

LOW COST DWELLING UNIT AGREEMENT
(this "Agreement")

David Reiss, (individually, or collectively, as the context may require, the "Owner") and City of Santa Fe, a municipal corporation (the "City") agree:

ARTICLE I

RECITALS

1. The Owner is the owner of a low priced dwelling unit, the property described on attached Exhibit A (the "Home"), that the Owner acquired under the City's affordable housing program (the "Program"). The Program is run by the City's Office of Affordable Housing.

2. In assisting the Owner to buy the Home, the City Program incurred certain costs, including, but not limited to, development review charges, building permit charges, capital impact charges, utility expansion charges, water meter charges and waivers of retrofit program requirements, in the amount of **eight thousand dollars (\$8,000)** (the "City's Lien Amount").

3. This Agreement states the obligation of the Owner to the City, if the Owner enters into any Encumbrance or if the Home is sold or transferred. For the purpose of this Agreement, an Encumbrance means any obligations of the Owner created from time to time, other than the Lien (defined below) and any first mortgage, the payment of performance of which obligations are or were secured by an interest in the Home.

4. This Agreement, together with a Mortgage (the "Mortgage") on the Home that the Owner has or will sign in favor of the City, creates a mortgage lien on the Home (the "Lien") in an amount equal to the City's Lien Amount.

5. If the Owner does not pay the City's Lien Amount to the City when due and payable, the City has the right to foreclose the Lien on the Home.

6. If the City forecloses the Lien on the Home, the Owner could lose ownership of the Home and the right to use or occupy the Home.

ARTICLE II

AGREEMENTS

1. Obligations of the Owner. Until the City's Lien Amount is fully paid, the Owner will observe, perform and discharge the following obligations:

A. The Owner must observe, perform and discharge the obligations of the Owner to the City in the Mortgage.

B. The Owner must timely observe, perform and discharge all loans or other obligations secured by an Encumbrance.

C. If, on one or more occasions, the Owner wants to refinance, mortgage or otherwise create an Encumbrance against the interest of the Owner in the Home, the Owner must first give written notice to the City of the Owner's intent to do so at least 15 days before the estimated date of the placing of the Encumbrance against the Home.

D. The Owner wants to sell or transfer the Home, the Owner must immediately give written notice to the City of the Owner's desire to sell or transfer the Home.

E. At the same time the Owner places an Encumbrance against the Home or closes a sale or transfer of the Home as provided in this paragraph 1, the Owner will pay the City an amount equal to the City's Lien Amount.

2. Breach. Upon Owner's receipt from the City of written notice of a breach of this Agreement, the Owner has 30 days to cure the breach. If the Owner does not timely cure the breach, the City may exercise any legal remedies against the Owner for the breach of this Agreement that the law, equity, or any statute allows, including starting legal proceedings to foreclose the Lien, and the City may apply to have a receiver appointed to take possession of the Home.

3. Miscellaneous:

A. Notices. All notices, requests, demands, waivers and other communications given as provided in this Agreement will be in writing, and mailed by certified mail, postage prepaid, and addressed to the City or to the Owner at the addresses shown on attached Exhibit A, as may be updated from time to time by the City or the Owner giving written notice of such change to the other.

B. Assignment. The Owner may not assign this Agreement without the prior written consent of the City.

C. Binding Effect. This Agreement may be modified only in writing, is specifically enforceable by the City, and is binding upon, and inures to the benefit of, the City, and the Owner, and the surviving joint tenants, transferees, permitted assigns, heirs, devisees, trustees and personal representatives of the Owner.

D. Entire Agreement. This Agreement, together with the Mortgage, constitutes the entire agreement of the City and the Owner and replaces all previous agreements, written or oral, between the City and the Owner with respect to the City's Lien Amount.
