Terms and Conditions for Fiber+ Internet Bundle Offer

Lumen provides Fiber+ Internet services under: (a) the Fiber+ Internet Package Attachment ("Attachment") and (b) the Domestic CenturyLink IQ Networking, Local Access, and Rental CPE Service Exhibits. The Attachment and Service Exhibits applicable to Customers purchasing Fiber+ Internet services for wholesale purposes are found at http://www.centurylink.com/legal/FiberPlus_Wholesale.pdf.

The Fiber+ Internet Package type appears in the first "Fiber+ Internet" row under the "Service Attributes" column of the above table. The CenturyLink IQ Networking port is an Internet Port. The port bandwidth details appear in the first "Fiber+ Internet" row under the "Service Attributes" column of the above table. The Local Access bandwidth details appear in the first "Fiber+ Internet" row under the "Service Attributes" column of the above table. The package pricing includes the Local Access MRC and the Rental CPE MRC. Lumen will provide the rental equipment while Customer purchases the Services from Lumen. Lumen may provide equipment from various manufacturers at its discretion. The Rental CPE maintenance is ProMET On-Site Standard (8x5, on-site, next business day) maintenance unless "Pro MET 24x7 Professional" appears in the "Service Details" column of the above table. If "Pro MET 24x7 Professional" appears in the "Service Details" column of the above table, the Rental CPE maintenance is ProMET On-Site Premium (24x7, on-site, 4-hour response) maintenance for that location. There is an additional MRC for ProMET On-Site Premium maintenance. Customer's site must qualify for ProMET On-Site Premium maintenance.

Upgrade/MACD pricing and Other Charges are per the online Rate Sheet located at: http://www.centurylink.com/legal/FiberPlus_offers/FiberPlus_offers_Rate_Sheet_v1.pdf ("Rate Sheet"). These rates may not apply if Service is being purchased for wholesale purposes.

As part of the Service provisioning process, Lumen will identify whether Customer's Local Access functionality is IP Connection as described in the Local Access service-specific terms. If it is, Customer agrees to use the CenturyLink IQ Networking Internet Port only for the provision of either: (i) wireline broadband Internet access (as defined in applicable Federal Communications Commission orders and regulations), or (ii) wireline broadband Internet access plus additional information services, with wireline broadband Internet access constituting a principal use. If the IP Connection Local Access functionality is used in conjunction with a CenturyLink IQ Networking Private Port, Customer must, so long as the Private Port is used, either: (iii) have entered into an agreement or amendment directing Customer to the Network-Based Security ("NBS") service-specific terms and use NBS with the Private Port or (iv) use the Private Port in conjunction with an interconnected Internet Port in a multi-site configuration. In either case, Customer agrees the arrangement will be configured so each Private Port connection will be used consistent with the wireline broadband Internet access usage limitations noted in (i) and (ii) above.

No Resale. Customer warrants: 1) Services are for its own use and 2) it will not resell the Services or extend any Services for a fee to others, regardless of whether it qualifies as a reseller under the Telecommunications Act of 1996 or under state law, unless Service is purchased for wholesale purposes.

SLED Terms and Conditions Governing This Order

1. "Lumen" is defined for purposes of this Order as CenturyLink Communications, LLC d/b/a Lumen Technologies Group or its affiliated entities providing Services under this Order. This Order is subject to the applicable state or municipal public records laws governing Customer and is non-binding until accepted by Lumen, as set forth in section 4. Customer places this Order by signing (including electronically or digitally) or otherwise acknowledging (in a manner acceptable to Lumen) this document and returning it to Lumen.

2. Prior to installation, Lumen may notify Customer in writing (including by e-mail) of price increases due to off-net vendors or increased construction costs. Customer has 5 business days following notice to terminate this Order without liability; or otherwise, Customer is deemed to accept the increase.

3. Unless otherwise agreed by the parties in writing, the demarcation point for on-net services will be Lumen's Minimum Point of Entry (MPOE) at such location (as determined by Lumen). Off-net demarcation points will be the off-net vendor's MPOE. If this Order identifies aspects of services that are procured by Customer directly from third parties, Lumen is not liable for such services.

4. The service(s) identified in this Order (the "Service(s)") is/are subject to the current, unexpired services agreement between Customer and Lumen ("Existing Agreement") provided that, if a service attachment describing the Services is not included in the Existing Agreement, then the current standard applicable Lumen Service Attachment(s) will apply in addition to the Existing Agreement. If Customer and Lumen do not have a current Existing Agreement, then the current applicable Lumen Master Service Agreement(s), State, Local and Education Government Agencies Version, Public Safety Version for public safety services, or E-Rate Version for E-Rate eligible services (each, a "Lumen MSA"), and applicable Service Attachment(s) for the Services described in this Order, will govern, copies of which are available upon request. Customer will accept and pay all charges indicated on invoices for the Services.

Notwithstanding anything in any Existing Agreement to the contrary, Lumen will notify Customer of acceptance of requested Service in this Order by delivering (in writing or electronically) the date by which Lumen will install Service (the "Customer Commit Date"), by delivering the Service, or by the manner described in a Service Exhibit/Service Schedule. Lumen will deliver a written or electronic notice that the Service is installed (a "Connection Notice"), at which time billing will commence. At the expiration of the Service Term, Service will continue month-to-month at the existing rates, subject to adjustment by Lumen on 30 days' written notice. If the Existing Agreement governs and does not include early termination charges and if Customer cancels or terminates Service for any reason other than Lumen's uncured default or if Lumen terminates due to Customer's uncured default, then Customer will pay Lumen's standard early termination liability charges as identified in the then standard applicable Service Exhibit(s)/Service Schedule(s). If such Service Exhibit(s)/Service Schedules(s) does not contain early termination charges, Customer will pay Lumen's standard early termination charges described in its then standard applicable Lumen MSA.

5. Neither party will be liable for any damages for lost profits, lost revenues, loss of goodwill, loss of anticipated savings, loss of data or cost of purchasing replacement service, or any indirect, incidental, special, consequential, exemplary or punitive damages arising out of the performance or failure to perform under this Order. Customer's sole remedies for any nonperformance, outages, failures to deliver or defects in Service are contained in the service levels applicable to the affected Service.

6. All transport services ordered from Lumen will be treated as interstate for regulatory purposes. Customer may certify transport service as being intrastate (for regulatory purposes only) in a format as required by Lumen, but only where the transport services are sold on a stand-alone basis, the end points for the service are located in the same state and neither end point is a Lumen provided IP port ("Intrastate Services"). Where Customer requests that services be designated as Intrastate Services, Customer certifies to Lumen that not more than 10% of Customer's traffic utilizing the Intrastate Services will be originated or terminated outside of the state in which the Intrastate Services are provided. Such election will apply prospectively only and will apply to all Intrastate Services stated in this Order.

7. Charges for certain Services are subject to (a) a per month property tax surcharge and (b) a per month cost recovery fee to reimburse Lumen for various governmental taxes and surcharges. Such charges are subject to change by Lumen and will be applied regardless of whether Customer has delivered a valid tax exemption certificate. For additional details on taxes and surcharges that are assessed, visit www.lumen.com/taxes or the RSS, if indicated by the applicable Service Exhibit(s)/Service Schedule(s).

8. Unless otherwise set forth in a Service Attachment, Customer will pay Lumen's standard: (a) expedite charges (added to the NRC) if Customer requests a delivery date inside Lumen's standard interval duration (available upon request or in Control Center at <https://www.lumen.com/login>) and (b) unless otherwise set forth in a Service Attachment, the ancillary charges for additional activities, features or options as set forth in the Ancillary Fee Schedule, available at www.lumen.com/ancillary-fees. If Lumen cannot complete installation due to Customer delay or inaction, Lumen may begin charging Customer and Customer will pay such charges.

9. Charges/Orders. Despite anything to the contrary, NRCs are NOT waived unless this Order expressly states NRCs are waived or the NRCs appear in the waived column in the above table(s). If a Cancellation Charge requires Customer to pay the amount of any waived or discounted NRC, the NRC will be the amount stated in this Order or shown in the "Waived NRC" column in the above table(s) despite anything to the contrary. If in this Order Customer is upgrading, moving, disconnecting or otherwise changing an existing Service, cancellation charges may apply as set forth in the Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date of the signature by the required approval authorities below.
