Ms. Anna Marie Bowen
Santa Fe Police Department
2515 Camino Entrada
Santa Fe, New Mexico 87507

Re: *Proposal to conduct Polygraph Examinations for the Santa Fe Police Department Fiscal Year July 1, 2026 to June 30, 2028*

Dear Ms. Bowen:

I have been a Certified Polygraph Examiner for the past thirty-seven years in New Mexico, and hold memberships with the American Polygraph Association, the American Association of Police Polygraphists, and the New Mexico Society of Forensic Polygraphers. I was appointed a professional member of the New Mexico Polygraph Advisory Board from December 1, 1991, through November 30, 1994.

I have served in law enforcement since 1976, with more than twenty-one years with the New Mexico State Police Department. My experience includes fifteen years as an Agent in the Criminal Investigations Bureau. During this time, I was head of the polygraph unit and monitored and supervised the polygraph activities of three polygraph examiners. Because of my extensive training in polygraph examination techniques and interviewing and interrogations, my expertise is often solicited. I have testified in District Courts (81) eighty-one times throughout New Mexico and (4) times in United States District Courts.

As part of my transition from the New Mexico State Police, I was a part-time instructor, teaching Criminal Justice Courses, at the University of New Mexico-Gallup Branch, from January 1998 to May 2000. I am certified by the Department of Public Safety, Training and Recruiting Division, as an instructor in the areas of: Professional Lecturer, Criminal Investigations, Homicide Investigations, and Interviews and Interrogation.

I respectfully request any consideration in allowing me to continue conducting polygraph examinations for the Santa Fe Police Department. The cost for a pre-employment polygraph examination, which includes testing and report, is as follows:

> Pre-employment exam is $400.00 each plus gross receipts tax @ 7.625 or $30.50 for a total of $430.50.

The examinations will be conducted in Albuquerque, NM. The polygraph examinations will fulfill requirements as listed in the New Mexico Rule of Evidence 11-707, and provisions of the American Polygraph Association's Standards and Practices and contained within ASTM Standards (Annual Book of ASTM Standards, 2006, Section 14, Volume 14.02).

I will comply with all policies of the Santa Fe Police Department, and will formulate the Relevant Questions as such to ensure accurate testing.

In December 2024 (for 2025, I renewed my professional polygraph insurance with Complete Equity Markets Inc., and have named the Santa Fe Police Department as a Certificate Holder. The contact person is Ms. Melanie Javens and can be reached at (847) 541-0900 for questions concerning coverage purposes.

Feel free to contact me if you have any questions at 345-1555 (Office) or (505) 238-4316 (Cell).

Sincerely,

Michael J. Garcia, Mayor

Dear City Staff,

The Chief Procurement Officer (CPO) must determine whether a **service** is classified as General, Professional, or Construction before a purchase involving services can proceed. This classification ensures that each procurement follows the correct path, including the appropriate procurement method, contract type and term, and insurance requirements.

To improve efficiency and reduce delays for routine service procurements, the Central Purchasing Division (CPD) has issued this Blanket Services Determination (Version 4). This document identifies common service types that have already been reviewed and classified by the CPO. If your scope of work clearly aligns with a listed service, you may rely on this document and do not need to request a separate service determination.

This document is issued in accordance with state statute and City ordinances and is valid through June 30, 2027, for service types that clearly fall within the established categories.

This document does not apply in all situations. A separate CPO determination is required if the scope of work is mixed or hybrid, unclear, unusual, design-build, or not specifically addressed in the categories below. In such cases, staff must request a determination by emailing purchasing_det@santafenm.gov at the outset of the procurement.

The intent of this service determination is to ensure that the correct procurement path is identified early. When that path requires vendor selection through a formal procurement (such as an ITB or RFP), departments must engage CPD during the initial needs and expectations-gathering phase and continue coordination through contract execution.

If you need assistance classifying a service, please contact CPD.
