Terms and Conditions**

These Maintenance and Support Terms and Conditions (“Support Terms”) apply to the Agreements. The terms set forth herein supplement, but do not replace or modify, the Agreements terms.

1. **Maintenance and Support.** Innovative will offer maintenance and support on the terms set forth herein (“Maintenance and Support”) for the latest generally available version of the Software and for certain earlier versions in accordance with Innovative’s support policy. Standard Maintenance and Support is included with the price for the annual license set forth in the Agreements.

2. **Error Response.** Error descriptions (each an “Error”), the Error severity levels and corresponding targeted response time per level are each described in the table below. The Targeted Response Times in the table below identify the response times that Innovative will target for the corresponding Error, however, such Targeted Response Times are not guaranteed.

Severity	Description	Target Response Time
One - Site Down	A major component of the software is in a non-responsive state and severely affects library productivity or operations. A high impact problem that affects the entire library system. Widespread system availability, production system is down	1 hour
Two – Critical	Any component failure or loss of functionality not covered in Severity 1 that is hindering operations, such as, but not limited to: excessively slow response time, functionality degradation; error messages; backup problems; or issues affecting the use of the module or the data	2 business hours; excludes holidays and weekends
Three - High	Lesser issues, questions, or items that minimally impact the work flow or require a work around	2 business days; excludes holidays and weekends
Four – Routine	Issues, questions, or items that don’t impact the work flow. Issues that can easily be scheduled such as an upgrade or patch	4 business days; excludes holidays and weekends

3. Error Reporting and Diagnosis.

a. Library must designate a representative as the contact that will report Errors to Innovative and be Innovative’s primary contact for the provision of Maintenance and Support pursuant to the terms of this Agreement (such representative is referred to herein as the “Library Contact”). When a Library Contact reports an Error, Innovative will use commercially reasonable efforts to diagnose the root cause of the Error (“Diagnosis”). Upon completing the Diagnosis, each Error will be classified as either a “Warranty Error” or a “Non-Warranty Error” pursuant to Section 3.b. below. Innovative will use commercially reasonable efforts to diagnose and repair both Warranty and Non-Warranty Errors as described below.

b. “Warranty Errors” are all Errors that do not qualify as Non-Warranty Errors. “Non-Warranty Errors” are Errors resulting from any of the following causes: (i) misuse, improper use, alteration or damage of the Software; (ii) operator error; (iii) incorrect data entry by Library; (iv) third-party software not part of the Software; (v) errors and/or limitations attributable to Library environment; (vi) Library’s failure to incorporate any New Release previously provided to it by Innovative which corrects such Error; (vii) modification of the Software performed by Library; and (viii) technical consulting services provided by Innovative at Library’s request (e.g., change orders, integration development, or configuration design and implementation), unless Library notifies Innovative of such technical consulting services problem within the applicable warranty period set forth in the governing statement of work, change order or agreement. Library acknowledges that the Software is intended for use only with the software and hardware described in the Specifications provided by Innovative from time to time, and Library will be solely responsible for its adherence thereto.

4. Complimentary and Chargeable Support. Innovative will respond to all reported Errors pursuant to Section 2 above and will use commercially reasonable efforts to resolve Warranty Errors at no additional charge if Library has purchased and is current on its payment for Maintenance and Support; however, Innovative may charge Library for such effort with respect to Non-Warranty Errors according to the following process: (i) When the Library Contact reports any Error, prior to commencing the Diagnosis for the Error, Innovative will notify the Library Contact that the Diagnosis and repair effort will be at no charge to Library unless the reported Error is determined to be a Non-Warranty Error, in which case only the first two hours of Diagnosis will be at no charge; and (ii) Innovative will then commence the Diagnosis unless instructed otherwise by the Library Contact. If more than two hours are required for the Diagnosis of Non-Warranty Errors, then such additional Diagnosis hours will be charged to Library at Innovative’s then-current rate for technical services. Once the Diagnosis is complete, the Library Contact will be given the option of having Innovative proceed with repairing the Non-Warranty Error, and, if so requested, Innovative will provide an estimate of the total cost for such effort. If agreed to by the Library Contact, Innovative will undertake to repair the Non-Warranty Error and charge Library for the associated technical services performed.

5. Ticket Management and Escalation. Innovative manages all reported issues using a ticket management system, and provides an Internet portal for Library to report issues. Library may review the status of issues reported online. When an Error is either unresolved or not resolved in a timely fashion, the Library should contact Innovative representatives pursuant to Innovative’s escalation policy made available on Innovative’s Internet portal.
