Memorandum

DATE: March 4, 2024

TO: John Blair, City Manager JB
Emily Oster, Finance Division EKO
Travis Dutton-Leyda, Chief Procurement Office 

FROM: Angie Brown, Executive Assistant

SUBJECT: MOU Living Wage Security Scan for City of Santa Fe

ITEM AND ISSUE:

Request for approval of a Professional Agreement in the amount of \$9,750 with the University of New Mexico Bureau of Business & Economic Research.

BACKGROUND AND SUMMARY:

The City of Santa Fe currently has a living wage ordinance specifying the city's minimum wage and the means for determining the annual increases in the minimum wage. Since the introduction of the city's living wage ordinance, other cities and municipalities have introduced their own living/minimum wage ordinances. The experiences of Santa Fe post-ordinance, as well as the experiences of other cities, can provide novel insights into the economic consequences to workers and the respective local economies more broadly. This Scope of Work proposes a scan of relevant literature related to minimum wage ordinances.

PROCUREMENT METHOD:

Exempt, UNM is a governmental institution per section 13-1-98 A. See attached approval email from Travis Dutton-Leyda, Chief Procurement Officer.

THIS CONTRACT is made and entered into by and between the City of Santa Fe, herein after referred to as the "City," and **UNIVERSITY OF NEW MEXICO'S BUREAU OF BUSINESS & ECONOMIC RESEARCH (BBER)** herein after referred to as the "Contractor."

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

1. **Definitions**

A. "Products and Services Schedule" refers to the complete list of products and services offered under this Contract and the price for each. Product and service descriptions may be amended with the prior approval of the Contract Administrator. New products and services shall not be added to the Products and Services Schedule.

B. "Business Hours" means 8:00 a.m. to 5:00 p.m. Mountain Time.

2. **Scope of Work**

A. The Contractor shall perform the following work:

BBER will conduct a review of the available academic literature and other reports on the estimated economic consequences to changes to the local minimum wage. BBER will compile and summarize relevant reports and literature and attempt to identify unifying themes, characteristics, and results.

BBER proposes to investigate instances of minimum and/or living wage ordinances in a representative collection of other cities. If possible, BBER will attempt to identify best practices and unifying themes used in living wage ordinances.

BBER may also investigate other relevant issues and topics as they arise.

1) Deliverables

The primary delivery for this project will be a written report. The report will include a review of recent and relevant literature on minimum/living wage and, if possible, the focus will be on the experience and economic effects on places that have adjusted their minimum wage. In addition, the report will highlight ordinances from other cities and if possible best practices.

If requested, a representative from BBER will provide a presentation at an agreed-upon time and place to an appropriate audience of the city's choosing.

2) **Timeline**

BBER will begin work once we receive notice to proceed. A draft report will be delivered to the City of Santa Fe by June 1, 2024 or four (4) months after the City signs this contract, whichever is later. The city will provide comments and suggestions on the document by June 15, 2024, or fourteen (14) days after BBER delivers the draft report, whichever is later. A final report will be delivered to the city by June 30, 2024, or four months after the City signs this contract, whichever is later.

3. **Compensation**

The City shall pay to the Contractor based upon fixed prices for each Deliverable item as listed here.

6. **Default and Force Majeure**

The City reserves the right to cancel all, or any part of any orders placed under this contract without cost to the City, if the Contractor fails to meet the provisions of this contract and, except as otherwise provided herein, to hold the Contractor liable for any excess cost occasioned by the City due to the Contractor's default. The Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above, unless the City shall determine that the supplies or services to be furnished by the sub-contractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery scheduled. The rights and remedies of the City provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this contract.

12. **Non-Collusion**

In signing this Contract, the Contractor certifies the Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the City.

13. **Commercial Warranty**

The Contractor agrees that the tangible personal property or services furnished under this Contract shall be covered by the most favorable commercial warranties the Contractor gives to any customer for such tangible personal property or services, and that the rights and remedies provided herein shall extend to the City and are in addition to and do not limit any rights afforded to the City by any other clause of this order. These records shall be subject to inspection by the City, the State Auditor and other appropriate state and federal authorities. The City shall have the right to audit billings both before and after payment. Payment under this Contract shall not foreclose the right of the City to recover excessive or illegal payments.

16. **Appropriations**

The terms of this Contract, and any orders placed under it, are contingent upon sufficient appropriations and authorization being made by the Governing Body for the performance of this Contract. If sufficient appropriations and authorization are not made by the legislature, this Contract, and any orders placed under it, shall terminate upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Contract to unilaterally reduce funding, the Contractor shall have the option to terminate the Contract or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

17. **Release**

The Contractor, upon final payment of the amount due under this Contract, releases the City, its officers, and employees, from all liabilities, claims and obligations whatsoever arising from or under this Contract. The Contractor agrees not to purport to bind the City, unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

18. **Confidentiality**

Any confidential information provided to or developed by the Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization by the Contractor without prior written approval by the City.

19. **Conflict of Interest**

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Contract, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Contract. The Contractor shall comply with any applicable provisions of the New Mexico Governmental Conduct Act and the New Mexico Financial Disclosures Act.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Contract, will continue to comply with, and that this Contract complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Paragraph are material representations of fact upon which the City relied when this Contract was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Contract, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances. If it

is later determined that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 20 were erroneous on the effective date of this Contract or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Contract to the contrary, the City may immediately terminate the Contract.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

20. **Approval of Contractor Representative(s)**

The City reserves the right to require a change in Contractor representative(s) if the assigned representative(s) are not, in the opinion of the City, adequately serving the needs of the City.

In accordance with all such laws, rules, and regulations, the Contractor agrees to assure that no person in the United States shall on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Contract. If Contractor is found not to be in compliance with these requirements during the life of this Contract, Contractor agrees to take appropriate steps to correct these deficiencies.

The foregoing limitation does not apply to paragraph 25 of this Contract or to damages resulting from personal injury caused by the Contractor's negligence.

27. **Incorporation by Reference and Precedence**

If this Contract has been procured pursuant to a request for proposals, this Contract is derived from (1) the request for proposal, (including any written clarifications to the request for proposals and any City response to questions); (2) the Contractor's best and final offer; and (3) the Contractor's response to the request for proposals.

In the event of a dispute under this Contract, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) amendments to the Contract in reverse chronological order; (2) the Contract, including the scope of work and all terms and conditions thereof; (3) the request for proposals, including attachments thereto and written responses to questions and written clarifications; (4) the Contractor's best and final offer if such has been made and accepted by the City; and (5) the Contractor's response to the request for proposals.

The City shall perform inspections and tests in a manner that will not unduly delay or interfere with Contractor's performance.

C. If the City performs inspections or tests on the premises of the Contractor or a subcontractor, the Contractor shall furnish, and shall require subcontractors to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

D. If any part of the services do not conform with the requirements of this Contract, the City may require the Contractor to re-perform the services in conformity with the requirements of this Contract at no increase in contract amount. When the defects in services cannot be corrected by re-performance, the City may:

- (1) require the Contractor to take necessary action(s) to ensure that future performance conforms to the requirements of this Contract; and
- (2) reduce the contract price to reflect the reduced value of the services performed.

E. If the Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements of this Contract, the City may:

Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

33. **Invalid Term or Condition**

However, the disclosure will be considered in the determination of the Contractor's responsibility and ability to perform under this Contract. Failure of the Contractor to furnish a disclosure or provide additional information as requested will be grounds for immediate termination of this Contract pursuant to the conditions set forth in Paragraph 7 of this Contract.

If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the City may terminate the involved contract for cause. Still further the City may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the City.

38. **Suspension, Delay or Interruption of Work**

The City may, without cause, order the Contractor, in writing, to suspend, delay or interrupt the work in whole or in part for such period of time as the City may determine. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized. Any compensation requested for which entitlement is granted and the contract sum adjusted, shall have profit included (for work completed) and for cost only (not profit) for Contractor costs incurred directly tied to the suspension itself and not otherwise covered by Contract remedy. Emily and Angie,

Great! I'm happy to help!

- 1) First things first, this would be exempt per NMSA, Section 13-1-98 A. Please include this email in the Munis contract record. (You will create a Munis contract and then process a req once the contract is posted.)
- 2) The signature blocks need to be updated so they are the correct parties: city attorney, John Blair, Emily, and Clerk (this can be copied from the attached).
- 3) Include
 - a. the procurement checklist, and
 - b. summary of contract.
- 4) You *do not* need to include
 - a. Certificate of Insurance, and
 - b. Business Registration.
- 5) Please contact me/JoAnn as soon as you hit a roadblock while you are getting things together.
- 6) As soon as you have the entire packet together in one PDF and legal and UNM have signed, drop the PDF into a new conversation in the Purchasing team in MS Teams, in the **Document Routing - Packets** channel (I just added you).

- 7) [Munis contract](#).
- 8) [Munis req](#) (converted to PO by CPD), please link contract in item.

Thank you.
