WHEREAS, the City and the County define population health as the health outcomes of all people in Santa Fe County and recognize that population health outcomes are the product of multiple *determinants* of health, including policies, clinical and public health care, genetics, behaviors (e.g., smoking, diet, and treatment adherence), social factors (e.g., housing, employment, education, and poverty), environmental factors (e.g., occupational, food, and water safety), and the distribution of disparities in the population;³ and

WHEREAS, the City and the County's governing bodies endorse the Accountable Health Community model and seek to improve health, improve behavioral health, improve safety, and promote more equitable access to opportunities for realizing the full potential of all people in Santa Fe County; and

WHEREAS, both departments seek to create a better-connected network of health and human service providers in Santa Fe so that residents can access resources such as housing, food, transportation, utilities, interpersonal safety, education, childcare and employment; and

WHEREAS, both departments envision the network they create in Santa Fe County growing throughout the state and acting as a model for other communities in New Mexico seeking to improve the health and wellbeing of their residents; and

WHEREAS, the City and Santa Fe County desire to formalize an agreement to effect a coordinated network of health and human services providers providing "navigation" to residents of the City and County, the purpose of which is to help residents access resources related to health care, housing, food, transportation, utilities, interpersonal safety, and other social determinants of health to be known as "Connect"; and

2. **SCOPE.** The Departments agree to coordinate on: 1) collecting data via the same tool, a software system to assess the aggregate number of residents served by internal programs and community partner grantees and the impact of navigation and referrals on health outcomes, as well as which social needs go unmet in the County; 2) a communication strategy about Connect for the navigator network, funded agencies, current and potential partners, and the public; 3) strategies for growing the network and developing state and other funding sources for Connect.

3. **TERM.** This Memorandum of Agreement ("Agreement") shall remain in effect until terminated by either party pursuant to Article 4 below.

4. **TERMINATION.** This Agreement may be terminated by either of the parties hereto upon written notice delivered to the other party at least 30 days prior to the intended date of termination. By such termination, neither party may nullify obligations already incurred for performance or failure to perform prior to the date of termination.

5. **LIABILITY.** Each party shall be solely responsible for fiscal or other sanctions occasioned as a result of its own violation of requirements applicable to the performance of this Agreement.

8. **ASSIGNMENT.** Neither the City nor the County shall assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the other party.

9. **AMENDMENT.** This Agreement shall not be altered, changed, or amended except by instrument in writing.
