**CITY OF SANTA FE
LEGAL SERVICES AGREEMENT**

THIS AGREEMENT is made and entered into by and between the City of Santa Fe (the "City") and Brownstein Hyatt Farber Schreck, LLP, (the "Contractor"). The date of this Agreement shall be the date when it is executed by the City and the Contractor, whichever occurs last.

1. SCOPE OF SERVICES

The Contractor shall advise the City regarding real estate transactions related to development and disposition of certain parcels of the Midtown Property ("Midtown"). The real estate transactions may be complex and multidimensional.

A. Due to Midtown's complex site history and the need for the City and the Contractor to share a common understanding of that history, the Contractor shall, at the outset of its representation, analyze the Midtown Link Overlay District, Governing Body resolutions, Midtown Master Plan, Community Development Plan, and other project-related documents (collectively, "Project Documents") and prepare a comprehensive memorandum summarizing Midtown's current entitlements (the "Memorandum").

B. After completing the Memorandum, legal services work will include, as it is requested by the City's City Attorney's Office, some combination of the following services:

- Becoming familiar with previously issued Requests for Proposals ("RFPs") and all Exhibits and existing Exclusive Negotiation Agreements ("ENAs") for Midtown redevelopment;
- Advising the City regarding future RFPs and ENAs for development and disposition of parcels for housing, mixed use development, etc.
- Advising on best practices for negotiating and financing large-scale, public-private partnership development projects, based on experience, research, and the unique characteristics of Midtown;
- Advising regarding the City's due diligence investigations and any required disclosures;
- Assisting with or taking the lead on drafting and negotiating purchase and sale agreements ("Disposition and Development Agreements" or "DDAs") for certain parcels, including advising on key performance requirements, benchmarks, and opportunities to protect the City's public interest in the development phasing; and advising on protecting the City's long-term interest in the multi-phased, multi-year development program;
- Satisfying pre-closing conditions and preparing for closing;
- Closing title;
- Resolving any post-closing items; and
- Assisting with drafting legal terms regarding financial and other transactions that include obligations for implementing infrastructure or other development activities.

- Provide counsel and representation, as needed, in relation to Local Economic Development Act incentives, tax incentives, the New Mexico Affordable Housing Act, and other development opportunities.

2. STANDARD OF PERFORMANCE; LICENSES

A. The Contractor represents that it possesses the experience and knowledge necessary to perform the services described under this Agreement.

B. The Contractor agrees to obtain and maintain throughout the term of this Agreement, all applicable professional and business licenses required by law.

3. COMPENSATION

A. Memorandum: The Contractor shall prepare the Memorandum described in 1.A. at a fixed-fee amount of \$15,000, excluding GRT, to be paid upon the City Attorney's Office written acceptance of the Memorandum.

B. Other Services: Following completion of the Memorandum, the City shall pay to the Contractor in full payment for all other services satisfactorily performed at the following rates. The Contractor records time in 6-minute increments, and Contractor's monthly billing statements will be based on time recorded in those increments.

	Commencing upon completion of the Memorandum	Commencing on January 1, 2025
Amy Diaz	\$595 / hour	\$625 / hour
Greg Vallin	\$595 / hour	\$625 / hour
Caitlin Quander	\$545 / hour	\$575 / hour
Andrew Rothberg	\$425 / hour	\$450 / hour
Angela Hygh	\$410 / hour	\$435 / hour
Matthew Nilsen	\$400 / hour	\$420 / hour
Kathy Oster, Paralegal	\$355 / hour	\$375 / hour
Taylor Wright, Paralegal	\$300 / hour	\$315 / hour

In the course of the Contractor's representation, it is anticipated that Amy Diaz will supervise and coordinate most of the work on this matter, with the assistance of the attorneys and paralegals listed above. If it becomes necessary for the Contractor to replace an attorney or paralegal listed above, the Contractor will provide the City with written notice of the replacement attorney or paralegal of comparable experience and hourly rate. In addition, to best serve the City's interests, the Contractor may recommend other attorneys affiliated with Contractor with specialized expertise to assist on this matter, provided that the Contractor shall obtain the City's prior written consent before engaging any such attorney on this matter.

It is anticipated that most third-party costs, including large format printing, title fees, recording fees, closing costs, survey, engineering, and consultant fees, will be incurred directly by the City and not advanced by the Contractor on the City's behalf. However, in addition to fees incurred for legal work, the City agrees to reimburse the Contractor for certain third-party expenses incurred by the Contractor on the City's behalf, such as ordinary postage, overnight delivery fees, electronic filing fees, or pre-approved expert fees (collectively, "Costs"), provided that such Costs do not exceed five hundred dollars (\$500.00) per month without the City's prior consent.

The compensation under this Contract, inclusive of the amount for the Memorandum, is not to exceed one hundred thousand dollars (\$100,000.00), excluding gross receipts tax, unless amended in writing pursuant to Paragraph 13. The New Mexico gross receipts tax levied on the amounts payable under this Agreement totaling up to eight thousand, four hundred thirty-seven dollars and fifty cents (\$8437.50) shall be paid by the City to the Contractor. **The total amount payable to the Contractor under this Agreement, including gross receipts tax and expenses, shall not exceed (\$108,437.50). This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the City when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing prior to those services in excess of the total compensation amount being provided.**

C. Payment: Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the City.

D. Monthly Invoices: Contractor must submit a detailed statement accounting for all services performed and Costs incurred. If the City finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the City that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the City shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

E. Retainer Deposit: The City agrees to deposit the sum of \$5,000 as an advance fee deposit and as security for the Contractor's final invoice. This deposit will be held in the Contractor's trust account for this representation, and the Contractor will bill the City monthly. The City agrees to pay the Contractor's undisputed bills on monthly basis following the City's receipt of a detailed monthly invoice, and the Contractor will apply such

payments to its legal fees and Costs. Upon the conclusion of the representation, the Contractor will apply the deposit against its final invoice, and any unused amount remaining in the trust account will be returned to the City after payment in full of its final bill.

3. Term.

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE CITY. This Agreement shall terminate on **December 31, 2025**, unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with NMSA 1978, Section 13-1-150, no contract term for a professional services contract, including extensions and renewals, shall exceed four years, except as set forth in NMSA 1978, Section 13-1-150.

4. Termination.

A. Termination. This Agreement may be terminated by either of the parties hereto upon written notice delivered to the other party at least thirty (30) days prior to the intended date of termination. Except as otherwise allowed or provided under this Agreement, the City's sole liability upon such termination shall be to pay for acceptable work performed prior to the Contractor's receipt of the notice of termination, if the City is the terminating party, or the Contractor's sending of the notice of termination, if the Contractor is the terminating party; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor if the Contractor becomes unable to perform the services contracted for, as provided by the applicable Rules of Professional Conduct or as determined by the City or if, during the term of this Agreement, the Contractor or any of its officers, employees or agents is indicted for fraud, embezzlement, or other crime due to misuse of City funds or due to the Appropriations paragraph herein. THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE CITY'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.

B. Termination Management. Immediately upon receipt by either the City or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the City; 2) comply with all directives issued by the City in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the City shall direct for the protection, preservation, retention or transfer of all property titled to the City and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the City upon termination and shall be submitted to the City as soon as practicable.

5. Appropriations.

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the City Council for the performance of this Agreement. If sufficient appropriations and authorization are not made by the City Council, this Agreement shall terminate immediately upon written notice being given by the City to the Contractor. The City's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the City proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

6. Status of Contractor.

The Contractor and its agents and employees are independent contractors performing professional services for the City and are not employees of the City. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of City vehicles, or any other benefits afforded to employees of the City as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the City unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. Assignment.

The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the City.

8. Subcontracting.

The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the City. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the City.

9. Release.

Final payment following the conclusion of the engagement and the termination of the attorney-client relationship shall operate as a release of the City, its officers and employees from all liabilities, claims and obligations whatsoever arising from or under this Agreement.

10. Confidentiality.

Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the City, except as allowed under the applicable Rules of Professional Conduct.

11. Product of Service -- Copyright.

All materials developed or acquired by the Contractor under this Agreement shall become the property of the City and shall be delivered to the City no later than the termination date of this Agreement. Nothing developed or produced, in whole or in part, by the Contractor under this Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

12. Conflict of Interest; Governmental Conduct Act.

A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement.

B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the City relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the City if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the City and notwithstanding anything in the Agreement to the contrary, the City may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this section.

E. Contractor's engagement is limited as described in Section 1. Scope of Services of this Agreement ("Services"). Contractor and City have agreed that Contractor's representation is solely of the City and does not constitute a representation of any other entity. Contractor may currently represent clients on matters adverse to City or subdivisions,

departments, or agencies of the City, and Contractor reserves the right to do so in the future, provided however, that the attorneys working on this matter, identified under Section 3 of the contract, would not represent other clients adverse to the City during the term of this agreement and any amendments.

As a condition to our undertaking this matter for City, City agrees that Contractor may represent existing or new clients in any future matter that is not substantially related to our work for City as defined in Section 1 of this Agreement, even if the interests of such clients in those other matters are directly adverse to City. Contractor has advised City to consult with independent counsel before providing consent and agreeing to this advance waiver, and has adequate opportunity to do so.

13. Amendment.

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the City proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.

14. Merger.

This Agreement incorporates all the Agreements, covenants and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, Agreements and understandings have been merged into this written Agreement. No prior Agreement or understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

15. Penalties for violation of law.

The Contractor agrees to abide by all federal and state laws and rules and regulations, and Santa Fe City Code, pertaining to equal employment opportunity. In accordance with all such laws of the State of New Mexico, the Contractor assures that no person in the United States shall, on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these

requirements during the life of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

17. Applicable Law.

The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in a New Mexico court of competent jurisdiction in accordance with NMSA 1978, Section 38-3-1(G). By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

18. Workers Compensation.

(3) Automobile liability (including non-owned automobile coverage): \$1,000,000.

(4) Umbrella: \$1,000,000.

22. Indemnification.

The Contractor shall indemnify and the City from all actions, proceedings, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of the professionally negligent act or failures to act of the Contractor, its officers, employees, servants, subcontractors or agents, subject to and only to the extent such indemnification is not inconsistent with the coverage provided by Contractor's professional liability insurance policy. In the event that any action, suit or proceeding related to the services performed by the Contractor or any officer, agent, employee, servant or subcontractor under this Agreement is brought against the Contractor, the Contractor shall, as soon as practicable but no later than two (2) days after it receives notice thereof, notify the legal counsel of the City. This provision shall not apply to any settlement or payment effected without prior written consent of the Contractor.

23. Invalid Term or Condition.

If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

24. Enforcement of Agreement.

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.
