4. The purpose of the OTAB funding program is to support marketing efforts of third party non-profit organizational efforts to: 1) Directly increase tourism through new, multi-year events or the expansion of existing multi-year events; 2) fund non-profit efforts to increase the awareness of Santa Fe as a desirable tourism destination by providing non-marketing funding to help build public relations worthy events and activities that provide the potential for high visibility regional and national press exposure that does not, in and of themselves, create significant or immediate direct tourism expansion; 3) fund first time meeting events sponsored by a Santa Fe non-profit organization. Specific funding levels and restrictions are outlined in section 16 for this type of application.
5. Below are the policies of the Occupancy Tax Funding Assistance application for your review. Please read them carefully BEFORE completing the Occupancy Tax Funding Assistance Application. Failure to comply with any of these requests may result in your application not being considered or denied. Resolution 2012-70 sets forward the desires of the Governing Body with regard to OTAB grants and directs City staff to fund new, emerging or expanded events each year, for a maximum of three years. The criteria for such events shall include, at a minimum:

- The proposed event ideally shall take place in the shoulder season, outside of the high season months of May through October and holidays. Evaluation takes into consideration the proposed time of the event, days of the week, other events on the calendar and size of proposed event.
- Events during the busier months of the year can be considered, however they will not be given as strong a rating as a comparable event in a shoulder season timeframe. The key is to plan the event for when Santa Fe needs more visitors and not when visitors are already coming to Santa Fe and when lodging is at capacity.
- Funding and planning of the events shall be public/private partnerships that seek to attract tourists younger than 56 that are on message with Santa Fe's overall marketing of The City Different and its "Uncover Your Different" efforts, as demonstrated by TOURISM Santa Fe.
- The events shall exhibit potential to build regional or national excitement, recognition of happenings and brand assets that support creative and cultural tourism in Santa Fe, including but not limited to culture, art, history, food, natural beauty and outdoor activities. Ideally the event that is being proposed should be 4 months out to ensure significant planning time.
- All marketing must be designed to attract overnight stays in lodging facilities and must be targeted to markets more than 100-miles away.

- OTAB funds should not be used to supplement fundraising efforts or goals.
6. Activities shall be integrated with other local tourism related businesses and organizations and demonstrate sustainability beyond the funded period. The organization applying must have an IRS determined non-profit corporation status with a tax identification number or umbrella under a fiscal agent on file. If applicable, a letter from the fiscal agent under which the organization umbrellas must be submitted along with the application and the following qualifying documents:
 - a. **Copy of current Business License**
 - b. **New Mexico State Gross Receipts-Withholding Certificate (CRS-1)**
 - c. **Copy of IRS determination letter acknowledging non-profit status**
 - d. **Proof of Insurance (COI) naming the City of Santa Fe as additionally insured**
 7. Please submit the Occupancy Tax Funding Assistance application, your current organization budget and event budget, along with nine (9) copies (mailed or delivered) to the attention of the OTAB Administrator at the above stated address for review.

The application is to be completed and submitted, including all attachments, by Friday, September 19, 2025 at 5pm. An oral presentation may be required at a meeting of the grant review panel in October/November before final selections are made. Any applicants failing to submit their application by the scheduled date and time will be required to wait until the next funding cycle to submit a funding request. Grants are awarded annually unless funds are either not used by a grantee or all funds are not awarded at which time a process may reoccur at the discretion of the OTAB, which could include consideration of individual requests, or issue funds to a second tier of applicants.

Applications will be collected and reviewed during the applications cycle. If your application is deemed to meet the criteria with a minimum written evaluation of 30 points, you may be invited to attend an OTAB Grant Review Panel Meeting, to make a presentation. The Grant Review Panel (conflict of interest free) will review the applications/ presentations and may ask questions and discuss the merits of the event with the applicants. Total interview time will not exceed 45 minutes. All OTAB meetings including the Grant Review Meeting are conducted in compliance with the New Mexico Open Meetings Act.

8. Applications will be scored and ranked for funding recommendations by the panel. If the panel consists of a majority of the OTAB members, it will finalize a decision at the meeting. If it does not have a majority, the recommendations will be forwarded to OTAB for a final vote at its next monthly meeting or at a special meeting called to review and approve the recommendations.

SCORING

The proposal process can be a two-part: a written proposal then an oral presentation. Both parts of the process must be completed, if oral presentations are called, to be considered for funding. The written part is worth 60 points. Applicants scoring less than 30 points in the written evaluation will not have an opportunity to be funded.

9. If the OTAB declines funding an application, the applicant may request that the OTAB Administrator place that item on a subsequent OTAB monthly meeting agenda for further clarification. The Chairman of OTAB approves all requested agenda items for the meeting.
10. If the applicant's request is approved by the OTAB, the OTAB Administrator will then draft a contract of services. This may require the applicant and the Administrator to work together. Due to the time needed for processing the contract, it is very important that the applicant cooperate with OTAB Administrator throughout this process.
11. After the City has approved the contract and the contract is fully executed, a purchase order will be created. The OTAB Administrator will require an invoice upon completion of services for the event. Only those costs incurred after the contract is fully executed may be invoiced for payment. The invoice must include expenditure detail with paid invoices if the grant is for marketing reimbursement.

A final report and presentation to OTAB is also required as a part of the grant commitment.

12. Once the Contract has been executed it shall not be altered, changed, or amended except by a written notice to OTAB by the applicant. The OTAB will then hear the request for amendment at its next scheduled meeting and either approve or deny acceptance. If accepted an amendment to the Contract will then be prepared and presented to the City Manager for final approval and signatures.
13. All advertisements and promotional materials for the event must state, "**partial funding was granted by the City of Santa Fe Occupancy Tax**" and have the **Santa Fe Script logo and the Fly Santa Fe logo**.
14. The intent of funding special events from Occupancy Tax proceeds is to bring overnight visitors into Santa Fe and thus increase tourism for the City of Santa Fe. Events must only use Occupancy Tax funds for advertising, promotion, or marketing that targets an audience outside of a 100-mile radius of the City of Santa Fe. Thus, increasing the likelihood that those people drawn to the event by the marketing efforts will spend at least one night at a lodging establishment in Santa Fe. The City of License for broadcast media must be outside of a 100-mile radius of the City of Santa Fe. If an event needs to attract a significant amount of Santa Fe residents, then funds from sources other than OTAB must be used for local media purchases. For example, your advertising budget is \$6,000. OTAB awards your organization \$2,500. You would spend the OTAB funding amount (\$2,500) on a media beyond a 100-mile radius of Santa Fe to attract overnight visitors and your remaining advertising budget (\$3,500) on local media

Grants can also be awarded to support high visibility public relations events or activities, which provides seed development funding in support of a sustainable annual event that significantly increase Santa Fe's position as a cultural travel destination through press. The use of this funding has more flexibility such as event development and production and will be evaluated based on benefit from value of earned media. The contract for services for this type of event will be specific in the use of the OTAB funds.

15. OTAB has instituted the following step-down process for funding. No more than 3 years of total funding will be considered. The amounts stated are examples using maximum values.

- a. Year one funding \$40,000 (maximum potential funding)
 - b. Year two funding \$30,000 with matching of at least \$15,000 for marketing
 - c. Year three funding \$20,000 with other funding of at least \$22,500 for marketing
 - d. Year four, no additional funding
 - e. **Second and third year funding does not require a separate application process, however, is not guaranteed. For consideration of funding, the applicant must file a post event report and present results to OTAB at a regular meeting. If oral presentations are called, 2nd or 3rd year applicants will be required to present.**
- * For the 2026 funding cycle, there is \$150,000 available.

- 16. For a meeting event grant, the non-profit sponsoring the event must be located in Santa Fe City or County and the anticipated event must be planned to generate a minimum of 200 room nights. An event must not include a weekend unless it is an extension of the main part of the event. Weekend nights cannot be included in the calculation of room nights generated. Meeting events can receive two years of funding, \$5,000 in the first year and \$3,000 in year two. Year two will only be funded if the meeting generates the required number of room nights.
- 17. The Contractor must maintain adequate liability insurance in at least the amount stated in the New Mexico Tort Claims Act. A certificate of insurance must be provided by the Contractor's insurance carrier with the City of Santa Fe named as an additional insured. It is the sole responsibility of the Contractor to comply with the law.
- 18. Contractor agrees to defend, indemnify and hold harmless the City of Santa Fe, OTAB members, and TOURISM Santa Fe for all losses, damages, claims or judgment, execution, actions or demands whatsoever resulting from the Contractee's actions or inactions as a result of the event.
- 19. All reimbursement information must be categorized per City of Santa Fe Professional Service Agreement approved budget.
 - a. Original invoices must be submitted for payment processing. (Copies of invoices will not be accepted.) Invoices must be dated and marked paid by the event after the signed agreement date.
 - b. Vendor statements will not be accepted instead of original invoices.
 - c. Copy of cancelled checks (front & back) or signed credit card receipts must accompany invoices as proof of payment.
 - d. Copies/clippings of flyers, banners, advertisements (radio, TV, newspaper, magazine, etc.) must accompany each vendor-related invoice.
 - e. Progress payments will be accepted.

Note: **Keep in mind that your Professional Service Agreement with the City is a dated contract and invoices cannot be paid if received after your contract has expired.**

- 20. After the event, a post-event written report must be submitted to the OTAB within 90 days. Contractor will then be scheduled to make a ten-minute (10) verbal presentation at the next regularly scheduled meeting of OTAB. The report must include: **1) a post-event explanation of expenditures and revenues with a complete event budget. 2) a descriptive breakdown of how the event directly produced tourism revenue, (e.g. number of attendees, participants, number of room nights used in local hotels/motels), and 3) an estimate of economic impact other than hotel room nights 4) plan for next year's event.**
