BACKGROUND AND SUMMARY:

Attached for your signature is a Volunteer Station Agreement between Santa Fe Care Center and the City of Santa Fe. Our state funding source (New Mexico Aging & Long-Term Care Services Department) requires that we have these documents in place when providing volunteer services via our Companion Care Program (CCP). The Volunteer Station Agreement outlines the responsibilities of both the city as well as the volunteer stations. The CCP allows for AmeriCorps Senior Companion Programs (SCP) currently contracted with the State of NM Aging and Long-Term Services Dept. (NM Aging Services) to apply underutilized SCP funds to be used for the dual purposes of engaging persons in volunteer service to meet critical community needs to the residents of long-term care facilities. Long-term care facilities are assisted living or nursing home settings. Long term community residents are older adults and people with disabilities that are unable to live independently for various reasons. Please note that compensation is not involved in this agreement.
