AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein, the parties hereby mutually agree as follows:

ARTICLE I. PROJECT DESCRIPTION, AMOUNT OF GRANT AND REVERSION DATE

A. The project that is the subject of this Agreement is described as follows:

A20E5290 \$827,000

Laws of 2020, Chapter 84, Section 10, Subsection A, Paragraph 91, eight hundred twenty-seven dollars \$827,000 to purchase and equip vehicles for the Mary Esther Gonzales senior center in Santa Fe in Santa Fe County.

The Grantee's total reimbursements shall not exceed the appropriation eight hundred twenty-seven dollars \$827,000 (the "Appropriation Amount") minus the allocation for Art in Public Places ("AIPP amount")¹, if applicable, zero dollars \$0.00, which equals eight hundred twenty-seven dollars \$827,000, (the "Adjusted Appropriation Amount").

In the event of a conflict among the Appropriation Amount, the Reversion Date, as defined herein and/or the purpose of the Project, as set forth in this Agreement, and the corresponding appropriation language in the laws cited above in this Article I(A), the language of the laws cited herein shall control.

¹ The AIPP amount is "an amount of money equal to one percent or two hundred thousand dollars (\$200,000), whichever is less, of the amount of money appropriated for new construction or any major renovation exceeding one hundred thousand dollars (\$100,000)." Section 13-4A-4 NMSA 1978.

This project is referred to throughout the remainder of this Agreement as the "Project"; the information contained in Article I(A) is referred to collectively throughout the remainder of this Agreement as the "Project Description." Exhibit 4 sets forth additional or more stringent requirements and conditions, which are incorporated by this reference as if, set forth fully herein. If Exhibit 4 imposes more stringent requirements than any requirement set forth in this Agreement, the more stringent requirements of Exhibit 4 shall prevail, in the event of irreconcilable conflict. The Grantee shall reference the Project's number in all correspondence with and submissions to the Department concerning the Project, including, but not limited to, Requests for Payment and reports.

ARTICLE II. LIMITATION ON DEPARTMENT'S OBLIGATION TO MAKE GRANT DISBURSEMENT TO GRANTEE

- (i) Irrespective of any Notice of Obligation, the Grantee's expenditures shall be made on or before the Reversion Date and, if applicable, an Early Termination Date (i.e., the goods have been delivered and accepted or the title to the goods has been transferred to the Grantee and/or the services have been rendered for the Grantee); and
- (ii) The total amount received by the Grantee shall not exceed the lesser of: (a) the Adjusted Appropriation Amount identified in Article I(A) herein or (b) the total of all amounts stated in the Notice(s) of Obligation evidencing that the Department has received and accepted the Grantee's Third-Party Obligation(s), as defined in subparagraph iii of this Article II(A); and
- (iii) The Grantee's expenditures were made pursuant to the Grantee's legal procurement and execution of binding written obligations or purchase orders with third party contractors or vendors for the provision of services, including professional services, or the purchase of tangible personal property and real property for the Project, hereinafter referred to as "Third Party Obligations"; and

- c. The Department may, in its absolute discretion, issue to Grantee a Notice of Obligation for the particular amount of that Third Party Obligation that only obligates the Department to reimburse Grantee's expenditures made on or before the Reversion Date or an Early Termination Date. For purposes of this Agreement, it is not sufficient for the Grantee to "encumber" the Project funds on its books on or before the Project's Reversion Date or Early Termination Date. Funds are "expended" and an "expenditure" has occurred as of the date that a particular quantity of goods are delivered to and received by the Grantee or title to the goods is transferred to the Grantee and/or as of the date particular services are rendered for the Grantee. Funds are *not* "expended" and an "expenditure" has *not* occurred as of the date they are "encumbered" by the Grantee pursuant to a contract or purchase order with a third party.

ARTICLE V. EARLY TERMINATION

Either the Department or the Grantee may early terminate this Agreement prior to the Reversion Date by providing the other party with a minimum of fifteen (15) days' advance, written notice of early termination. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(A).

B. Early Termination Before Reversion Date Due to Non-appropriation

The terms of this Agreement are expressly made contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. Throughout this Agreement the term "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature: deauthorization, reauthorization or revocation of a prior authorization. The Legislature may choose to non-appropriate the Appropriation referred to Article I and, if that occurs, the Department shall early terminate this Agreement for non-appropriation by giving the Grantee written notice of such termination, as of the effective date of the law making the non-appropriation. The Department's decision as to whether sufficient appropriations or authorizations are available shall be accepted by the Grantee and shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department pursuant to Article V(B).

C. Limitation on Department's Obligation to Make Grant Disbursements to Grantee in the Event of Early Termination

In the event of Early Termination of this Agreement by either party, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth Article II.

ARTICLE VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

A. The Department may choose, in its absolute discretion, to direct the Grantee to suspend entering into new and further obligations.

- (i) The Grantee shall immediately suspend entering into new or further written obligations with third parties upon the date the Grantee receives written notice given by the Department; and
- (ii) The Department is, upon the date the Grantee receives written notice given by the Department, suspending issuance of any new or further Notice of Obligation under this Agreement; and
- (iii) The Department may direct the Grantee to implement a corrective action plan in accordance with Article VI(D) herein.

B. In the event of Suspension of this Agreement, the Department's sole obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

C. A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension

In the event that the Department chooses, in its absolute discretion to direct the Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension. Such corrective action plan must be approved by the Department and be signed by the Grantee. Failure to sign a corrective action plan or meet the terms and deadlines set forth in the signed corrective action plan, is hereby deemed a violation of the terms of this Agreement for purposes of Early Termination, Article V(A)(iii). The corrective action plan is in addition to, and not in lieu of, any other equitable or legal remedy, including but not limited to Early Termination.

ARTICLE VII. AMENDMENT

This Agreement shall not be altered, changed, or amended except by instrument in writing duly executed by both the parties hereto.

ARTICLE VIII. REPORTS

A. Database Reporting

The Grantee shall report monthly Project activity by entering such Project information as the Department and the Department of Finance and Administration may require, such information entered directly into a database maintained by the Department of Finance and Administration (<http://cpms.dfa.state.nm.us>). Additionally, the Grantee shall certify on the Request for Payment form (Exhibit 1) that updates have been maintained and are current in the database. The Grantee hereby acknowledges that failure to perform and/or certify updates into the database will delay or potentially jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of thirty (30) days' advance written notice of any changes to the information the Grantee is required to report.

Monthly reports shall be due on the last day of each month, beginning with the first full month following execution of this Agreement by the Department and ending upon the submission of the final request for reimbursement for the Project.

B. Requests for Additional Information/Project Inspection

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:
request such additional information regarding the Project as it deems necessary; and
conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.
Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

ARTICLE IX. REQUEST FOR PAYMENT PROCEDURES AND DEADLINES

A. The Grantee shall request payment by submitting a Request for Payment, in the form attached hereto as Exhibit 1. Payment requests are subject to the following procedures:

- (i) The Grantee must submit one original and one copy of each Request for Payment; and
- (ii) Each Request for Payment must contain proof of payment by the Grantee or liabilities incurred by the Grantee in the form of a notarized certification by Grantee's designated representative in Article III herein, that the expenditures are valid or are liabilities incurred by the Grantee in the form of actual unpaid invoices received by the Grantee of services rendered by a third party or items of tangible personal property received by the Grantee for the implementation of the Project; provided, however, that the Grantee may be reimbursed for unpaid liabilities only if the Department, in its discretion, agrees to do so and in accordance with any special conditions, see Exhibit 3, imposed by the Department.
- (iii) In cases where the Grantee is submitting a Request for Payment to the Department based upon invoices received, but not yet paid, by the Grantee from a third party contractor or vendor, if the invoices comply with the provisions of this Agreement and are a valid liability of the Grantee, the Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or such shorter period of time as the Department may prescribe in writing.

B. The Grantee must obligate 5% of the Adjusted Appropriation Amount within six months of acceptance of the grant agreement and must have expended no less than 85% of the Adjusted Appropriation Amount six months prior to the reversion date.

C. Deadlines

Requests for Payments shall be submitted by Grantee to the Department on the earlier of:

- (i) Immediately as they are received by the Grantee but at a minimum twenty (20) from the end of the calendar quarter in which the expenditure was incurred or liability of the Grantee was incurred as evidenced by an unpaid invoice received by the Grantee from a third-party contractor or vendor, if total unreimbursed expenditures or liabilities at calendar quarter end exceed \$25,000; or
- (ii) July 15 of each year for all unreimbursed expenditures incurred during the previous fiscal year; or
- (iii) Twenty (20) days from date of Early Termination; or
- (iv) Twenty (20) days from the Reversion Date.

D. The Grantee's failure to abide by the requirements set forth in Article II herein will result in the denial of its Request for Payment or will delay the processing of Requests for Payment. The Department has the right to reject a payment request for the Project unless and until it is satisfied that the expenditures in the Request for Payment are for permissible purposes within the meaning of the Project Description and that the expenditures and the Grantee are otherwise in compliance with this Agreement, including but not limited to, compliance with the reporting requirements and the requirements set forth in Article II herein to provide Third Party Obligations. The Department's ability to reject any Request for Payment is in addition to, and not in lieu of, any other legal or equitable remedy available to the Department due to Grantee's violation of this Agreement.

ARTICLE X. PROJECT CONDITIONS AND RESTRICTIONS; REPRESENTATIONS AND WARRANTIES

- A. The following general conditions and restrictions are applicable to the Project:
- (i) The Project's funds must be spent in accordance with all applicable state laws, regulations, policies, and guidelines, including, but not limited to, the Procurement Code (or local procurement ordinance, where applicable).

- (iv) The Grantee has independently confirmed that the Project Description, including, but not limited to, the amount and Reversion Date, is consistent with the underlying appropriation in law.
- (v) The Grantee's governing body has duly adopted or passed as an official act a resolution, motion, or similar action authorizing the person identified as the official representative of the Grantee to sign the Agreement and to sign Requests for Payment.
- (vi) The Grantee shall abide by New Mexico laws regarding Conflict of Interest and Governmental Conduct and whistleblower protection. The Grantee specifically agrees that no officer or employee of the local jurisdiction or its designees or agents, no member of the governing body, and no other public official of the locality who exercises any function or responsibility with respect to this Grant, during his/her tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed pursuant to this Grant. Further, Grantee shall require all of its contractors to incorporate in all subcontracts the language set forth in this paragraph prohibiting conflicts of interest.
- (vii) No funds have been paid or will be paid, by or on behalf of the Grantee, to any person for influencing or attempting to influence an officer or employee of this or any agency or body in connection with the awarding of any Third-Party Obligation and that the Grantee shall require certifying language prohibiting lobbying to be included in the award documents for all subawards, including subcontracts, loans and cooperative agreements. All subrecipients shall be required to certify accordingly.

ARTICLE XI. STRICT ACCOUNTABILITY OF RECEIPTS AND DISBURSEMENTS; PROJECT RECORDS

A. The Grantee shall be strictly accountable for receipts and disbursements relating to the Project's funds. The Grantee shall follow generally accepted accounting principles, and, if feasible, maintain a separate bank account or fund with a separate organizational code, for the funds to assure separate budgeting and accounting of the funds.

B. For a period of six (6) years following the Project's completion, the Grantee shall maintain all Project related records, including, but not limited to, all financial records, requests for proposals, invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted for the Project, the purpose for which such funds were used, and such other records as the Department shall prescribe.

C. The Grantee shall make all Project records available to the Department and the New Mexico State Auditor upon request. With respect to the funds that are the subject of this Agreement, if the State Auditor finds that any or all of these funds were improperly expended, the Grantee may be required to reimburse to the State of New Mexico, to the originating fund, any and all amounts found to be improperly expended.

ARTICLE XII. IMPROPERLY REIMBURSED FUNDS

If the Department determines that part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to, Project funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, or violation of this Agreement, the Grantee shall return such funds to the Department for disposition in accordance with law.

ARTICLE XIII. LIABILITY

Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

ARTICLE XIV. SCOPE OF AGREEMENT

This Agreement constitutes the entire and exclusive agreement between the Grantee and Department concerning the subject matter hereof. The Agreement supersedes any and all prior or contemporaneous agreements, understandings, discussions, communications, and representations, written or verbal.

ARTICLE XV. REQUIRED NON-APPROPRIATIONS CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

The Grantee acknowledges and agrees that Grantee shall include a "non-appropriations" clause in all contracts between it and other parties that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement that states:

"The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, the City of Santa Fe may immediately terminate this Agreement by giving Contractor written notice of such termination. The City of Santa Fe's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. Contractor hereby waives any rights to assert an impairment of contract claim against the City of Santa Fe or the Aging and Long-Term Service Department or the State of New Mexico in the event of immediate or Early Termination of this Agreement by the City of Santa Fe or the Department."

ARTICLE XVI. REQUIRED TERMINATION CLAUSE IN CONTRACTS FUNDED IN WHOLE OR PART BY FUNDS MADE AVAILABLE UNDER THIS AGREEMENT

Grantee acknowledges and agrees that Grantee shall include the following or a termination clause in all contracts that are (i) funded in whole or part by funds made available under this Agreement and (ii) entered into after the effective date of this Agreement:

"This contract is funded in whole or in part by funds made available under the Aging and Long-Term Services Department Grant Agreement. Should the Aging and Long-Term Services Department early terminate the grant agreement, the City of Santa Fe may early terminate this contract by providing Contractor written notice of such termination. In the event of termination pursuant to this paragraph, the City of Santa Fe's only liability shall be to pay Contractor for acceptable goods delivered and services rendered before the termination date."

Grantee hereby waives any rights to assert an impairment of contract claim against the Department or the State of New Mexico in the event of Early Termination of this Agreement by the Department.

XVII. COMPLIANCE WITH UNIFORM FUNDING CRITERIA.

- A. Throughout the term of this Agreement, Grantee shall:
1. submit all reports of annual audits and agreed upon procedures required by Section 12-6-3(A)-(B) NMSA 1978 by the due dates established in 2.2.2 NMAC, reports of which must be a public record pursuant to Section 12-6-5(A) NMSA 1978 within forty-five days of delivery to the State Auditor;
 2. have a duly adopted budget for the current fiscal year approved by its budgetary oversight agency (if any);
 3. timely submit all required financial reports to its budgetary oversight agency (if any); and
 4. have adequate accounting methods and procedures to expend grant funds in accordance with applicable law and account for and safeguard grant funds and assets acquired by grant funds.

B. In the event Grantee fails to comply with the requirements of Paragraph A of this Article XVII, the Department may take one or more of the following actions:

1. suspend new or further obligations pursuant to Article VI(A) of this Agreement;
2. require the Grantee to develop and implement a written corrective action plan pursuant to Article VI(D) of this Agreement to remedy the non-compliance;
3. impose special grant conditions to address the non-compliance by giving the Grantee notice of such special conditions in accordance with Article III of this Agreement; the special conditions shall be binding and effective on the date that notice is deemed to have been given pursuant to Article III; or
4. terminate this Agreement pursuant to Article V(A) of this Agreement.

ARTICLE XVIII. SEVERANCE TAX BOND AND GENERAL OBLIGATION BOND PROJECT CLAUSES

- A. Grantee acknowledges and agrees that the underlying appropriation for the Project is a severance tax bond or general obligation bond appropriation, which is administered by the New Mexico State Board of Finance (BOF), an entity separate and distinct from the Department. Grantee acknowledges and agrees that (i) it is Grantee's sole responsibility to determine through BOF staff what (if any) conditions are currently imposed on the Project; (ii) the Department's failure to inform Grantee of a BOF imposed condition does not affect the validity or enforceability of the condition; (iii) the BOF may in the future impose further or different conditions upon the Project; (iv) all BOF conditions are effective without amendment of this Agreement; (v) all applicable BOF conditions must be satisfied before the BOF will release to the Department funds subject to the condition(s); and (vi) the Department's obligation to reimburse Grantee from the Project is contingent upon the then current BOF conditions being satisfied.

- B. Grantee acknowledges and agrees that the SBOF may in its sole and absolute discretion remove a project's assigned bond proceeds if the project doesn't proceed sufficiently. Entities must comply with the requirement to encumber five percent (5%) of Project funds within six months of bond issuance as certified

by the grantee in the Bond Questionnaire and Certification documents submitted to the SBOF. Failure to comply may result in the bond proceeds reassignment to a new ready project. If this should occur this grant agreement will be suspended until the entity has demonstrated readiness as determined by the SBOF and the Department.

C. Grantee acknowledges and agrees that this Agreement is subject to the SBOF's Bond Project Disbursements rule, NMAC 2.61.6, as may be amended or re-codified. The rule provides definitions and interpretations of grant language for the purpose of determining whether a particular activity is allowable under the authorizing language of the agreement.

[THIS SPACE LEFT BLANK INTENTIONALLY]

IN WITNESS WHEREOF, the parties have duly executed this Agreement as of the date of execution by the Department.
