The Santa Fe Regional Airport respectfully request New Mexico Department of Transportation Aviation Division Amed grant SAF-24-01 Air Services Terminal Expansion and Infrastructure Improvements for an additional \$2,599,958.21. We are short \$1,007,851.64 on funds for change order #2 due to TSA and FAA deficiency, we needed to immediately correct to avoid penalty.

After meeting with the Governor, she requested we add some additional work, which include a cover from baggage claim to the terminal and additional parking to accommodate customers. It was also discovered in our plans we are lacking a TSA secure exit security shoot and additional parking required to meet capacity specs. The additional funds will allow us to complete Change Order #3 at \$1,592,106.57, including all additional requirements to have the terminal in compliance for ongoing services. I have attached the quotes for the additional work needed.

Respectfully submitted,

James Harris
