's water, sewer or refuse utilities; or
- 15 2. A person living within the city limits.

16 B. Payment is due at the time the application for water is approved by the water division,
17 prior to dispensing.

18 C. The amount shall not exceed 5,000 gallons per purchase, not to exceed 20,000 gallons
19 per month per purchaser.

20 D. There is no restriction on where the water may be used; however, the water shall be
21 subject to the same use restrictions as all other city water set forth in this chapter including, but not
22 limited to, conservation, water waste and emergency water regulations. Violations shall be subject
23 to the same enforcement as other violations of this chapter.

24 E. The purchaser or their representative shall have, in their possession at the time
25 and place of use of the water, the receipt from the city for the water.

F. During Water Emergency Management Stage 4, water shall not be dispensed at the potable water fill station.

G. The above conditions may be waived by the water division director, or their designee, if it is determined that an emergency exists and that the water is necessary for the public's health, safety and welfare.

H. The city reserves the right to prohibit or limit the sale of water at the potable water fill station as it may deem necessary to protect the city's water supply and comply with the intent of the provisions of this chapter.

PASSED, APPROVED, and ADOPTED this 15th day of January, 2026.
