II. AWARD PERIOD AND INCREMENTAL FUNDING

For the purpose of this award, a project period is the complete length of time the recipient is proposed to be funded to complete approved activities under the award. A project period may contain one or more budget periods. A budget period is a specific interval of time for which Federal funds are being provided to fund a recipient's approved activities and budget.

Unless otherwise specified, the award covers a three-year project period, but provides funding in increments on an annual basis. In approving a multi-year project period, AmeriCorps

generally provides funds for only the first year of operation. Funding for subsequent years is contingent upon the grantee timely submitting a continuation application, satisfactory performance, a recipient's demonstrated capacity to manage an award and comply with award requirements, and the availability of Congressional appropriations. Grantees must submit a continuation application to receive funds for years two and three of the project period.

AmeriCorps reserves the right to adjust the amount of an award or elect not to continue funding for subsequent years. The project period and the budget period are noted on the award document.

III. PROHIBITION ON USE OF FUNDS

As specified in 42 U.S.C. § 5043(c), as well as in 45 CFR §§ 2551.121 and 2552.121, while charging time to a Senior Companion or Foster Grandparent or Senior program, accumulating service or training hours, or otherwise performing activities supported by the Senior Companion or Foster Grandparent Program or AmeriCorps, staff and volunteers may not engage in the following activities:

A. Political activities.

1. No part of any award may be used to finance, directly or indirectly, any activity to influence the outcome of any election to public office, or any voter registration activity. No project may be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a matter supporting or resulting in the identification of such project with:
 - a. Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or
 - b. Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or
 - c. Any voter registration activity, except that voter registration applications and nonpartisan voter registration information may be made available to the public at the premises of the sponsor. But, in making registration applications and nonpartisan voter registration information available, employees of the sponsor may not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.
2. Notwithstanding 42 U.S.C. § 5043(c), and 45 CFR §§ 2551.121(a)(3) and 2552.121(a)(3), anti-lobbying language in AmeriCorps's current appropriations legislation (like anti-lobbying language in AmeriCorps's past appropriations legislation) prohibits recipients from using AmeriCorps funds to pay the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation,

appropriations, regulation, administrative action, or Executive order proposed or pending before the Congress or any State government, State legislature or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government.

B. Non-displacement of employed workers.

An AmeriCorps Seniors volunteer in the Senior Companion or Foster Grandparent Program may not perform any service or duty or engage in any activity that would otherwise be performed by an employee of the sponsor, or that would supplant the hiring of, or result in the displacement of employees, or impair existing contracts for services.

C. Compensation for service.

A Senior Companion or Foster Grandparent Program agency or organization to which AmeriCorps Seniors volunteers are assigned, or which operates or supervises any Senior Companion or Foster Grandparent program, may not request, or receive any compensation from AmeriCorps Seniors volunteers or from beneficiaries for services of AmeriCorps Seniors volunteers.

1. The regulations do not prohibit a sponsor from soliciting and accepting voluntary contributions from the community at large to meet its local support obligations under the grant or from entering into agreements with parties other than beneficiaries to support additional volunteers beyond those supported by the AmeriCorps grant.
2. A volunteer station may contribute to the financial support of the Foster Grandparent or Senior Companion Program. However, this support may not be a required precondition for a potential station to obtain Senior Companion or Foster Grandparent Program services.
3. If a volunteer station agrees to provide funds to support additional AmeriCorps Seniors volunteers, or pay for other volunteer support costs, the agreement must be stated in a written Memorandum of Understanding. The sponsor must withdraw services if the station's inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project's financial capabilities to fulfill its obligations.
4. Under no circumstances may AmeriCorps Seniors volunteers receive fees for service from service recipients, their legal guardians, members of their family, or friends.

D. Labor and anti-labor activity.

The sponsor may not use grant funds directly or indirectly to finance labor or antilabor organizations or related activities.

E. Fair labor standards.

A sponsor that employs laborers and mechanics for construction, alteration, or repair of facilities must pay wages at prevailing rates as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, 40 U.S.C. 276a.

F. Religious activities.

Neither an AmeriCorps Seniors volunteer, nor a member of the project staff funded by AmeriCorps, may give religious instruction, conduct worship services, or engage in any form of proselytization as part of his or her duties.

1. A sponsor or volunteer station may retain its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use AmeriCorps funds to support any inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part.

G. Nepotism.

Persons selected for project staff positions may not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the community group established by the sponsor and prior notification and approval by AmeriCorps.

H. Abortion Services or Referrals.

While charging time to the AmeriCorps program, accumulating service or training hours, or otherwise performing activities supported by the AmeriCorps Seniors program or AmeriCorps Seniors, staff and volunteers may not engage in providing abortion services or referrals for receipt of abortion services.

IV. STIPENDS

The recipient may not expend funds approved for payment of stipends for any other purpose without the prior written approval of AmeriCorps' Portfolio Manager.

V. FAILURE TO MAINTAIN VOLUNTEER SERVICE YEARS

Failure of the Recipient to maintain Volunteer Service Year (VSY) program levels in accordance with the approved work plan and budget covered by the Notice of Grant Award may result in a reduction of funding for the succeeding year in accordance with AmeriCorps Seniors program policies.

VI. EXTERNAL EVALUATION AND DATA COLLECTION

The recipient must cooperate with AmeriCorps and its evaluators in all monitoring and evaluation efforts. As part of this effort, the recipient must collect and submit certain project data, as defined in the Progress Report Supplement (PRS) and must provide data as requested or needed to support external evaluations.

VII. LOBBY DISCLOSURE

- A.** No Federal appropriated funds may be used by the recipient to pay to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, or modification of any Federal contract, grant, loan, or cooperative agreement.
- B.** Any recipient who requests or receives a grant from AmeriCorps must file with AmeriCorps a certification, set forth in 31 U.S.C. Section 1352 ("Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions"), which generally prohibits recipients of Federal grants and cooperative agreements from using Federal (appropriated) funds for lobbying the Executive or Legislative branches of the Federal Government in connection with a specific grant or cooperative agreement. By signing and submitting an application, the application provides certification that the recipient understands and will comply with this statutory requirement and that the recipient has not made, and will not make, any payment prohibited under section VII.A. above.
- C.** For AmeriCorps Seniors grant awards in the Foster Grandparent and Senior Companion Programs that exceed \$100,000, pursuant to 31 U.S.C. 1352, the recipient is required to file with AmeriCorps a disclosure report, Standard Form LLL, Disclosure of Lobbying Activities, in accordance with its instructions, at the end of any quarter, when the recipient has paid or agreed to pay, using non-appropriated funds (including any profits from any covered Federal action) any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. If applicable, the report must be submitted to the grantee's AmeriCorps Senior Portfolio Manager.

This information shall be reported annually on the financial report due July 30 or at the time the final financial report is submitted if the final report is due prior to July 30.
- D. Final Financial Report.** Recipients completing the final year of their award must submit, in lieu of the last semi-annual financial report, a final financial report in AmeriCorps'

Grants Management System. This final financial report is due no later than 120 days after the end of the project period.

- E. Requests for Extensions.** Each recipient must submit required reports by the given dates. Extensions of reporting deadlines will be granted only when: 1) the report cannot be furnished in a timely manner for reasons, in the determination of AmeriCorps, which are legitimately beyond the control of the recipient, and 2) AmeriCorps receives a written request explaining the need for an extension before the due date of the report.

Extensions of deadlines for reports may only be granted by the AmeriCorps Portfolio Manager, as appropriate.

- C. Fees for service.** When using assistance under this grant, the recipient may not enter into a contract for or accept fees for service performed by participants when:
1. The service benefits a for-profit entity.
 2. The service falls within the other prohibited activities set forth in statute, regulation, or these grant terms and conditions.

X. BUDGET AND PROGRAMMATIC CHANGES

- A. Programmatic Changes.** The recipient must first obtain the prior written approval of the AmeriCorps Portfolio Manager before making any of the following changes (1-3):

 2. Substantial changes in key personnel specified in the application.
 3. The disengagement from the project for more than three months, or at least a 25 percent reduction in time devoted to the project by the approved Project Director.

Upon notification to the AmeriCorps Portfolio Manager, recipients may make programmatic changes due to, or in response to, an officially declared state or national disaster without written approval from AmeriCorps. As soon as practicable, recipients making disaster-related programmatic changes must discuss the performance measure adjustments, and other AmeriCorps grant requirements with the AmeriCorps Portfolio Manager. While written approval from AmeriCorps is not required before making disaster-related programmatic changes, AmeriCorps reserves the right to limit or deny disaster-related programmatic changes, including disallowing costs associated with the disaster related activities.

B. Budgetary Changes. The recipient must obtain the prior written approval of AmeriCorps' Portfolio Manager before deviating from the approved budget in any of the following ways:

1. Specific Costs Requiring Prior Approval before Incurrence under the uniform administrative requirement, cost principles, and audit requirements for Federal grants at 2 CFR § 200.407. Certain cost items in 2 CFR § 200.407 require prior written approval of the awarding agency for the cost to be allowable such as pre-award costs. Please ensure you consult the regulations prior to incurring costs to ensure allowability.
2. Purchases of Equipment over \$5,000 using grant funds, unless specified in the approved application and budget.
3. Unless the AmeriCorps share of the grant is \$100,000 or less, changes to cumulative and/or aggregate budget line items that amount to 10 percent or more of the total budget must be approved in writing in advance by AmeriCorps. The total budget includes both the AmeriCorps and recipient shares. Recipients may transfer funds among approved direct cost categories when the cumulative amount of such transfers does not exceed 10 percent of the total budget.

C. Approval of Programmatic and Budget Changes. AmeriCorps' Portfolio Managers are the only officials who have the authority to alter or change the terms and conditions or requirements of the grant. Portfolio Managers will execute written amendments and recipients should not assume approvals have been granted unless documentation from AmeriCorps' Office of Grant Administration (OGA) has been received via a Notice of Grant Award. Programmatic changes also require final approval of AmeriCorps' OGA after written recommendation for approval is received from the Portfolio Manager.
