If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Agreement to the contrary, the City may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

ACTION: Request for the Approval of a Construction Contract in the Total Amount of \$2,162,102.71 Including NMGR for the Construction of S100660 Canada Rincon Trail; H.O. Construction; Romella Glorioso-Moss, rsglorioso-moss@santafenm.gov, (505) 955-6623.

Request for the Approval of a Budget Adjustment Resolution (BAR) in the Amount of \$387,000 from Road Impact Fees to Capital Improvements Project to Construct Canada Rincon Trail Project; Romella Glorioso-Moss, rsglorioso-moss@santafenm.gov, (505) 955-6623.

BACKGROUND AND SUMMARY:

The Canada Rincon Trail – a 0.38-mile trail from Calle Mejia to Camino Francisca/Avenida Rincon will be constructed. This federally-funded project, which began in 2015, was identified as a Phase A priority in the 2012 Bicycle Master Plan. Once constructed, the trail will provide pedestrians and bicyclists safer routes to school, city center amenities, and regional recreation trails such as the La Tierra Trails network. It will provide the greater Santa Fe urban trail system with a critical missing link and sets the stage for additional urban trail improvements and on-street bike lanes both north and south of the project. Construction could start in May and may take up to seven (7) months depending on supply chain issues.

NMDOT-FHWA approved the construction plans in August 2022. City Procurement bid the project twice: in November 2022 (Bid #23/25/B) and in January 2023 (Bid #23/41/B). There was no responsive bidder in the first bid. But in the second bid, the project was awarded to H.O. Construction for \$2,162,103 including NMGR. Although the bid was 17.9% (\$387,000) higher than the total construction funding of \$1,775,103, the City determined it was a responsive bid. Since Canada Rincon Trail Project is eligible to receive road impact fees up to \$2,500,000, Public Works is requesting to BAR \$387,000 of additional road impact fees to complete this important trail project. If approved, the total road impact fees used for this project would be \$1,137,000.
